Was there more than one Lawson "Loss" Nunnelley? Almost sure I've heard Dad speak of him. Just haven't found my notes yet.

Is this any help to you? Thanks for anything you can add. I'm always behind with my alphabetize filing. Never have enough time for all I want to do. There is never a dull moment. My 7 years of retirement from 32 years of teaching has been a joy except when I'm sick.

Sincerely,
Yetive (Denton) Ramsey

Dear Mrs. Nunneley:

Thank you for answering my letter. I am sorry to hear that your husband was not feeling well and hope he is better now. Also, I hope you had a wonderful wedding for your daughter.

I will try to explain my Reeves connection if I can. My husband's great grandfather was Samuel Robert Reeves who was the son of John C. Reeves. This John C. Reeves (b. 1813/d. 1895) was married to Elizabeth R. __?__ first and second to Eliza Maxwell Bunch (widow of Capt. Larkin Bunch). John and Elizabeth R. Reeves had five children I know of*:
Margaret Jane Reeves/b. 1840 married William M. Bunch & Peter Seitz
Samuel Robert Reeves/b. 1844 married Mary Kennan
Henry M. Reeves/b. 1846 married Julia Wilson & Margaret Wilson
Nancy M. Reeves/b. 1848 married John Gibson
Mary S. Reeves/b. 1851 married A. Jack McCollough
* Some say Pleas(ant) Reeves born 1834 was a son of John C. Reeves but I have never found documentation to connect these two.

Do you have any information on the A. Jack McCollough/b. 13 Dec 1849-died 6 Oct 1916 in your McCollough line. They had one son Bec/b. 15 Jan 1883-died 20 Oct 1901. There were probably more children but this is all I have now.

At this time, I don't want you to go to the trouble to reproduce the Bunch genealogy. I think I have found someone who already has this information, too. Thank you again for your reply and help.

Sincerely,

April Wegner

(Mrs.) April Wegner

Dear Mrs. Nunneley:

I wrote to you in February of this year but I am not sure you received my letter and I didn't make a copy of it. So forgive me if I am repeating information that you have already received.

You answered my query in the Arkansas Family Historian regarding the Liberty Cemetary in Madison County, Arkansas. I sincerely appreciate your sending me the copy. You also said you had information on Margaret Seitz and Elizabeth Bunch and I am enclosing my Reeves chart that has both of these names on it. I would like to receive a copy of what you have on them. I did mail a small check for $2 with my letter to help cover postage and xerox copies. If you did receive the check, please use it to pay for the expense of mailing the cemetary listing. Let me know about how much it will cost to send the Seitz/Bunch information and I will be glad to reimburse you.

If you will let me know what names you are researching, I will be glad to see if I can help you.

Sincerely,

April Wegner

"IN THE BEGINNING GOD CREATED." There is something striking and majestic in these opening words of the Holy Scriptures. Our thoughts are turned at once by the inspired writer of the first book of the Bible, towards the Divine Being whose dealings with mankind are to be revealed and recorded. God created the world; He created man; He devised a plan for his redemption; and the prophetic announcement, the historical preparation for the Divine perfection of this plan of grace, and the glad announcement of its completion, is the golden cord that binds together in one harmonious whole the entire of the Holy Scriptures, and is what has made this Holy Book so dear in all ages to the hearts of God's people.

The Bible, composed by many different authors, written at different times and places, and recording the dealings of God with his people for a period covering in time some thousands of years, is so woven together by prediction and fulfillment, by type and antitype, by the heavenly word and the human response, that it becomes one inseparable whole;—the Word of God, the warning of the sinner, and the unfailing guide and consolation of the believer.

MISS BELLE HALL.

The Accomplished Daughter of Cornelius Hall of Near this Place Passes Away at Battle Creek, Michigan.

A telegram was received by the family of Cornelius Hall last Thursday night of the death of his daughter, Belle, who was at Battle Creek, Mich. She had made her home there for quite a while in the employ of the proprietors of the Battle Creek Sanitarium. Belle was a bright energetic lady. She had mastered the science of shorthand and type-writing during her attendance at the Business College of New Albany. We are pleased to say that her employes were kind to her and were greatly pleased with her ability. She was taken sick early in the winter with something like malaria disease which finally resulted in a true type of tuberculos consumption from the ravages of which she soon succumbed. Her remains were interred at the cemetery there, this being her own request. Her sister Jennie, was with her in the last days of her sickness. The family have the sympathies of the entire community.

1963

Cornelius Hall, one of our respected older citizens, died at his home in this city last Friday after a lingering illness incident to old age. Funeral services were held at the late home Saturday, conducted by Rev. Simpson of the U. B. church, after which the body was taken to the Denbo cemetery near English and laid away. The following obituary has come into our hands: Cornelius Hall was born August 5, 1835 and departed this life February 18, 1916, aged 80 years, six months and 13 days. He was united in marriage to Lucinda Ann Bunch January 6, 1859. To this union were born seven children, four of whom have gone on before, as also his companion who went to the home of the soul about 17 years ago. Bro. Hall was converted when young and united with the M. E. church and in latter years joined the U. B. church. He lived a happy christian life during his stay on earth and has now departed for the home of the soul where loved ones are waiting to meet him. He leaves three children, one son Joseph A. Hall of Marengo, and two daughters, Jane Hall of Marengo and Nancy Burror of Jonesboro, Arkansas, three sisters, six grand children and many relatives and friends to mourn their loss. He was a son of Levi Hall who came to this county in 1806, from Tennessee at the head of a colony and located at the site where Marengo now stands and built the old fort or block house.

Dies at Dallas, Iowa.

Little John Curtis, six months' old baby of Mr. and Mrs. W. B. Cornwell, died at their home one mile east of Dallas, Iowa, Monday evening, November 10, at 7 o'clock. Death was caused from whooping cough. He leaves a father, mother, four brothers, Leslie R., Charley C., Orville F. and Clarence Lee, and two sisters, Mary O., and Edith E., who all dearly loved the little brother that was sent to them to bloom and wither away.

Funeral services were held at the home Tuesday afternoon at 2 o'clock, conducted by Elder eferton, the Christian pastor, burial in the Dailas cemetery.

Death has entered our home and taken our darling, babe but God knows best. We know everything was done by the human hand that could be done, but nothing could do him any good.

He is sweetly
Asleep in Jesus,
Oh, how sweet!

Entertain Their Friends.

On Sunday May 16th, Mr. and Mrs. Clinton Cornwell entertained at their home near Brewersville, Ind., the following: Mr. and Mrs. J. A. Pool, sons, Ernest, Ercel and Fred, and daughter, Miss Elma; Mr. and Mrs. Vado Little, daughters, Mildred and Dorthy, and son, Chester, Mr. and Mrs. John Little, Miss Pearl Merrill, Mrs. William Grant, daughter, Ermel, and son, Roy. A bountiful dinner was served and refreshments of ice cream and cake were served in the afternoon. Several snapshots of the jolly crowd were taken to help remember the day.

Young Volney Stone

Young Volney Stone was born in Orange County, Ind., December 19, 1858 and departed this life June 22, 1930, age 71 years, 6 months and 3 days

1858

On January 3, 1878 he was united in marriage to Mary E Wright. To this union three daughters were born, Florence, Cora and Ola. Cora with her mother having preceded her father in death.

February 26, 1901 he was married to Levesta Apple. She too has gone before.

January 6. 1927 he waa married (3) to Jane Hall. They lived together happily and religiously, until death separated them.

He was gloriously converted more than fifty years ago. Few people have maintained the spiritual glow in their hearts and lives more radiantly and consistently than did Brother Stone. If he was accused of being peculiar, we remember that God sais, "My people are a peculiar people." If the people of the world should say he was narrow, it is because he walked the narrow way, which has led him, at last, to the dwelling place of the most high. Anyone who was around him very much would soon conclude that to pray was as natural to him as to eat food for the sustenance of his body Through the period of almost ten months since he gave up and went to bed he has maintained an almost constant attitude of prayer. Often when asked what he wanted he said, "More love to Thee O Christ, More love to Thee." In Christ he was triumphant unto the end.

He was a member of the Harned's Chapel Methodist Church until it was taken over by the United Brethren. He then placed his membership with them where it remained until he was translated to the Church Triumphant.

There were eight children in his father's family. Four boys and four girls. All of these have passed onto the great beyond with the exception of two brothers, J. R. Stone of Marengo, and W. A. Stone of St. Louis. Besides these two brothers he leaves to mourn their loss, his devoted companion, Mrs. Jane Stone two daughters, Mrs. Florence Moon, of Bussey, Ia. Mrs. Ola Toney, of Louisville, a number of grand children, great-grand children, many other relatives and friends who will feel the loss of his beautiful Christian life.

Brief funeral services were held Tuesday at 1 o'clock P. M. at the U. B. church, conducted by Rev. M. W. Roberson, assisted by Rev. Holmes and Rev. Glosson. The remains were then taken to Harneds Chapel when Rev. Wm. Glosson preached the sermon, assisted by the other two ministers. Burial rites were conducted by the Red Men and I. O. O. F. Lodges, of which he was a member. Burial in Harned cemeetery.

a. United States (not State) pensions claimed on the basis of service before World War I;

b. United States (not State) bounty lands claimed on the basis of service before 1856;

c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

Walter Bunch and Elizabeth_______ were my two-greats-grandparents. Andrew was my great -grandfather. He died in a Union prison in St. Louis of inflammation of the lung 30 Jan. 1864. He was in Kitchen' Regiment in the Missouri Cavalry. He left his widow, Hulda J. Walker Bunch(my great-grandmother)and a daughter, Temperance Elizabeth Bunch, who was my grandmother. She married(1)a Moody, and after he died she married(2)my grandfather, Christopher Columbus Golden(who always signed his name C.C. Golden, and probably would not appreciate my writing it out). My mother is their daughter, Myrtle Evans Golden, who married Henry Elmer Smith in 1917.

I am trying to learn who Walter Bunch's wife, Elizabeth was. They lived in Perry County, Tennesse before comång here(accoring to the census they went to Mo. before coming here. I belisve they were here around 1840, but had to be by 1843 according to this census). That(PERRY TENN courthouse burned three times, and I learned little by going to that county. I did come across sume Bunch and Couch deeds, but there was nothing in them to help me. I have thought Elizabeth might have been a Couch, and the John Couch in her home her brother.

The Samuel Bunch on the above census was the first postmaster of Manila Ark., which was first named Cinda after his daughter.

I am not sure who the following Bunch family is , but I thought Rodney might be a brother of Walter, although I have never known a Rodney in the family in my time. I failed to get anyone's birthplace except his.

August 8 (1845) A contract to erect the government's contemplated Osage manual labor schools - the future Osage Catholic Mission (at present St. Paul, Neosho County) - was let (by Subagent Joel Cruttenden) to Wm. Barnes of Bates Co., Mo. Specifications called for two hewn-log schoolhouses, each 50' x 26' and two stories high (set on stone foundations) with shingled roofs, oak or black walnut plank floors; each to have 2 double chinmeys, and 15 windows. There were to be adjoined by one-story log buildings 28' x 20'. Also to be erected were a smoke house and a barn. The site, between flat rovk creek and the neosho river, near their junction , had been selected in mid-june by Subagent Cruttenden and the Rev. Felix L. Verreydt, S.J. (superior at Pottawatomie Sugar Creem Mission.

On May 25, 1846, Subagent Samuel H. Bunch, (Cruttenden's successor) wrote that the schoolhouses would be finsihed "by the last of June," and that the "farms, fences & etc are completed". He asked that the "$3,456 allowed by these objects" be forwarded to him. But Osage Catholic Mission, as will be noted later, did not open till the spring of 1847.

P.662. January 1847. The Osages' first grist and saw mills were completed and ready for use. They had been built by "Messrs. Foster and Redfield." Subagent Samuel H. Bunch appt'd Wm. S. Sims and R.B. Coleman as millers; L. Brenizier and Samuel Bevenue as assistant millers. On Jan 18 Chiefs George White Hair, Clermont, Kahegahlangh (of the Little Osages), and Pa-ni-non-pa-sha (of the Big Hill band) wrote Sup't Thomas H. Harvey recommending Abraham Redfield, of Bates Co., Mo., and Henry Clemens (Clements) to replace Sims and Coleman (who were Bunch's brotherinlaw and soninlaw).

p.664. Feb. 25, 1847. John A Mathews, of Missouri, was granted a two-year license to trade with the Great and Little Osage Indians, by Subagent Samuel H. Bunch. (The subagent noted that Mathews "has a trading house in the Creek and Quapaw nations.")

SAMUEL BUNCH (c1797-1860-70), of OSAGE COUNTY, MO.

Records of Mrs. Garland B. (Geneva) King, of Nowata, Okla., 74048, as of December 8, 1982.

SAMUEL BUNCH, was probably (not proven) the son of George and Sally (Sargent) Bunch, of Louisa Co., Va., and Clay Co., Ky. Samuel was born about 1797 in Kentucky; died between 1860 and 1870 (census) in Osage County, Mo., where he had settled before 1830 (census). He was married in Clay County, Ky, on 20 Nov. 1818, to Pheby Parke or Parker. George Bunch was the bondsman. (Geneva King has a copy of this old marriage record on file in Clay Co.) However, after studying census records, we find that the name Pheby does not appear among descendants, but the name Amanda is popular. Was there another wife?

Samuel had two known brothers, George and James. A granddaughter of George was able to recall hearing this: "Grandfather George Bunch had two brothers: Jim, buried over by Stokes Mound; and Sam Bunch, his older brother. When they got to St. Louis (from Ky), him,(Sam), and his family and also his mother, went in a different direction and they never heard of them again". Samuel Bunch settled in what was then Calloway Co., Mo. In 1840 he was in what was then Gasconade Co., Mo. In 1841 that part of Gasconade became Osage County, Mo. Samuel Bunch remained there the rest of his life. He had a wife living in 1840, census, but none appears in any of the later census. Samuel Bunch was a "chairmaker" by trade.

From census records 1830-1880, some Osage Co., Mo. marriage records, and from Mrs. Laura Bonnot, Samuel's children may be as follows:

1. ?R. Bunch ?, born 1819/1820, prob. Clay Co., Ky. According to census records there was a son this age. Perhaps it was this "R. Bunch" who was listed in the 1840 census of Gasconade Co., Mo., with:
    1. Son Bunch, age 0-5 in 1840 census of Gasconade Co., Mo.
2. Perry Bunch, born about 1823, prob. Clay Co, Ky. Married (1), c1848 or 1849, Maria ? , (b. 1828, Ohio). Maria deceased by 1860.(census). Perry married (2) in the Mid 1860's, Susan Schmidt, who was born c1836, in Ind., the dau of Mrs. Ann Schmidt. In 1880 Perry Bunch was a miller, and was living in Douglas Co., Mo. Known children, all b. Mo:
    1. Mary Ann Bunch, agd 4 months in the 1850 census.
    2. Sam Bunch, b. c1851,
    3. Reuben Bunch, b. c1853; in 1880 (census) lived near father in Douglas Co., Mo.; was a miller. Wife named Sarah; one child:
        1. Enoch Bunch, aged 1 month in 1880 census, Douglas Co., Mo.
    4. Susan J. Bunch, b. c1855.
    5. James Bunch, b. c1866.

Dear Mrs. King:

Although it has been a long time since you wrote me concerning the Bunch family, I am still interested and I will try to take some time now and give you some dates and names that you may not have. I will give you first my own direct line back to Stokeley Bunch b 1796 d 1868.

I am Karen Ann Bunch Platz, b. Sept. 15, 1940; dau of Volley Edward Bunch, b. in Mo Mar 23 1905; son of Willis Marion Bunch, b April 19, 1882, d Aug 15, 1951 in Mo; son of George Franklin (Frank) Bunch, b. April 13, 1859, d. Sept 10, 1919; son of John Bunch, b. 1821, d 1909; son of Stokeley Bunch, b. 1796. According to the 1850 Sullivan Co., Mo. census Stokeley was married to Aley. It my possession I have a copy of a deed made on the 14th day of June 1856 by and between Stokeley Bunch and Abey his wife of the County of Sullivan and state of Mo. concerning a piece of property they purchased in Sullivan Co. The name is signed "Abey". The 1860 Sullivan Co., census records Stokeley as being married or living with "Cristena". It is quite probable that the first spelling of "Aley" is incorrect and should have been Abey. I do not have any definite records of Stokeleys parents or from where he came. The J. Riley Bunch of Milan, Mo (now deceased) that you wrote to a few years back said he believed they came from Court (Cork?) Ireland, settled in Cumberland Co., Ky or Tenn., moved to Linn Co, Mo., then to Iowa a year, then back to Sullivan Co., Mo. and settled there. Possibly Stokeley's parents came from Ireland to Ky or Tenn where Stokeley was born. Then again, my grandfather Willis M. Bunch (deceased) spoke many times to my oldest sister Mary concerning the origin of "our Bunch family". He said they were German immigrants who came into this country illegally, changing their names from the original spelling of Boker to the present Bunch, to avoid being noticed. Whether this is true we do not know.

In some papers you sent me you had listed "1732, Five Bunch brothers landed in Alexandria, Va., from Aberdeen, Scotland - Jeremiah, Malachi, David, Paul & Henry. Came from Hanover, Germany to Scotland in 11th century. German spelling was Buntz. These 5 brothers settled in North Carolina".

This may be the Bunch family that Stokeley's ancestors belong to. It is possible that during the passing down of the original spelling (if it wasn't Bunch) through four or more generations that it too may have been changed and that some of the details concerning the changing of the name or coming to this country may have beenconfused. This may be the reason for the difficulty of tracing the parents of Stokeley b.1796. The following dates and names are as I have them now. There may be possible errors.

As soon as I again find time to sit down and write to you I will fill in as much information as possible concerning the children of Willis Marion Bunch b. 1882 and that of my own brothers and sisters, their marriages and their children. Perhaps the above information will be of some help to you. It is not complete by any means.

Have you checked out the possibility that the Cristena listed with Stokeley

Bunch in the 1860 Sullivan Co., Mo census and was born in N.C. may have been a Bunch who came to Mo. after the death of Abey and stayed with Stokeley's family as a member. As of yet I have not located a certificate or marriage giving Cristena's maiden name. Have you any further information concerning the parents of Stokeley b. 1796 or his (brothers?) / George and James as to where their parents came from or who their parents were?

At one time back in the east, I believe in Penn., there was a Baker estate which had to be settled which involved quite a bit of money. All known heirs had to be contacted. Abey Baker Bunch was a relative, and in July 1932, Walter H. Bunch, Winigan, Mo (still living) made (or had made) a Statement of Claim, claiming himself as a descendant. I have a copy of the Statement and on it he lists the children of Stokley Bunch b. 1796 as William, George, John, James, Ann, Ary, Elizabeth, Stokley, Jr. I do not know if this is correct, although I do believe it is totally correct.

With Best wishes to you in your research.

Sincerely yours,

/s/

Dear Deputy:

I would very much like to get an abstract of the will of Ann Bunch, Accomack County, 1771. Will you be kind enough to do this for me?

What would be the cost of a complete copy - in case I should want one later?

Thank you so much.

Sincerely,

My dear Mrs. King:

Upon making search of our will indexes I find the Will of Ann Bunch, above referred to, has the following information:

Ann Bunch was widow of Alexander Bunch, - Merchant; the Will makes mention of her son, William Drummond and his children, Sallie, Elizabeth and George; also her son George and his children Anne and Richard Drummond. The property bequeathed to them was in Worcester County, Maryland.

The full Will would, I assume, if copied, be about three pages in length. The cost per page is $1.00.

Kindly let me know your wishes in the matter.

Respectfully,

(continued on next page)

Sir:

Since your departure from hence the Indians have continued to commit hostilities on our frontiers.

On Saturday the 21st of June, killed 1 man and wounded one other on Little River.

On Tuesday the 24th, killed three persons on Muddy Creek.

On Wednesday the 25th, killed three men at Evan's Ferry, on French Broad River, and wounded one.

on Wednesday the 25th at Mr. William Reed's, killed his son, wounded his daughter and two men.

On Monday the 29th killed one man at BUNCHES STATION, etc.

- - - - - - - -

(Mr. R. H. Bunch says the above mentioned Bunches Station was the settlement established by one John Bunch, from Virginia, possibly about 1780. Site of this was in what is now Grainger County, Tenn. House where John Bunch lived was still standing in 1938, and it appeared that part of this old house, made of logs, etc., had been built with an idea of Indian defense).

Mr. W. I. Bunch
Osceola, Missouri

Dear Mr. Bunch:

For five years, in conjunction with Tilghman H. Bunch of Washington, D.C., whose great-grandfather, Col. Samuel Bunch, was born in Grainger County, Tenn. in 1786, I have been gathering information about the Bunch family. By searching old public records, books and magazines, we have accumulated quite a vast amount of data. Most of the data we have about members of family has been personally contacting or writing to Bunches wherever we heard of them. Last week while in Peoria attending the funeral of one of my brothers widows I heard of your son A.B. Bunch and went to see him Hoping he could give me some information but he said that he had little information, but said you had a lot of information and would be glad to impart it to me. Hence, this letter. I will give you a limited sketch of data and information that I have.

The Bunch family is said to have been found in Flanders, migrated to Scotland during times of religious uprisings and were known to have lived there more than 400 years. The first discovered record of the family in America was found in Nugents "Cavaliers and Pioneers in the year 1751/2. It is also stated that a John Bunch came to Virginia in the year 1651/2. It is also stated that a John Bunch (I presume the same man) took title to 450acres of land in New Kent County in 1662. It might be well to state here that New Kent County was founded from York County in 1658, Hanover from New Kent in 1720 and Louisa County in 1742. From data I have, I am confident that all Bunches mentioned in New Kent, Hanover and Louisa Counties lived in that section known since 1742, as Louisa County. Due to destruction, during the Civil War, of Public records of that district I have been unable to trace or get any data bout the family until year 1742, when John Bunch appears. In transfer of some of his property it is said that he had patented 400 acres of land in Fredericksville Parish, Louisa County and divided same betwenn his five sons. 100 acres and homestead to his son John and 60 acres each to his sons William, Henry, David and James. David who was born in 1722, and died in 1776 was my great, great grandfather. (Died in Louisa County). He had 9 sons and 4 daughters born from 1747 to 1772. John 1747, Joseph 1749, Pouncey (my great grandfather) 1750, William 1752, Jean 1754, Mary 1757, David 1759, Lucresea 1761, Anthony 1762, Thomas 1765, Nathaniel 1767, Winnie 1769, and Paul 1772.

I have quite a lot of data about descendants of David (1722) through his son John, Pouncey through his sons James, Suprey and Pouncey James (?). James was my Grandfather. His son William, two lines. Have copy of statistics taken from David's Bible which is in possession of Walter A. Bunch of Asheboro, a descendent of David's son William. Have names of some 250 descendents of Nathaniel Bunch, born in 1793. He enlisted for service in War of 1812 from Overton County, Tenn. Have been unable to trace him back to Overton County or connect him with the Virginia Bunches but for christian names used I believe him to be of the Virginia Bunchs. My father said that there were two unrelated families of Bunchs who came from England, one settling in Virginia and the other in Carolina. I have extracts from public records of the three Albemarle Sound district Counties, Bertie, Perquimans and Chowan, covering period of more than 100 years. Evidently they are of the unrelated family father mentioned. Have record of a lot of Bunches who lived in Granger County, Tenn. But can positively place but one of them. I will consider it a great favor if you will give me data you have about your family and will be glad to give you additional data if you would like to have it. As for myself, my father, James Franklin Bunch, was born in Fluvanna County, Virginia in 1824, came to Illinois in 1851, settling in Peoria. He went back to Virginia in 1859 but returned to Illinois in 1861. I was born Feb. 24, 1865 in Buruea County. I lived in Peoria from 1867 to 1886. Have lived in Chicago since December 1886, and was engaged in the Grain Business for 46 years ending 1928. I am sole survivor of a family of 10 children. Trusting I may hear from you soon, I am,

Sincerely yours,
(signed) R. H. Bunch.

Dear Mr. Bunch:

Your letter of the 4th inst. received and I want to thank you not only for your promptness in answering my letter but for information contained therein.

As you said your great, grandfather's name was Jesse Bunch, I have examined my files to see if I could find a Jesse Bunch who would fit him. I believe I have. The only Jesse Bunch among the Virginia Bunches which I find is a Jesse Bunch born in Louisa County on November 11, 1773. His parents were John and Hannah Cruze Bunch. John was the oldest son of my great, great, grandfather, David Bunch (1722) who was born in 1747. John and Hannah Bunch's other children wereAnderson Bunch 11-8-1771. John 3-3-1776. Lucy, 1-13-79. Josiah C. 9-23-81. Pounce, 5-15-85. William 8-12-87. Jesse was born Nov. 25, 1773.

On January 23, 1799, a Jesse Bunch married Elizabeth Pulliam in Louisa County. As I find no other Jesse Bunch and John and Hannah Cruze's son Jesse would have been 26 years of age in 1799, I am inclined to believe the two Jesses mentioned were the same person. If they are the same men, we had a common ancestor in David Bunch 1722-1776.

Although but a few years younger than I am you are of one generation later. Your son told me your age, but I did not make a note of it.

Wish I could read that old diary. It must be interesting. When I was back in Virginia for a visit in fall of 1938 I looked up my great, great, grandfather David's old place. Was able to locate it by description of property in his will. All bounderies were creeks and trees. Was disappointed to find that his house, which he referred to in his will as "My Mansion" had been torn down and a modern house built on same place. Had quite a talk with two brothers by name of Hughson who live on two adjoining parts of the old place. They could give me but little information about the early Bunches, but did say the story was that Burwell Bunch, son of Davids' youngest son Paul, went out to Missouri on horseback and bought up all parts of the old place left to his fathers Brothers. In his Will, David bequeathed to his son, Joseph, 60 acres being his former home. (John Bunch, 1742 left 60 acres each to his sons William, Henry, David and James. 100 acres and the homestead to his son John. This is the 400 acres he patented in Fredericksville Parish, Louisa County.) To his son David, he left about 55 acres of land and other property. Anthony, 55 acres of land and other property. Thomas 71 A., Nathaniel 71 A., Paul 74 A., on which his Mansion stood. As in those days 400 acre lots were patented, I suppose David originally had 400 acres. As his sons John, Pouncey and William were not mentioned in his will, I presume he provided for them before the will was made and possibly the balance of acreage above that given to his 5 sons had been given to one or more of the 3 not mentioned in the Will. I wonder if there is anything in diary about Burwell coming to Missouri and buying up the different parcels.

My dear Mr. Bunch:

For several days I have been laid up with a bad case of Lumbago. Have sufficiently recovered to be able to sit up and use typewriter with some degree of comfort I decided to occupy a few hours of time in making copy of some of the data Tilghman Bunch and I have obtained in more than five years search. I did this because your son told me that you were very much interested in family information. You possibly may find something in this data which will tie in with information you have, especially with entries in the Diary kept by Jesse Bunch. In extracts from the book, "The Virginia Baptist" you will see than an Eliza Bunch, daughter of Jesse and Elizabeth Bunch, died in 1818. Is there anything in the Diary about Jesse's marriage, his wife's maiden name or mention made of his parents and brothers and sisters?

If there is anything interesting in Diary on line of what is contained in papers enclosed, do you know whether or not Jesse served in the War of 1812. If so where he lived at the time. If he did and you give me some of the facts I can write to the Veterans Bureau, Washington, D.C. and get information. I have done this in three cases and received valuable data. Names of wife, date of birth of Nathaniel, as well as of some 10 children were given. In case of my grandfather's brother Pouncey, wife's maiden name and place of marriage were given. Also a description of Pouncey. As all the Bunches I had met were of dark complexion and hair and quite tall, I was surprised to find that Pouncey had red hair, and blue eyes and was only 5 foot eight in height.

Were it not for danger of loss in the mails I would ask you to send me the Diary so I could make copy of contents. As there would be danger it would be foolish to do so.

One John Harrison Bunch lives I think on FR.F.D., Goodman, Miss., today.

How's for letting me know what you hear from Rev. J.S. Bunch - my father has same initials. I am interested in husband's name, dates, etc., of Matilda (Williams?) Bunch of Carolinas and Miss.

Your 49th Cousin,

Corrie Lynne Bunch.

Mrs. King,

My only apology in being so long was to have been that I was waiting to hear from Scotland [see IV.] but to that I now add — leg traction.

You have much more data than I but you are welcome to the enclosed sheet. Sorry it's not more. Should you have anything on a Matilda Bunch and Joseph Bunch who are supposed to have gone down the Natchez Trace to Attala Co. Miss. before 1840 I'd appreciate it. I'm stuck on my great-great grandfather! Have been advised to give up the research as the boys were skimpy in my line.

Sincerely,

Dear Mrs. King – I want to thank you for your most interesting letter of Jan 8th which would have been replied to sooner if I had not been out of the city a good deal of late and also beset by illness in the family.

About 25 years ago Mr. Richard H. Bunch of Chicago Ill. and I got together and did a lot of work on the Bunch families ~~family~~, including a trip into Virginia to see some Bunch descendants

Am glad to say that Mr. R. H. Burch, 6850 South Ridgeland Ave., Chicago (49) Ill. is still very keen despite his 94 years. I heard from him at Christmas. I know he would be happy to hear from you, and he has a lot of Burch data at hand and he well may be able to help you out regarding Chas. Burch

Dear Mrs. Thomas:

I noted your query in the Hartford Times on the Bunch family of Ky. I have for some time been doing research on William Bunch who in 1821 married Martha Ellis of Mercer Co., Ky. To date I have not found the father of William, nor a record of his death, but I do have several pages on the Bunch family of Ky., and some scattered notes on the family in Va. & N.C. I will gladly exchange data with you. I shall look forward to hearing from you.

Dear Mrs. Thomas:

Thanks for your letter of May 9. I haven't as yet received your answer to my query in the Hartford Times, but shall look forward to getting it.

I have gone over the Bunch data I have and made a copy for you. I note you state Zachariah had a son Wm. You will note mine does not carry this, are you sure? If so, perhaps I should order the will itself.

I note in the List of Manuscfipts from the State Historical Society of Wis. that Jeremiah Bunch received a Pension from being with Sumter in the Rev. A copy of his records would be easily obtained from them.

I am still looking for a will, or some record of the death of William Bunch in Ky. I thought of getting tax records in Mercer Co. to see if I could get some ideas as to how long he lived in Mercer Co. after his marriage. I think there must be other children, as from 1821 to 1832 is a long time with no children.

We are reasonably sure he was dead by 1850, and that he possibly died in Ky. as no records can be found of his ever living in Ind.

Do you have any ideas as to what more we can do to pursue this line?

The Bunch family were Quakers in Va. I believe, and I hope in the near future to get the Quaker books of N.C. and Va. Would you like me to make you a duplicate copy of the material?

If you can make families of any of this please letme know. I want very much to have help in compiling these families. It is twice as much fun working with someone.

Thanking you,

Sincerely,

Mrs. E.E. Davidson.

Dear Mrs. Thomas:

Do you have a copy of the will of Calloway Bunch? or just an abstract?

I think I will ~~try to~~ write to the county clerk at Warren Co. and see if I can get the settlement of this will, perhaps that will tell if the children were small or grown.

Did you ever~~y~~ try to get the tax records of Barren Co., Ky. Everyone over 21 had to pay taxes in Ky. and these are very helpful in deciding who parents might be. Often deeds were used as wills, then only a check in deeds or indexes to deeds will help one.

The tax records are in the Ky. Hist. Soc. I know they rather not do this work because it is time comsuming. I have written to a genealogist to see if she will get these tax records for me. If I have any luck and it isn't too expensive I will let you know.

The Ass. Sec. did read about 5 years of tax records for me out of Shelby Co. I sent her the usual $1.00. If you would send her $1.00 and ask for the Tax records on the Bunch family from 1840 to 1845 I believe she would do it for you. At least then you will know who might possibly be the father of your Zachariah H. Bunch.

I belong to the Ky. Historical Society, and have put my ad in the Ky. Register, but only received one answer. I have found only you working on the family history.

If you daughter wants to look up some data for you, get her to check the Ky. Hist. Register. It should be in Richmond. But it also should be in the S.F. library. Very often all the early county records and tax records have been published, and one can get them this way.

I will let you know what turns up on this part of our Bunch family.

Please keep me in mind on any new data, or clues. I will be most willing to cooperate.

Sincerely,

Mrs. E.E. Davidson.

The Jeremiah Bunch Pension record is in Draper's MSS. The University should have an index which should make finding this quite easy. Let me know if it gives anything new.

Dear Mrs. King,

Thank you very much for a wonderful Christmas present, your very informative letter.

Dear Mrs. Thomas:

I finally received the Bunch tax records today. This is what I got.

Mercer Co. Census of 1810.

Richard Bunch - 9 in family
Calloway Bunch - 6 in family

1810 Tax - Richard Bunch
1811 Tax - Richard Bunch
1812 - Richard Bunch Washington Co.
Charles Bunch
1819 - James Bunch
1825 - James Bunch

That was all. I had it read from 1810 to 1830. So even our William who md. 1821 to Martha Ellis did not live in Mercer Co., Ky. I shall try Washington Co. to see what I can get there. Will let you know when I get any more leads.

I know these people lived in Ky. , but where?

Have you anything new?

Hope you are enjoying life.

Sincerely,

Marie Davidson.

Dear Mrs. Thomas:

I was pleased to get your inquiry about our mututal family - BUNCH.

My great, great, grandmother Nancy Bunch (1766-1853) migrated with her husband Henry EIDSON to Preble County, Ohio from Bedford County, Va. in 1811. She was a daughter of James and Polly Bunch according to the Marriage Records at the Bedford Courthouse. Our family records are quite positive that she was of Scotch ancestry. She was a devout Methodist.

This is all that I know of her background except for the COURT RECORDS of the BUNCH family which I obtained at the Bedford Courthouse - a copy is enclosed.

In the 1953 HANDY BOOK FOR GENEALOGISTS, p. 131, you will note that the Scotch-Irish moved from Penn. to the Shenandoah Valley of Va. starting about 1730. So, I have assumed that they probably reached this country originally at some Penn. port. Since the Dictionary states that the word BUNCH is from the Icelandic, Danish and Swedish word for HEAP I have assumed that this confirms the Scotch origin.

Probably I should say that I have become somewhat resolved to being dissappointed in trying to trace a family, generation by generation - especially in Virginia where so many Court Records have been burned, lost, etc. For some twenty years I have been trying to do this with two of my families - Eidson & Griffis. Fortunately, the Eidson left Wills but none of Briffis or Bunch. It seems that the English were encouraged to make Wills but not the Scotch and Welsh.

The Bunch family seems to be rather numerous as one of the earliest pioneers of this County was a Bunch and their descendants are still here. They know nothing of their past except that several men were Preachers - Methodists.

As to searching in Virginia, I would suggest that you engage a Searcher at Salt Lake City where copies of all Virginia Records are in the Library - I understand. The Land Grant Records may show a BUNCH with the County. Then the County can be searched. By the way, I would like to have your records from other Virginia Counties.

I cenrtainly wish you success and if you get any clues,I would appreciate knowing about it.

Respectfully,

~~B. E.~~ Eidson.
R. G.

P.S. I see by the map that Botetourt adjoins Bedford - as the Eidsons lived but a few miles from the county line - possibly you have something there!

Dear Mrs. Davidson:

Thanks for your letter of Sept. 17th. You will probably be interested in learning that I just answered a similar inquiry from Mrs. Thomas of Concord, Calif.

My gr., gr., grandmother, Nancy Bunch Eidson - 1766-1853 came to Preble Co., Ohio, in 1811 from Bedford Co., Va. She was a dau. of James and Polly Bunch and was of Scotch lineage. She and her husband, Henry Eidson, were debout Methodists.

Since the Bunch family were said to be Scotch, I have assumed that they reached the Blue Ridge of Virginia in the historical migration from Penn. to the Shenandoah Valley. When in Virginia looking up my Eidson and Griffis ancestors I made it a point to check for the Bunch family but found none.-(other than Bedford) However, Mrs. Thomas wrote that she had some records of them in Botetourt County which adjoins Bedford, so we might get a further trace of them in the northwestern Counties of Virginia.

Apparently, they left no wills in Virginia. The Bedford Order and Deed Books show a Henry Bunch, 1754-1761-; Joseph in 1782 and James in 1788 and 1812. I sent the details of these items to Mrs. Thomas and do not have an extra copy now.)

I am wondering if we might follow the family through Christian names. Mrs. Thomas had a Zachariah; you have a WilliamRichard and Charles. As I wrote Mrs. Thomas, the Bunch family were early settlers of my home County as well as Preble Co., Ohio and adjoining Wayne County, Indiana. The Christian names here beginning in 1813 were William Ishmael, And Nazareth. There is no record of where these men came from but I have, naturally, been suspicious that (they) came from the vicinity as Henry Eidson as we have no other explanation as to why Henry Eidson came to Ohio when his brothers and sisters had gone to N.C., Ala., Ky., Tenn. and possibly Georgia.

I hope this limited data will help you and I would be highly pleased to receive your material on the Virginia Bunch's. Trying to trace out the Historical paths of migration of my ancestors has been my hobby for a long time. Frankly, I am surprised and elated to learn that others are interested in this family. I have rather put them aside since they did not leave any Wills to make my work easier.

They are my only known Scotch ancestors, by the way.

Respectfully yours,

R. G.Eidson.

Dear Bunch relatives:

Thanks for your letters of Sept. 17th, giving me your Bunch data which caused me to get busy among our local records.

Let me say, first, that the HOW BOOK is certainly not entirely correct in intimating that the Scotch in the Valley of Va. came with the Germans from Pa. I have looked up two books - "English Colonies in Va." by H.C. Lodge and "We Who Built America" by Wittke, 1939 - which state that the Scotch (called Scotch-Irish) came to Va. in large numbers at the beginning of the 18th century and with the Germans of the middle colonies did much to open up the Western Country. The data from the Tax Lists and Wills which Mrs. Davidson sent certainly agrees with these books. So, our Scotch ancestors, apparently came direst to Va.

The Bunch families in adjoining Indiana came from PERQUIMONS COUNTY, N.C., according to the Darke County, Ohio, Biog. History of 1880 and the Delaware County, Indiana, one of 1894. If you are interested, I will send you a complete copy, but the personal names were Ishmael, William Nazareth. The details are given under the names of Dr. Robt. A. Bunch, Muncie, Ind., b. 1852 and Edward J. Bunch, New Madison, Darke Co., Ohio, b. 1827. ISHMAEL was "an early settler of Wayne Co., Ind." whicle Nazareth was a "pioneer settler of Darke Co., Ohio".

In Preble County, Ohio were Henry & Nancy Bunch Eidson settled, only one BUNCH entry was found at the Courthouse: 1813 - William Bunch married Peggy Somers. There was, evidently, no connection between my ancestor Nancy and the North Carolina Bunchs' who came to the adjoining Counties in Ohio and Indiana. So I amstill unaware of why my ancestors came to Preble Co., Ohio.

I must tell you that although our family records agree on the Scotch ancestry of Nancy Bunch Eidson, they are not in agreement on the details. A Darke County History of 1900 says that she was a "native of Scotland" while one of Effingham, Jasper & Richland Cos., Illinois, says that "she was of Scotch extraction both her parents being natives of Scotland whence they emigrated to the U.S." If you wish exact copies of these, I will send them, but they, obviously are not too reliable as to details. The story from the Preble Co., Ohio, History I will not give you as an Eidson claims, therein, that "his ancestors came over in the Mayflower and settled in Virginia". Apparently, they just did not know and consoled themselves by making up a good story.

With respect,

R.G. Eidson

P.S. Mrs. Eidson and I are planning a trip to a daughter in Cortland, N.Y. I will probably visit Cornell Univ. Library & Syracuse Pub. Library where I will look for Bunch data.

Mrs.Garland B.King,

I have been studying the voluminous BUNCH data which you so generously sent me with your letter of October 30th.

You have my family data correct to which I can only add that a family record states that James and Polly Bunch of Bedford County,Va. were immigrants from Scotland. This information sent me to the Library where I learned that "BUNCH is a surname peculiar to PerthScotland ,etc." Too, I was unable to connect the BUNCH families of Va. Record which appear to start with PAUL BUNCH on the Reht Rolls of King William County in 1704. So, you might say that I have ended my search of my BUNCH ancestors.

The data which you sent to me permits us to identify the two BUNCH families which settled in Darke Co.,Ohio and adjoining Wayne and Delaware Cos.,Indiana. The Nazareth Bunch family of Darke County came from Perquimons Co.,N.C. whilt that of Ishmael of Indiana came from Chowan Co.,N.C. The William BUNCH of Preble Co.,Ohio (m Peggy Somers in 1813) is an UNKNOWN, apparently, although he could be from either Va. or N.C. considering the data which you sent of SARAH McGUIRE of Preble Co.-1817, (That was an interesting finding.)

As to your ancestor ISRAEL (?) of Cumberland County,Ky., I expected to find this rather uncommon name in N.C. but was dissapointed.

JAMES BUNCH, your gr-grandfather, could be from either Va.,or N.C. but the personal name seems to be more numerous in Va. But then, I have never attempted to search the Va. Records for BUNCH except to look at some Quaker Records.

I sincerely regret that I cannot be of more help. On the other hand, I rather envy you for the pleasures that you will enjoy as you continue your search.

With Best Wishes, and Respectfully,

Dear Mrs. King;

Your letter of February 26 regarding the BUNCH family has just arrived. I must tell you that I admire your persistence and methods of searching for your ancestors.

After studying our previous correspondence it would appear that you have been unable to learn the State from whence your ancestor came into Kentucky. It would seem that Kentucky is a difficult State. Here in Ohio and Indiana we have been helped by the many County Biographical Histories. Apparently you have not been so fortunate in Kentucky and Missouri.

I am enclosing copies of the BEDFORD RECORDS as I hastily copied them in 1953, and a summation of my knowledge of THE FAMILY OF BUNCH written in 1955. You may return them at your leisure. I hope that they may be of some value to you.

You will note that I did not discover a WILL in BEDFORD of a JAMES BUNCH in 1802. If so, who were his children? & wife?

The SUMMATION was made before your voluminous material arrived. I hope that some of the data will be new to you.

Possible I have been most fortunate in that our family records agree that NANCY BUNCH EIDSON, 1766-1853 was of Scotch descent, her parents being immigrants from Scotland. One County History states that she was born in Augusta Co., Va. This would agree with the Historical migration of the "Scotch-Irish" dp the Shenendoah Valley. I have never inquired of Augusta County for BUNCH data. Since NANCY lived in Preble County, Ohio some 42 years, I have never felt inclined to doubt the family record.

Hping that I have been of some help, and with best wishes,

Respectfully,

BUNCH is a surname peculiar to Perth, Scotland and neighborhood where it is found as early as the first half of the 15th Century. A Wm. bunch held land in the burgh in 1444; also, an Alex. Bunshe. Dear Mrs. King:

I saw your request for information about James Bunch in the GENEALOGICAL HELPER.

Mary Bunch was my great grandmother. She was born about 1807. She married Jonas Harmon. They lived in Washington County, Kentucky. I have conflicting information about where Mary and Jonas were born. The 1850 Census records show that Mary was born in Kentucky and that Jonas was born in Virginia. The death certificate of my grandmother, their daughter, shows that both were born in Alabama. They named a daughter Alabama Harmon. However, this may not be significant. They also named one Missouri.

If you have any information that will help me find out the names of Mary Bunch's parents or her birth place, I will appreciate it very much if you will send it to me.

Very truly yours,

Carl D. Lynch

Dear Mr. Lynch:

I am sorry to have been so long answering your letter. Illness in the family, holidays, etc. have delayed me. I have 2 loose-leaf notebooks of odds and ends of Bunch data, so it has taken me quite a while to check thru it as I have never indexed it. I am sorry to have to report that I found nothing that would identify your Mary. Since she lived in the area of Washington Co., Ky., I wonder if she could be descended from some of the early Bunch settlers of that area. I am sending what little I have on the Mercer-Washington Co. area, and hope it might help. I believe these very earliest settlers there were children of Henry Bunch and his wife Ann, of Bedford Co., Virginia. I have the Rev. War record of Richard Bunch, who was living in Washington Co., abt. 1832 when he applied for relief, and in his application he states he was born in Befwed Co., Va. Henry Bunch of Bedford Co., Va. was the son of John Bunch, Jr., mentioned in the old records compiled by R. H. Bunch of Chicago, in 1938, copy of which I am enclosing. His wife Ann may have been (no proof) Ann Callaway, sister of Richard Callaway of early Kentucky fame. If so, she was daughter of Joseph, Jr., who was son of Jospph Callaway, Sr., of (Carline Co?) Va. I can send you my sources of this information if you want it.

I am ## inclined to think your great-grandmother Mary was probably born in Ky. and her husband in Va. as stated in the 1850 census you mentioned. They gave this record in, themselves, and should know. However, Alabama could be correct, but in all my Bunch records, there is none connected with the state of Alabama.

I have a few census records of nearly all areas of Ky. for 1810-20-30. If there is any other area you wish to investiage, please let me know and I will help what little I can. I also have more information on Richard Bunch, the Rev. war soldier, and also on Henry Bunch of Bedford Co., Va. If you find this to be your ancestry, I will be glad to copy it for you.

I still have not found the ancestry of my own Greatgrandfather, James Bunch, born in Ky. abt. 1804, migrated with wife Hannah _____, to Missouri about 1832. He had a brother George, born in 1801, and an older brother, Sam. If you run across anything that might help, please let me know.

Sorry I have not been of more help to you.

Dear Mrs. King:

Reference is made to my letter to you dated October 22, 1962, in regard to Bunch family history and to your reply dated December 5, 1962. Just in case that you have not retained this correspondence in your files I will repeat the information that I gave you.

Mary (Polly) Bunch was my great grandmother. She was born about 1807 and married Jonas Harmon. She and Jonas resided in Washington County, Kentucky. Since I wrote to you my wife and I have been to Kentucky and spent two weeks searching records. We searched the records at the courthouses in Washington, Mercer and Nelson County. We also visited the Filson Club in Louisville and the Kentucky Historical Society Library in Frankfort. We were quite successful in research on Lynch and other lines, but we did not have much success with my Bunch and Harmon lines. I located the cemetery where Jonas and Mary were buried, but they have no tombstones.

I believe that Mary Bunch was the daughter of the Calloway Bunch who married Ann Henderson in Mercer County, Kentucky, on July 8, 1794. Census records and the data on one of her daughter's death certificate shows that Mary was born in Kentucky. I have no definite proof that she was a daughter of Calloway Bunch. When the 1850 Census was taken in Washington County a next door neighbor to Jonas and Mary was a widow named Frances Bunch. She had an 18 year old son named Calloway Bunch. I think that Frances was Mary's sister-in-law and that her deceased husband and Mary Bunch Harmon were both children of Calloway Bunch and Ann Henderson. This is of course only circumstantial evidence, and I could not find a marriage record for Jonas Harmon and Mary Bunch in Washington or Mercer County. I did not check the tax records for Calloway Bunch, but I have been informed by Mrs. Ezra E. Davidson of P. O. Box 314, Burley, Idaho, that from 1810 to 1812 Richard Bunch and Calloway Bunch were on the tax lists for Mercer County and that in 1812 they both showed up on the Washington County tax list.

In your letter you mentioned that Richard Bunch of Washington County, Kentucky, originally came from Bedford County, Virginia. You also suggested the possibility that Henry Bunch of Bedford County, Virginia, may have married a sister of Richard Callaway. I see in some old records from Bedford County that Henry Bunch and Richard Callaway were defendants in the same lawsuit. In another case Richard Callaway paid the indebtedness of Henry Bunch. In my opinion Calloway Bunch was a son of Richard Bunch, and Richard was a son of Henry Bunch and Ann Callaway. I need proof of this. Can you help?

I am enclosing some marriage and census records that we copied when we were in Kentucky.

Very truly yours,

Carl D. Lynch

Dear Mr. Lynch:

It was nice to hear from you again, and I had kept your letter and remembered about it. One reason was the names connected with your family - Harvey, Lewis, Harmon, Smith. I am sure there is a "Smith" somewhere in the Bunch family, and in Carroll Co., Mo. I have always suspected there was some connection with families of Harmon, Lewis and Harvey - also Wallace and some others, including Johnson. But I have never been able to make the connection.

First, I want to thank you for all the material from Mercer and Washington Co's. I have certainly enjoyed it. I have not attempted to put it together, but next winter will probably try - although I never have much success asthere is always too much missing. Did you find any Bunch material in Nelson Co., Ky? If so, I would greatly appreciate a copy. There was a George Bunch there, but I have never got around to trying to find out if he was mine or not.

It looks to me like there might have been TWO named Galloway Bunch - as there was one in the 1810 Census of Mercer, but the Calloway Bunch who married Ann Henderson had died in Warren Co., Ky prior to 1810, as Nancy was a widow in that census. I am sending you everything I can find on the Bunch families of Warren Co., Ky. Perhaps you will find something that will help. If you would like for me to make you a copy of the correspondence from Edward Manley, I would be glad to do so.

I have always thought Calloway of Warren Co was a son of Richard of Bedford Co., Va., but I have no proof - nor have I proof that Richard was the son of Henry - but Richard stated in his application for Rev. War Pension that he was born in Bedford Co., Va. - So! I DO have proof that Henry of Bedford Co., was the son of John Bunch, Jr. of Louisa Co. Do you have that? Deed recorded in Louisa Co.

Do you take "The Bunch Family Record" a monthly publication by DeWitt Bunch? If not, I am sure you will want to subscribe, as it contains the early records and many, many others. If you have not written to DeWitt regarding your Mary Bunch, please do so. He will help if he can - and he will want your record to add to his. Address: "Bunch Family Record, DeWitt Bunch, Editor, 35 Court St., Room 440, Buffalo, New York, 14202." Dewitt is from Stilwell, Oklahoma. The subscription price if $3.00 per year and begins with the Jan. 1965 issue. He is behind on the issues - just put out the April issue. Back issue will be sent you. I promised you material from Grainger Co., Tenn - but after I wrote you I received the April issue and DeWitt had published the Grainger Co., material I had sent him in it - so I will not copy as you can get that from the magazine. I had sent him all the Grainger Co., Tenn., material - but I told him not to use my name all the time - as I send him lots and lots of the material. I sure don't want my name showing up in every issue!

If you think of anything else that I might have that would be of help, please write. And Thanks again for all you sent me. Please let me know if you identify your Mary.

Sincerely,

Dear Mrs. King,

The postmaster in our town delivered your letter to me, I am so happy to get to help you, as I have always been interested in tracing our family. I only hope I can be of some help to you.

Before I try to tell you what little I know, let me first ask you to visit in my home so that we both may help find what we can about the Bunch family. I'd be so proud to have you to visit and then we could go to see the older people who are alive and know of the older generation.

My grandfather Bunch name was Ira or sometimes spelled "Ara" Bunch, his wife was Laura Sefton in your letter, I beleive it stated that a James A Bunch married a Laura Phipps in 1918, could it been a Sefton in 1819? ~~Perph~~ Perhaps it was a mistake on the clerks part.

My grandfather Bunch has a brother Walter alive, whom I'm trying to find, so that I may get in contact with. he also had a brother Charlie, sister Donna, whom both are dead he also has a sister Kitty I don't know where she is still alive or not. His father name

was "Nels" Bunch, they
have always lived in Knox
Co. for many many years.
I will find out all I
can about them and let
you know, if you wont this
information on them.

My grandfather Bunch had
a sons name James, they are
all dead, including my father
grandfather and athers except
one member in aur family.

Ah yes, my grandfather
Bunch had 6 fingers and 6
toes an each hand and foot.
12 of each. ha ha.

I work in the Corner
Drug Store here in aur town,
so some sunday Im going
to try to check with as many

of the old people that I can and find out what I can. My father name was Elbert Bunch, his brother name were, Walter, James, Richard sisters, Carrie and Nennie.

I will try this week to get in touch with Grandfather Bunch, Brother Walter and see if I can find out any thing to help you. Maybe we can exchange lots of help with each other concerning our ancestors for I'm very much interested in them.

But if you can please come down I'd be willing to do all I can to help you.

If I hear from Walter Bunch, I'll sure let you

know.

I hope to hear from you again.

Sincerely yours
Edna B. Foley.

Dear Sister Pratt,

My Mother, Mrs. Dora Bunch, whom you wrote, for information on the Bunch genealogy, gave your letter to me.

I have the Historical and Biographical Sketch you refer to, and will be more than happy to help you anyway I can. I Don't know where you could get a copy of this, unless you copy mine. I don't type any more-I used to some, but haven't typed since I got out of High School in 1943. My sister tryed to get copies made through a copy-flex machine. But no luck.

I was so happy to hear that there was another Bunch who was interested in the Bunch genealogy-My father, who had the work done isn't doing genealogy work any more-My Mother and he are divorced, and he has not done anything since then. About a year ago I got all this genealogy from my Mother, and have been trying to do something with it. My father didn't have a book or anything done the way it is suppose to be done. So up to now I have just been try to get it all down and straightened out.

We don't connect with your line as yet. My father was always sure that there was a connection, and I am hoping that I will be able to connect with this genealogy-Our ancestry was suppose to come from Virginia and a Great Great Great Grandfather was suppose to have been sent as an Indian Agent to Tenn. I will send you my pedigree chart and if in your research you do come across anything that will help me, let me know.

My father had quiet a lot of this work done in this book, he had some genealogist do it for him.

In reading over the historical record. I find that there are 8 pages that refer to the ones on your pedigree chart. But nothing later than what you have listed. Charles Bunch 1765 was as far as it goes. All the children of each individual listed on your pedigree chart are encluded in the record I have. If you do not have them. Let me know and I will copy them off and send them to you.

The copy we have of the historical record-we got from a Mr. Alvin L. Bunch-636 Daugherty St., Prescott, Arizona (who I am sure is on your line) in about 1941- We copy his copy, and he received his copy from a Richard H. Bunch, 6558 Minerva Ave., Chicago in 1938, and Richard H. Bunch was 73 at that time, so doubt very much if he would still be alive.

In reading over the letters that Richard H. Bunch wrote Alvin L. Bunch he writes that the Bunches were ## among the very early settlers of the Colony of Virginia, A John Bunch having come from England in 1651, when there were not more than 20,000 white settlers in the entire #### Colony.

see over

(He also write in his letter this- From data and information I have received I have compiled the lineage of the family-and put in a loose-lief Binder-It contains, Family of John Bunch who died in Louisa County 1742) There is no doubt in my mind but that he was a grand-son of the John who came to Virginia in 1651) family of his son David, 1722, of Davids son Willima through his sons Josiah Cruze Bunch and David's son John and William. Of David's son John through his son Josiah Cruze Bunch and David's son Pouncey (1750) through his son Pouncey and James, copy of David's will of Louisa County, Va. and Grainger County Tenn. Public records and excerpts from old publications where the name Bunch appears. Also your family (8 pages)

I have been unable to find the connection between your family and the other's but the general use of the same names in both families convinces me that they are related. There is no Charles names in either family of David or his father. The connection must be with an earlier generation, possibly that of David's grand-father) (I copy the above from a letter written by Richard H. to Alvin L.)

Hope this will be of some help to you, I am sorry the copy-flex ########machine wouldn't copy it, and I would have sent you a copy of the whole thing. Let me hear from you. It was most interesting to hear from you, and I am sorry this letter isn't typed. But will do the best I can. Untill I learn to type again.

As ever,

Evelyn Moore,

June 24, 1955.

Dear Mrs. Thomas:

Your letter of May 24 has been referred to this Division. We hope that the delay in our reply has not inconvenienced you.

(The catalog of our collections does not contain an entry for a genealogy of the Bunch family. According to the Lineage Book of the American Order of Pioneers entitled American Pioneer Records, 1942, Vol. 1, and compiled by William Boone Douglass, information concerning the Bunch family was in the files of that Society. Mr. Douglass died in 1947, and we have tried at various times to locate other officers in Washington without success. In 1942 Mrs. James R. Spraker, 64 Dorchester Road, Buffalo, New York, was the Society's registrar.) A current Buffalo directory lists a J.R. Spraker at that address. Perhaps Mrs. Spraker may be able to assist you.

The enclosed cards describe entries in the catalog of our collections for genealogies of the Matthewson, Perry and Woodworth families which may be of interest to you. Perhaps you may be able to purchase copies through a dealer in genealogical material. A memorandum describing sources of information about such dealers is enclosed for your convenience.

The Everton Publishers, 526 North Main St., Logan, Utah, publishes a serial entitled The Genealogical Helper, which publishes in its annual editions lists of genealogies which are in progress. Since 1951 is our latest edition we suggest that you write to the editor, Mr. George B. Everton, who may be able to furnish the names of genealogists who are wlrking on histories of the families in which you are interested.

REFERENCE SERVICE OF THE LIBRARY OF CONGRESS IN ANSWER TO WRITTEN INQUIRIES

Because the Library of Congress cannot undertake to satisfy all reference requests, priorities have been established, after a careful consideration of the best way to use the limited manpower available. Inquiries from Members of Congress are answered first, service to the government agencies comes next, and reference work for other inquirers is provided in so far as the Library finds it possible to do so. With respect to this last category of reference requests the following general rules apply:

Inquiries which presumably can be satisfied by town, county, or state library resources are ordinarily answered with the suggestion that these libraries be consulted. However, when a correspondent has utilized his local and regional resources and still required aid, the Library will, so far as the pressure of public business permits, provide reference service not otherwise available to the inquirer, except that:

1. Inquiries which would require the Library to withdraw from Congressional or governmental work an excessive amount of manpower are declined.

2. Requests from individuals for the compilation of bibliographies or for information connected with school assignments, debates, contests, graduate theses, and other academic exercises are declined.

3. Requests for research in heraldry or family history are declined.

4. Inquirers requesting official publications of the United States Government are referred to the Superintendent of Documents, Washington 25, D.C. Price lists of available publications in specific fields are sent free upon request to that office.

Dear Mrs. Thomas:

I had your letter of March 10th, but I was up in Illinois teaching and there fore could not do a successful job with your research. I am at home again with my records all ready to go again. I am staying at home this winter.

I ~~$~~usually get $25.00 for a complete record of a family in Ky, but since you seem to be at a loss to know just where to start, I will answer your questions you have asked in your letter for $10.00. The Bunch family is an historical one here. Write me any traditional stories you have heard concerning any of your family. I shall go right into this right away for I am sure you will want it.

A lovely family named Parrish lived in Harrisburg, Illinois, when my husband and I were living there. There is a history in our library here written by one of them. John J. Paarrish was an attorney there while we lived there. He and my Ferguson family were good friends when my husband and his father were living. Miss Bess Parrish, now deceased, was state manager of the Democratic Party when Henry Horner was elected Gov. of Ill.

Let me hear from you at your earliest convenience. It is sweltering weather here now. We need rain very much.

Sincerely yours,

Mrs. Nora Young Ferguson.

Dear Mrs. Thomas-

I regret to tell you that I have no record of the Bunch family. I have searched all my records and find no mention of the name.

Mr. Douglas never informed me of his finds in that family, and I have none of his records. All of his papers were left with his daughter, Mrs. Maud Douglas Barfeld, who lives in Charleston, S.C., but I have mislaid her address. You might be able to get it by writing to Mr. George E. Merrifield, c/o the Higbee Co., Public Square, Cleveland 13, Ohio. He was treasurer of the Boone Family Association.

After writing the above I find I have a letter from Mr. Merrifield giving Mrs. Barfields address as P.O. Box 653, Charlestown*, S.C.

The Boone Family Association and the Society of American Pioneers both founded by Mr. Douglass have been completely inactive since his death, as none one else had the time or energy to carry on the work.

Wishing you success in your quest.

Sincerely yours,

Hazel A. Spraker.

Aug. 31, 1955.

Dear Mrs. Thomas:

Your letter of August 17th addressed to my sister, Mrs. Maude Douglass Barfield, was delayed in reaching her because we gave up our post office box in Charleston several years ago. We live on this tiny island in Charleston harbor facing Fort Sumter and get our mail now at the Sullivan's Island post office, instead of at the Charleston post office.

I am sorry that neither my sister nor I have ever taken up fathers genealogical work in which he was so interested and to which he devoted so much time and effort. I have spent most of my life abroad (I was in the Consular Service for nearly thirty years prior to my recent retirement) and plan to return to Spain next month for an indefinite period.

Several boxes of father's genealogical records are stored in our house here, but they are in a hopelessly chaotic condition and neither my sister nor I have had the time - nor, I must confess, the inclination - to straighten them out. In the circumstances I am afraid that neither of us can be of much help to you in tracing the records of the families you mention in your letter. However, I have had some correspondence with Miss Grace Gaw, who has been doing considerable genealogical research work, and it is possible that she may be able to give you some of the information you want. In any case, she is a delightful correspondent and you will enjoy hearing from her, I'm sure. Her address is 102 South Third Avenue, Cleveland, Mississippi, and although she is at present away somewhere in Virginia, she wrote me that she expected to be back home again on September 12th.

I am sorry that my sister and I cannot be of some help to you, but perhaps you will have better luck with Miss Gaw.

Cordially yours,

William B. Douglass.

Dear Miss Gaw:

Was given your name as a possible source of Bunch data, by~~t~~ Mr. Douglas, son of the late Wm. Boone Douglas. He says they have not done anything with the Bunch data his father collected.

Being strictly non-professional, am trying to prepare a simple family history of my people, as a legacy to my children. I don't have funds to hire researches made. But if someone had data collected that would be useful to me, I could buy it if not too expensive.

My great-grandfather was Zachariah Harrison Bunch born 1842 in Ky. married in 1858 at Glasgow, Barren County Ky., Eliza Sartain. He died in 1862 in the army. He left 2 daughters, one unborn, Torissa and Permelia Harrison (Bunch). I would judge one of these daughters to be named for his mother, as these names do not appear in the Sartain family.

As sure the family was in Ky from earliest days as ~~we~~ have found the name in early histories.

My mother's people are all from Virginia-Kentucky, and I don't find it too easy getting data from most places in Ky.

My mother's father was Richard Parrish, whose father was born in Virginia, mother in Kentucky. He was born in 1834 in Nelson County, Ky. I don't know Richard's father's given name. He had brothers Jack, Henry and one remembered only as Uncle Doc. and a sister Mary. When Richard Parrish was still a young man the family moved to Indiana. I have failed to find the family in either place, for an 1850 census report. I have tried many Ind. counties. I would be interested in any data on any of these Ky families, Parrish, Bunch, Sartain, Witty, or Harrison. I think I have quite abit on the Sartains, but would certainly appreciate any on the Bunch family especially.

If you would care to make suggestions, or tell me of some place or someone interested in these families, particularly the Bunches, I would be very grateful.

Thank you and with all good wishes, I am,

Sincerely,

Vira Steere Thomas.

Answer from Grace Gaw to Vira Steere Thomas, no date.

I am xxx sorry I know notihng of the Bunchs or any of the others. You run into Harrison genealogy in almost any book about Virginia, though.

I am related to the William Boone Douglass's only thru two of our great-great-grandmothers, Pennybackers, who were sisters - one, Ann, marrying Adam Douglass and Charlotte marrying Walter Newman. So the only lines we have in common are those of the ancestors of these two Pennybacker girls. Samuels, DeHavens and the Welsh and English lines on the last chart in the last Boone Bulletin.

I have gotten addresses of those descended from my immigrant ancestors by studying the seven volumes of VIRKUS' COMPENDIUM OF AMERICAN GENEALOGY. I find someone descended from my known ancestor and if this person is 80 or younger I write a letter of inquiry. Most are answered and quite a few have sent something of value. If a person is in Virkus he is interested in genealogy enough to have records.

In Bunch Bk
Warren Co Ky

I can suggest one name of an ex-student of mine who was a Bunch. Mrs. Margaret Bunch Williams, Sumner, Miss. (in her late 20's - but her family may have data.

Sincerely,
Grace Gaw.

Army pension lists should give parents of Zachariah's parents. as he died at 20. He would hardly have been in histories, but his parents might. I've worked a little in Ky. records, but on Hendersons.

The Ky. State Library, Old Capitol, Frankfort - has folders on various families. Why not write librarian asking for copies of anything they may have on Bunchs in the counties you mention. The data in these folders is typed from books.

Would it be possible for you to list for me the Bunches on the tax list for 1858? One should be Zachariah H. Bunch, I am trying to find the given name of his father, as he was only 16 in 1858, this should furnish some clue.

BARREN COUNTY, KY.

April 10, 1956.

Vira Steere Thomas
1871 S. Sixth
Concord, Calif.

Dear Miss Thomas:

Thank you for your letter of April 3. I will remember your suggestion about the Genealogical Helper. At present, I seem to be the only person in this whole area who does any serious genealogy, and I am so swamped with unsolicited requests for aid that I don't dare register myself anywhere just now. It is all I can do to take care of these and have any time left for the demands of my history. I see no hope of completing it within this year.

I have little to help you on the Bunch family in my files. I have looked thru them and also at our courthouse records. The reason for this is, the Bunch family were not early arrivals in this county. They do not appear of record here until the late 1840's. Most of my research has been prior to that date. I do have the marriage record of Zachariah Bunch to Eliza F. Sartain, in 1858. Security on the marriage bond was Alfred Sartain.

I do have cemetery records of the first Sartains, Joel and hiw wife, Sarah Sartain. In the record handed me, the name is Spelled "Sartin" on the flat, grave size markers on their graves. This cemetery is located 1/2 mile north of Hiway 90, in the edge of Metcalfe County. (Metcalfe was a part of Barren County until 1860, so any Bunch records would be here, prior to that time.) There are several unmarked graves in this cemetery, but none have Bunch stones. I have been told there is an old graveyard, called the Bunch graveyard a few miles from the Sartain graveyard, but the graves in it are marked only with field rock and no nmaes. I think it derived its name from the fact that a Joe Bunch owned the farm about 1920, and the older, unmarked graves are probably not of the Bunch family. Marked graves include Slaytons, Baileys, Lawtons, Glovers. Also in this vicinity there is one Baldock farm, but the cemetery on it is known as the Williams cemetery, and none of the name Bunch or Sartain are among the marked graves.

I know of no one working on the Bunch family here. This could be expected, since their early history is not associated with this county. There are not many of the name here now. I have considerable library material available, and thru research, perhaps I could locate them before them came to Barren Co, and steer you to someone in an adjoining county. I wish I knew how the name "Harrison" came to your ancestor. I could probably lead you to something interesting on that. I charge $1.00 an hour for research. I suggest a $5.00 "trial run" and see where we land. It is hard to deduce why your ancestor was a Union soldier, because we don't know where he came from. However, Barren Co. produced many Union soldiers. In fact, they had a fort here, and held it most of the time. Will be glad to hear from you further.

Mrs. Vivian T. Roussea.

P.S. I'm afraid I don't know, offhand, where Camp Ward was, but can look it up.

Dear Mrs. Thomas:

Please forgive my neglect in waiting so long to write. During the time that your letter came my father was dying of cancer after quite a long illness. I do wish your letter had come before he was so sick as he might have been able to tell me more about the Bunch family.

At one time Miss Carrie Lynn Bunch of Sallis, Miss. was trying to get information and you may be able to get some information from her. We are going to Florida later in the week and I will see if I can find out any more from my uncle.

My father was Ottoe E. Bunch and he came from Berton, Miss. His father was D.S. Bunch and he died in 1896. My great-grandfather was Doctor Bunch and he settled in Berton in Yazo County. He cane from Berta County, N.C. I know nothing about any of his brothers or sisters. I have been through an old scrap book that belonged to my grandmother and found this about him. He was one of the men who helped to form the Miss. constitution.

I am afraid I haven't been of any help to you. If I can get more information, I will write you.

Very truly yours,

Margaret Bunch Williams.

Rev. J.S. Bunch
Largo, Fla.

Rev Sir:

Saw your name in Mother's copy of the 'National Tribune' you took part in a veteran's gathering at Miami.

Since your name in unusual, and I am trying to find some one who may have some Bunch family history, I take the liberty of writing you. My mother's mother was Permelia Harrison Bunch, daughter of Zachariah Harrison Bunch, born in Glasgow Ky., March 30, 1862. Have failed to find any record of any Kentucky Bunch families, in Barren county or any other, altho I find them earlier, in Clark and Mercer. Obviously this family is of Virginia origin, probably Augusta, Louisa and Bedford counties, but am most anxious to get the Kentucky ancestors first. Have written many who should have some knowledge, placed queries in several genealogical papers, to no avail. There is, if one could get at it, a lot of material in the works of the late Wm. Boone Douglas, which is store at the home of his daughter, in Sullivan's Island, S.C. They are not interested in sorting in out, and when last heard from, it was still there.

I thought it just possible you may have some family history, and might have some ideas and/or suggestions on the subject. Genealogy of one's own family is a most fascinating hobby, in spite of the almost insurmountable obstacles laid in the path of those searching. First is the complete lack of cooperation one gets from most county clerks, and others who keep the records, since so many have connections with professional searchers and wish to send business their way. Since many of us do not have the means for that sort of thing, and too, many of them canot be trusted.

I would appreciate hearing from you, and trust I am not being too much of a bother? Thank you, and with best of regards, I am,

Sincerely,

Vira Steere Thomas.

Dear Mrs. Thomas:

I am sorry that I have been unable to reply to your letter of Aug 6 until today. Illness of a sister has kept me from home during all of this month until yesterday when I returned home for a brief stay.

I have no records on the BUNCH name in my own files; however, I do go to BARREN COUNTY for research in the county court files, which are intact from the formation of that county.

The 1800 Census of Kentucky by Clift, compiled from the County Tax Lists of that year (the original 1800 Census of Ky having been burned when the British burned Washington D.C. buildings in War of 1812), does list the following in my own county of Pulaski:

AREABLE BUNCH, DREWRY BUNCH (Drury Bunch Cumberland Co 1799, who may be the Drewry of Pulaski in 1800), Julius Bunch, Micajah Bunch. In addition there were Caolway, Clark & Joseph Bunch in Mercer County; Charles in Warren; also George and Simeon; George and James in Knox Co; George in Nelson Co; Henry in Montgomery Co; also a Richard was in Mercer Co.

Drury in Cumberland Co 1799 and a Joseph also there in 1799.

The Warren or Cumberland Co Bunch families may have been the habitat of your earlier Bunch family as either of those counties is nearer to Barren than the others shown. Barren Co. was formed in 1798; Cumberland 1798; Warren 1796; Barren came in part off the then Wareen Co; Cumberland came off Greene Co. which was formed in 1792. Warren came off Logan which had been set off in 1792 from Lincoln which was one of the original three counties into which Virginia Assembly first divided the Kentucky area in 1782.

So Warren Co., may prove to be your best chance of locating the BUNCH Family of early days; since your family did not locate in Barren Co much before 1850 there is not likely to be record there of the earlier residence of that family.

I can go over the records in the clerks office here for you, if you wish; charges are $12.50 for a day of six hours actual research and a typed copy of ALL records found on the name. I go to both Warren and Barren, for $22.50 per day to Barren, and $25 to Warren, leaving home so as to be at either clerks office at 8:30 A.M. when the doors are opened and remain until closing at 4:30 p.m. when I return home. These are long and hard trips, the handling of the books is arduous and only one who has had many years experience can coordinate the work so as to get the maximum from the alloted time.

I have had more than 25 years experience in this work, and I do give full and conscientious service to my patrons. All fees are payable in advance and there can be no refund if desired records are not found. The work is the same and so is the time spent. Shall be glad to hear from you further. Sincerely yours,

(Mrs. A.S.) Margaret D. Frye.

March 25, 1955

Dear Mrs. Thomas:

Your letter of March 2, 1955, was given tome by the postmaster. I hope the following information will be of some help to you in gathering history on the Bunch and Sartain families.

As far back as I can recall, my great grandfather, Lorenza Dow Bunch, taught school near Glasgow, he was twice married. To his first marriage he had one child, Jim Bunch, who served in the Civil War. In his second marraige, my great grandfather raised seven children, I can't recall the three girls names, boys were: Granvil Wheat, my grandfather, Joe, Fate, & Rice. All of the children are deceased. My grandfather, Granvil Wheat, married a girl by the name of Marcella Barrett and to this union were born five children, William Willis, my father, Johnny D., Sara Jessie, the other two children died at an early age. My grandfather then married a girl by the name of Dellie Owensby and to this union was born Seven children, namely: Ed, Henry, Virgie, Bertha, Bert, Joe and Loranza.

William Willis Bunch, my father, passed away in May, 1944, Sara Jessie died last year 1954, Johnny D is still living but a present is in a very serious condition.
My father was born January 13, 1871, married to Sarah Belle Doolin Dec. 21, 1894, and to this union were born nine children five boys and four girls, myself, Harry Lester, Charlie Howard, Walter Wheat, Felix, John Willis, who died at the age of 9, Nora Mae, who died in March, 1943, Cella, Pearl and Jessie.

There is a large number of Bunch's living in Barren and Metcalfe County, of whom I have not give you any information, that are related to this generation.

I, Harry L. Bunch, taught school two years in Metcalfe County, entered World War I, May 26, 1918 - servied 13 months discharged July 9, 1919 - at this time my family had moved to Barren County near Glasgow. I married Dovie B.Williams Dec. 21, 1921 and to our union was born seven children: Louise, John Willis, Elizabeth, Ollie Belle, Harry Edward, Opal and Donald. All of my children are married and have families except two of the boys, one will be married the 26th of this month. I have four children living in Indiana - one in Tennessee.

There are some Sartain's and Sandridges that are related to the Bunch's but at the present I don't have any information of their whereabouts.

If I can give you any additional information I shall be more than glad to do so.

Very truly yours,

Harry L. Bunch

Dear Mrs. King:

I am attemping to do a history of the Bunch family and your name was given to me by Mrs. Joe Bunch as one who might help me. She also gave me Mrs. Clyde Pitcock's name of Pueblo, Colorado and I am writing to her too.

My mother was a Bunch and her father, Leander Porter Bunch was born in 1865 and passed away in 1952. His father, Nathaniel Porter Bunch was born in 1828 and died in 1888. I have no other information other than the name of N.P.'s wife who was Nancy Miller Prigmore, 1834-1912 and of course my grandmother, Mary W. Watkins, 1872-1962.

As librarian and also historian of the McDonald County Historical Society I do research for others and aware of the time it entails so will gladly pay for any information you might share with me.

I am enclosing a self-addressed, stamped envelope for your convenience.

Dear Mrs. King:

No, you hadn't answered my letter but I heard from Mrs. Pitcock who gave me information on the Bunch "Family Tree". I purchased a copy of it from her and have enjoyed it very much, although I still haven't had time to read it thoroughly. I found the record of my grandfather's brother, Joseph Sidney Bunch in it.

I don't know much about Nathaniel Porter except that they moved to Jane, Missouri (White Rock) from north Missouri. Some of the family came up through Arkansas but I don't know from what state.

I plan to go to the Bunch reunion which Mr. J.B. Bunch of Huntsville, Arkansas informed me is to be held at Liberty (Arkansas?). I don't find such a place listed on the map so must write him again for details.

I will also write to Dewitt Bunch for the "Bunch Family Record". I assume that is something different from the one I obtained from Mrs. Pitcock as you mention that it is yearly.

I just wish I had started on this years ago when my grandfather was living--it is the most fascinating thing I've ever attempted.

Sincerely,

Dear Mrs. King:

In some Southwestern Genealogists, lent to me by a friend, I saw your notice about the Bunch families in east Tennessee about 1790. My great great great grandfather on my father's side, was named S(?) B(?) Reams. I have been told that his name was Stoag Bunch Reams and I have also heard his name was Stokes Benge Reams. I don't know if any of your records show anyone by this name or not, but if you have any data on a family with these names, I would appreciate hearing from you. This SB.Reams had a son Harrison, who was my grandmohhers father.

These families lived in southeastern Kentucky, and in Southestern Va. My understanding is they came from North Carolina;however, the Virginia and North Carolina line was not very definite in the early days.

I have another family, BALES, BEALS, BAILS,BAYLES, etc. which came down Shenandoah Valley from Adams County Pa. about 1800's, lived in Botetourt and Bedford counties. Am trying to locate a Jonathon Bales, marriage, birthplace, and name of his wife.

Any help you can give will be greatly appreciated. Thanks.

Very truly yours,

Dear Miss Bales:

I was very glad to hear from you. I have no information on a Stoke Bunch of around the dates I think one would have lived for which your S.B. Reams could have been named, but I DO have records of a Stokeley Bunch (two in fact), and although the ancestry has not been determined, I think he belongs to my branch of the Bunch Family. I have not been able as yet to connect up with the older Bunch records. My great-grandfather was James Bunch (c1803-c1853). He was married (2ndly) 19 Dec. 1827 in Laurel Co., Ky., to Hannah Maupin, my great-grandmother. I believe him to belong to the Bunch families found in the 1820 census of Clay Co., Ky., and the 1800 and 1810 of Knox Co., Ky. I believe they may have come originally from Va., by the way of N.C. and Tenn, where they lived a short while, possibly in Grainer Co. - or that area. My great-grandfather James Bunch had two known brothers, Samuel and George. I believe they were all in Missouri by 1830: James and Samuel in Callaway Co. and George in Montgomery Co. Stokeley was in Chariton Co. by 1830.

Stokeley Bunch (1796-1868) was, according to the obitutary of a descendant, related to my own Bunch family. Then I have heard of another, called "Hockley" Bunch, who married a daughter of Jacob Seaborn, a Rev. soldier who lived in Clay and Laurel Cos, Ky. These two just could be the same Stokeley.

You mentioned your Reams family as having lived in SE Ky, so I scanned over the few records I have for this area - and I found a Harrison Reams in Laurel Co., 1830. Yours? So my names and locations, it would seem we just might be working on the same Bunch family. I have a lot of early Bunch material, Va. and N.C. Can you give me more definite information as to dates and locations of S.B. Reams? Where in Va or NC he or his parents might have lived. Do you think his mother could have been a Bunch (or Benge)?

I would like to suggest that you write to DeWitt Bunch. He has more Bunch information that anyone I know of. He is the Editor of a publication in which you might be interested - THE BUNCH FAMILY RECORD, a quarterly magazine. His address is: DeWitt Bunch, 35 Court St., Room 440, Buffalo, NY, 14202. The subscription is $3. per year, and I think back issues are still available. Mr. Bunch is very good to help his subscribers with their individual problems.

I am looking forward to hearing from you again, and do hope we can work something out on this Bunch line. I have been working on it since 1956, and know little more about my OWN line than when I started. I have toyed with the idea that the James and George Bunch in Knox Co., Ky, 1800 and 1810 were sons of Samuel Bunch, the Quaker, of Louisa Co., Va, but the more I study the problem, the more doubtful this seems.

Sincerely,

Mrs. Garland B. King

Dear Mrs. King:

I saw your request for information about James Bunch in the GENEALOGICAL HELPER.

Mary Bunch was my great grandmother. She was born about 1807. She married Jonas Harmon. They lived in Washington County, Kentucky. I have conflicting information about where Mary and Jonas were born. The 1850 Census records show that Mary was born in Kentucky and that Jonas was born in Virginia. The death certificate of my grandmother, their daughter, shows that both were born in Alabama. They named a daughter Alabama Harmon. However, this may not be significant. They also named one Missouri.

If you have any information that will help me find out the names of Mary Bunch's parents or her birth place, I will appreciate it very much if you will send it to me.

Dear Mrs. King:

Reference is made to my letter to you dated October 22, 1962, in regard to Bunch family history and to your reply dated December 5, 1962. Just in case that you have not retained this correspondence in your files I will repeat the information that I gave you.

Mary (Polly) Bunch was my great grandmother. She was born about 1807 and married Jonas Harmon. She and Jonas resided in Washington County, Kentucky. Since I wrote to you my wife and I have been to Kentucky and spent two weeks searching records. We searched the records at the courthouses in Washington, Mercer and Nelson County. We also visited the Filson Club in Louisville and the Kentucky Historical Society Library in Frankfort. We were quite successful in research on Lynch and other lines, but we did not have much success with my Bunch and Harmon lines. I located the cemetery where Jonas and Mary were buried, but they have no tombstones.

I believe that Mary Bunch was the daughter of the Calloway Bunch who married Ann Henderson in Mercer County, Kentucky, on July 8, 1794. Census records and the data on one of her daughter's death certificate shows that Mary was born in Kentucky. I have no definite proof that she was a daughter of Calloway Bunch. When the 1850 Census was taken in Washington County a next door neighbor to Jonas and Mary was a widow named Frances Bunch. She had an 18 year old son named Calloway Bunch. I think that Frances was Mary's sister-in-law and that her deceased husband and Mary Bunch Harmon were both children of Calloway Bunch and Ann Henderson. This is of course only circumstantial evidence, and I could not find a marriage record for Jonas Harmon and Mary Bunch in Washington or Mercer County. I did not check the tax records for Calloway Bunch, but I have been informed by Mrs. Ezra E. Davidson of P. O. Box 314, Burley, Idaho, that from 1810 to 1812 Richard Bunch and Calloway Bunch were on the tax lists for Mercer County and that in 1812 they both showed up on the Washington County tax list.

In your letter you mentioned that Richard Bunch of Washington County, Kentucky, originally came from Bedford County, Virginia. You also suggested the possibility that Henry Bunch of Bedford County, Virginia, may have married a sister of Richard Callaway. I see in some old records from Bedford County that Henry Bunch and Richard Callaway were defendants in the same lawsuit. In another case Richard Callaway paid the indebtedness of Henry Bunch. In my opinion Calloway Bunch was a son of Richard Bunch, and Richard was a son of Henry Bunch and Ann Callaway. I need proof of this. Can you help?

I am enclosing some marriage and census records that we copied when we were in Kentucky.

Very truly yours,

Carl D. Lynch

Dear Mrs. King;

I have received about three letters from you recently and have found them very helpful and by coincidence along the same lines and area that I have been working with. I have not had the time in the last couple of months to even answer my correspondance.

When I was in Kentucky last fall we copied all the early births and deaths that were available for the state . Also all the births and deaths from 1911 through 1915. About 15 more years were available but we did not have the time to complete this project. We secured as much general information as possable from the state library. Copied all of the available records in Mercer, Bell and Knox Counties. also for Claibourne County Tenn. We expect to get a few more counties and the rest of the available births and deaths this summer. I have hopes of being able to attend the Bunch Reunion in Oklahoma this Summer.

The Bunchs of Butler and Warren County go back to Henry and Ann Calloway of Bedford Co. Virginia See aag. The Charles Bunch Compiled by Edward Manley is definately related. I thought at first that it could be that he was a son but from the ages of their other children it appears that he is a grandson, but at the moment do not know through which son. The Other boys were:

A. Joseph & wife Sarah listed in Mercer Co. Ky 1789 was in Rev. War
B. Richard & wife Mary listed in Mercer Co. Ky 1800 & 1810 had a family listed in Washington Co. Ky. 1832 born Bedford Co. Va. 1759 was in service 1780 & 1781 from Bedford Co.
C. George L. & wife Elizabeth Spencer lived most of his life in Warren Co. Ky.
D. Calloway & Nancy Ann Henderson md in Mercer Co. will made in Warren Co. Ky. md 1794 died 1807 appearently fairly young.
E.X Zacariah & wife Sabary was in Mercer Co. 1790 will in Clark Co. 1794
F. James & wife Ruth Hibbs md 1791 had son James born in Va. 1794
James Sr. died before 1797 as his widow remarried 7/29/1797
i in Nelson County Ky.

In process of elimination if the Charles in Question was born in Virginia 1792/93 as stated. all the above would be unlikely except James who was still in Virginia in 1794. Also other factors such as wills & Etc. eliminate the possabilites. I figure that the 33 years between Richard and Charles should make it doubtful that they would be brothers.

If the Question arises is the James above the son of Henry and Nancy Ann (Calloway) Bunch. Here is additional information on ~~him~~. He married in Nelson Co. Ky 2/6/1816 to Sarah Okes and shortly there after moved to Sullivan Co. Indiana. Their Children were: James, Marion, Charles, Callaway, Sarah, Elenora, and Martha. Possable others.

his son James

On going through the information furnishe on Charles Bunch, I find some corrections and questions.
William Calloway "Cal" listed as being married four times. I notice that no children was shown for the Third Marriage (to Evaline Turner).
they are: Nancy J. born 6/8/1854, Charles C. born 9/3/1855 and John C born 3/20/1857.
The last three Children given as being from the Fourth marriage do you have any additional record of that ? I notice the first three were born from 1866 to 1869 and they are the only three in the 1880 census. Were they born after 1880? Marion Estel & wife Montie had a son Marion Estel born in Rochester, Ky in 1902. I wrote to the son a few years ago but did not receive an answer I will try again soon.

The birth date for Sarah Katherine daughter of Leander is (9/5/1857) not 9/5/1854.

I have some information on this family up to very recent and hope to be able to publish it some times during this year.

I hope you will excuse my choice of words and the spelling of some of them as I am thinking more about the information then as to how to write it down. Will be looking forward to hearing from you again soon.

Sincerely
Dewitt Bunch

Dear Alice,

Received your wonderful books and am delighted to be an "owner". I had always used Geneva's. I will send the extra copy off to my cousin in the state of Washington and know she will be delighted, also.

I have tried to sort through some of the Tennessee material on BUNCH and have found little to help on the name, Lively. The following is all that I have found to date:

1840 census / Hawkins Co. TN
BUNCH, Lively   1 male 5-10   1 female 5-10
1 female 15-20
1 female 30-40

(other families named Bunch in 1840, Samuel (male under 30 + family) Benjamin (male 70-80 + family) Rachel (female 80-90 + family)

Hawkins Co. TN marriages
BUNCH, Lively m George Gowin - 5 Aug 1839

If you can send me a little more information (if you have it) concerning the Lively Bunch, I will check Geneva's records further. So far this is it. She has census records from 1830-50 for Hawkins Co. and there were several early families, but only one in 1850. Hawkins Co. was formed from Sullivan Co. in 1786, but the only name she has in Sullivan is a Christopher Bunch (1812 tax list). One Christopher Bunch is on the 1830 census for Hawkins (male 40-50).

Must answer several letters this evening, so will close for now. Thank you, again, for the books. I know I will get much good use from my copy.

Dear Mrs. Park:

Per our telephone conversation of yesterday, I am enclosing my check in the amount of $42.00 for two copies of your book:

Park/E/S and Bunch on the trail west...

For ease of delivery, I am enclosing a mailing label addressed to my place of employment. Having parcels delivered to the library saves me a trip to the post office to retrieve them.

I am sad to enclose the obituary of such a wonderful and sharing historian and genealogist, Geneva King. Her untiring devotion to the research on the name Bunch has amassed thousands of records which she was always eager to share.

Her husband, Garland "Doc" King called me on June 6, 1984 and asked me to please pick up her Bunch records. Geneva had indicated years ago that she wanted me to continue her work and have the records. Before I arrived, the librarian at the Nowata Public Library had visited and taken the majority of her books and files. Much of the Bunch material was gone. Doc called the library and made arrangements for me to try to recover the material. I have ended up with one file drawer about two-thirds full, but much of the material is missing. All of the Nathaniel Bunch (m. Sarah Wade Ray) is gone. This was, in particular, the line that Geneva wished me to carry on as it is my husband's line. I suspect that it had all been loaned to someone (Geneva often did this) and just hope that they will preserve it.

My husband's line is as follows:

John Bunch -
Samuel Bunch - Mary
Charles Bunch - Mary Bellamy
Nathaniel Bunch - Sarah Wade Ray
Charles Bunch - Mary "Polly" Coffman
Sarah Bunch - Alexander McCollough
Senie Jane McCollough - Elbert A. Nunneley
Virgil Windfield Nunneley - Ola Grace Henderson
Richard Dean Nunneley - Mary Ruth Metzinger

My cousin, Verna Rose Rosacrans (Verna and I descend from Charles Rose of New Jersey) who lives in Moxee City, WA is also a Bunch descendant - Verna is researching Judy Bunch who married John McDorman (Judy a dau of William, 1752-1831 of NC). Rebecca McDorman, dau of John and Judy Bunch McDorman, married Ezekiel Rose, son of Hopkins and Susannah Conner Rose. Ezekiel was a grandson of our mutual ancestor, Charles Rose of NJ.

So - I've two Bunch lines to work on. One of your books I have ordered is for Cousin Verna. She will be delighted and very surprised and may slow down my Bunch research on her line.

It was nice talking to you and will look forward to receiving your book.

Sincerely,

Mrs. Richard D. Nunneley

Dear Mr. Bunch:

I am enclosing a copy of a form letter that I have sent to many correspondents of Geneva King. She had, apparently, not answered several letters over the past few months and her husband, Garland B. "Doc" King was worried about the letters. I have taken them and sent the enclosed letter.

I am writing for two reasons - first, Geneva did not keep much of her correspondence, but had a file for yours (only 1980 and 1981), and second, she had kept a Christmas card, undated, from Alice Park in which Alice felt you were the one to "carry the torch". Have you been in recent contact with Geneva and how much of her material on all of the family do you have?

Geneva spent 30+ years collecting this Bunch material and it almost overwhelms me to even look at it (and know she was in the process of re-doing). I would certainly welcome any suggestions that you might offer. It will certainly take a wise man like a Solomon (!) to try to fill her shoes.

The material, which fills more than one legal size file drawer in my file cabinet will be given, when I no longer am able to help, to the Carroll County, Arkansas Historical Society. I have given such promise to the King family and my family has agreed. Just want you to know where it will repose when I can no longer care for it. This information would be passed on to your correspondents.

Do let me know what she has copied for your Solomon Bunch (1785-1864) and if you do not have everything, will send the rest.

Since Alice felt you a good one to "boss" our research - am very anxious to hear from you to see if you are still active.

Sincerely,

Mary

Dear Geneva:

Finally, I have scored a breakthough...enclosed is a chart that shows the North Carolina side of our Bunch family. What we found that it was Bertie County and not Chowan County. The fact that there were several Solomon Bunchs in Chowan led me to look there, but I could not make any fit in.

I have also been able to place Asa and Eli....they were cousins of Solomon, not brothers!

Now I have to work on Hnry Bunch born ca.1740 and died in 1775. We have a suspicion that he came from Virginia, then appears in Chowan, then Bertie County. It is becoming more apparent that we came out of the Virginia Bunches.

I have been very pleased with the genealogist that uncovered this for me. He is Jonathan Butcher of Cary, N. C. He is meticulous and thorough and does a very scholarly report.

I feel now that the biggest problem has been solved so I can spen my time on details. Since so many early records in Virginia have been destroyed, I am afraid that we could nail down very little there or in England. But then again, it might happen.

Kindest regards,

David

BUNCH'S TAVERN

Bunch's Tavern

John Bunch seems to have been well established on Richland Creek near present day Rutledge when the county was organized in 1796. Prior to this time he had erected a log house whereas, in Sept. 1796, the county court was held there. Though the courts were held in various places in the county, Bunch's Tavern seems to have been a favorite place for the meetings. Soon, on March 15, 1797, John Bunch applied for a license to keep a public house "where he now lives". Thus began the days of Bunch's Tavern. An addition was made to the structure and the logs were covered with weatherboarding making it a most attractive tavern. It, like all the other early taverns on the old stage road that passed through the county near the present location of 11W highway, catered to great and notable men of that time. Several years ago a portion of the tavern was razed, later the remaining portion burned. A mantle from the room in which the early courts were held was installed in the library of historic Shields Station at Blaine - which is the only remains existing today of the once famous Bunch's Tavern.

"Bunch's Station" was evidently "Bunch's Tavern",a stop on the first road in the state, from Bristol to Knoxville, it was called "The Old Stage Coach Road" and ran through Rutledge. Samuel Bunch, a former sheriff of Garinger County, and a descendant of John, lived and is buried at the Bunch Tavern site. When Samuel was sheriff, 1821-36 he shared his tiny office (which has since been restored) with a runaway apprentice tailor from North Carolina. This apprentice later went to Greenville, Tenn. and opened a shop. Later, he got involved in politics and became president of the United States - Andrew Johnson."

- from a letter of John Clark, Rutledge Tenn. 1980

"Col. Samuel Bunch was born in Grainger County, Tenn. Dec. 4, 1786. He commanded a regiment of Mounted yeomen from Tennessee during the Creek War, serving under General Andrew Jackson and distinguished himself in the attack in Hillibeetown on 18,November 1813. In the charge of the Battle of Horseshoe Bend on 27 March, 1814, he was among the first to pass over the breastwork of the enemy. For many years he was Sheriff of Grainger County. He was elected as a Whig to the 23rd Congress and re-elected to the 24th.- 133-37. He died at Rutledge, Tenn. 5 September 1849."

Dear Geneva:

I haven't heard from you in some time. I have discovered the name of Solomon Bunch's first wife. She was Elizabeth Hill. I am enclosing a sheet withe progeny of the one son, Joseph Green Hill Bunch.

I have not been able to establish if Asa and Eli are brothers to Solomon, but it would seem so. They appear together in several of the censuses.

Since you are a descendant of Samuel Bunch, I thought you would like to have a photo of the Bunch Tavern and the sketch of his life.

I have tried to summerize all the facts that I have on Asa and Eli which the sheet shows.

Is the sheet marked "Books that I have on Maury County" yours? If so, will you please check the 1820 census and see if Solomon had arrived in the county by that time?

Also in the ancestor charts, look for Mrs. Wilbur Berry nee Napier who is a descendant of John Bunch the son of Solomon. Please xerox that sheet for me.

I have just transcribed the "1815 Tax List for Iredell County N. C." and if there is anything in it that could be of help to you I will gladly check it for you.

I hope you are well and I shall look forward to your reply.

Sincerely,

David

Dear Geneva:

I am so indebted to you for all your help and your friendship. Sorry to hear about your brother-in-law. These things are expected but always hard when they happen.

I have been able to establish that Solomon Bunch built his mill on Rutherford Creek Maury County in 1805. Maury County was not formed until 1807 so the deed for the mill must be in Williamson County at Franklin. I have a cousin at Franklin and I have assked her to search out the deed. So.....Solomon was born in 1785 so he would only be 20 years old in 1805 so......it was probably built by his father....so this brings me back to Isham.....maybe after all there was an Isham. Turner says this in his book on the history of Maury County but I think he was just quoting from Goodspeed. The Isham Bun that you found in the 1790 census of South Carolina might just be him (except for the household.... Solomon would only be five). I sometimes wonder if Solomon or Isham paused for a while in Grainger County where there were so many Bunches, but I find no trace of them there.

I am enclosing chart #26 that shows all I have been able to gather on Asa and Eli....they must be brothers to Solomon but I cannot prove it. This shows your John Harbison.

Edward J. Bunch has sold his home in Charlotte and is moving to a retirement village at Hendersonville, N. C. I have made an index to his work. I will be glad to send you one if you would like it.

Sylvia Johnson Harris has been a gold mine for me. Her husband is a descendant of Solomon and his first wife Elizabeth Hill. She has been able to furnish the line on chart #5

I found Levinia in the Witherspoon book and am enclosing sheets on it.

Do you have the Tennessee census for 1810? I believe it only covers Rutherford County but that was a big county at that time. I think that the 1820 takes in the entire state. I would like to find the first time that Solomon is recorded.

Thank you again for all your help.

Sincerely,

David

WESLEY WITHERSPOON (1787-1856) M116

Son of Thomas L53, born in Wilkes County 6 June 1787. Around 1803, when Wesley was 16 years old and his brother, David, age 14, their Uncle John L56 came from Tennessee with his bride of several years. The two youths were no

doubt regaled with tales of the Tennessee frontier by their Revolutionary War soldier hero, and when the party departed, resolved to accompany it. The family would not give its permission, so the two waited a day and a night, appropriated two good horses from the family's stables and overtook the slower moving party on the second day out. To travel in a convoy was a necessity, due to roving bands of outlaws and Indian parties on the prowl for horses and other goods.

The two young men lived with their Uncle John for two years on the Bossley farm, and then formed a partnership with a family friend, Willie P. Thurman, of Roberts Bend. Their business was to buy horses in Davidson and Williamson Counties for transport to the Atlantic seaboard cities of Charleston, South Carolina and Savannah, Georgia, from whence the stock was shipped to Europe or other Atlantic ports.

The principal trade route from Nashville, Tennessee at that time was to Philadelphia by means of a primitive mail and stage road. Travel to the southern coast with a number of spirited steeds in tow must have been quite an experience.

The Tennessee families visited their relations in Wilkes and Ashe counties in North Carolina up until the beginning of the War of Northern Aggression in 1861.

On 18 Dec. 1816, Wesley was married to Sarah Whitson (1 Feb. 1800 - 8 May 1860), a daughter of William and Anne Whitson, according to their gravestones in the Old Knob Creek Baptist Church Cemetery, in Maury County, Tennessee. It is located just off the Santa Fe pike. Incidentally, in the same cemetery are stones for Martha P. Witherspoon (14 July 1805 - 17 May 1853) and Eliza J. Witherspoon (13 Nov. 1818 - 13 Nov. 1900). I fail to identify Martha P., but Eliza J. could be the third wife of John McDowell Witherspoon N244, a son of Wesley.

In 1811 Wesley Weatherspoon, of Maury County, was deeded 100 acres by Asa Shute on Tumbling Creek in Hickman County, Tennessee. This was located about three miles from the 477 acre tract granted to Willis Weatherspoon M135 in 1838. Wesley sold the 100 acres to Jacob Dean in 1814. It would be interesting to know if Wesley and Willis were related, as Willis was a member of the Wake County, North Carolina family.

To Wesley and Sarah (Sallie) McDowall Whitson Witherspoon were born the following:

1.-Rebecca Ann (28 Sep. 1817 - 11 Sep. 1899) N243, m. William Calhoun Allen (1805-1873). Her gravestone is in the Old Knob Creek cemetery.
2.-Thomas Wesley, Jr. (22 Apr. 1819 - 5 Oct. 1862) N242, m. Jane (13 Nov. 1818 - 12 Nov. 1900), died in Helena, Arkansas. For issue see below.
3.-John McDowell (7 Oct. 1825 - 1891) N244, for wives and children, see below.
4.-Samuel E. (1838-1916) N245, for wives and children see below.
5.-Sarah Cornelia (-) N246, m. (1) William Dawson, m. (2) J. H. Notgrass.
6.-Mary E. (-)

DAVID WITHERSPOON (4 Apr. 1789 - 1 June 1873) M117

Son of Thomas L53, born in Wilkes County, North Carolina, was raised in the home of his grandmother, Martha Pettigrew Witherspoon. Moved to Tennessee with his brother, Wesley, when aged 14. David was married about 1809 to Penelope Gee (27 June 1792 - 27 Nov. 1863). Both are buried in the Rose Hill cemetery, Maury County, Columbia, Tennessee. The name on each gravestone is spelled WETHERSPOON. To David and Penelope Witherspoon were born the following:

1.-Joshua Thomas (-) N247, for wives and children, see below.

Dear Geneva:

I recently came across an index to several Virginia publications so I copied the sheet with the Bunches.....thought this might be of interest with you.

I do not have the various journals, but I understand that they are avalable at William and Mary College. I had the entry on "the Bunch family" copied but it was only a reference to them, not any facts.

Hope these names might be of use to you.

Dear Geneva:

Thank you so very much for y our response and the trouble you took to include the information. You are very kind to do so.

I would like to have copies of the 16 pages from DeWitt Bunch's work. I, too, have written to him and the letter has been returned. I am enclosing a check for $3.00 to cover expenses. If this is not sufficient let me know.

You have saved me a great deal of trouble in telling me about James Bunch. I had thought this was going to be the direction that would pay off.

I can't make the Solomon Bunch of Chowan county fit in. Unless he was under age and emigrated to Tennessee as a young boy of the family. Having brothers and sons by the name Solomon makes it very difficult. Apparently the Bunches came down from Virginia. Do you agree? What do you think of using a genealogist from Richmond?

What do you think of the supposition in Park and Bunch"On the Trail West"that the BUNCH name came from the French "bonne" which would be pronounced like "bun".?

I am enclosing some other sheets that might be of interest to you. I have found lots of Bunches in Grainger County Tennessee but can make no connection.

Yours truly,

David

Dear Mrs. King:

I am working on the Bunch family history. I have been in touch with Mrs. Berkeley N. Holman of Austin, Texas and she has very kindly sent me copies of pages from Parke-Bunch Family History.

I have been able to trace back only to my great grandfather, Solomon Bunch (1785 - 1864) who was probably born in North Carolina, emigrated to Tennesee and built a mill and a home on Rutherford Creek, Maury County, Tenn. in 1830. He raised a family by his second wife, Anna or Annie. There is a grave of Mrs. Elizabeth Bunch age 24 years that we think is the first wife. There is also a grave of Eli Bunch born 1795 in N. C. (We think this is a younger brother of Solomon). I am enclsong a chart of Solomon Bunch's family, and also of my grandfather, James Whitfield Bunch.

Mrs. Holman seems to think that I ought to check on the descendants of James who died in 1802. Do you have anything on him?

I will be appreciative of any help you can give.

Yours truly,

David A. Bunch

Dear Geneva:

Thank you for your letter of the 13th. I do appreciate the copies of the Bunch Family Record.

I am enclosing one sheet of Mrs. Pitcock's history relative to Pouncey Bunch in Wilkes Co. GEORGIA . When I first ran across Wilkes County I thought of Wilkes County North Carolina which is next to our county of Iredell, then I discovered that it was Georgia. This Wilkes County is very near to the South Carolina border and we have records of many Bunches in the Orangebury district of South Carolina. My great grandfather Solomon Bunch married Anna Brown, the daughter or Col Hugh Brown from this Wilkes County in Georgia.

Also on this sheet are some changes in the counties of Virginia that I thought might be of interest to you.

I haven't had time to digest all of the material that I got from Mrs. Pitcock, but if I see anything there that might be of interest to you, I'll be glad to send it along.

Yours truly,

David

Dear Geneva:

In looking back over my notes I have just realized what a big help you have been. I certainly do appreciate all your help.

I keep picking up bits of information which helps completing the picture. I recently found a history of Maury County Tenn. by Goodspeed published in 1886 in which it states that the first water mill built in the county on Rutherford Creek was built by Isham Bunch who also built a distillery there.

I had always been led to believe that Solomon built the mill, so it looks like Isham must have been the father. In all of my North Carolina research I have never run across the name of Isham. Do you have that name anywhere in your notes?

Going on the presumption that Isham is indeed the father of Solomon, and the census records always indicated that Solomon was born in North Carolina, then Isham must have come from North Carolina, possibly taking Solomon as a young boy with him. This would account for the fact that I cannot fit Solomon into the North Carolina Solomons.

I have established that the first wife of Solomon was Elizabeth and she died in childbirth with a son Joe. That was Sept. of 1822, then in May of 1823 Solomon marries Ann Brown the daughter of Col. Hugh Brown. (I am indebted to you for this.) I have also been able to find the next three generations of the Browns. There was a later marriage between the families. It is interesting to note that the Browns came from Wilkes County, North Carolina.

But one thing at a time.....I need to identify ISHAM. Can you help?

Sincerely,

David

Dear Geneva:

I have made contact with Edward J. Bunch, 200 Canterbury Rd. Charlotte, N. C. who did a complete study of his branch of the BUNCH family in 1970. He shares the same heritage as in Bunch and Park and then branches off with the group that settled in Guilford County around Greensboro and Ashboro. It consists of 150 pages and I have undertaken to do an index for it.

In reference to my last letter I have decided that Goodspeed's History of Maury County made an error when they referred to ISHAM Bunch. I am convinced this is Solomon.

Everything points to Asa and Eli as being brothers of Solomon. I have had a genealogist, Monte Knight, at work on the records in Columbia Tenn. but so far has not been able to establish this.

I found a descendant of Asa in Arizona, Mrs. Rosetta Crowe, 436 South Miller, Mesa Arizona 85204 but her letters have been returned and the postmaster tells me she moved seven years ago!

I am enclosing some charts as I have been able to work them out which might give a clearer picture of my family. I have been more successful with the Browns and the Ledbetters. The Brown family has been especially interesting. There were three distinct families that moved into Maury and Giles Counties, many with the same given names. It has been a dilly to try and work out.

Thnak you again for all your valuable help. If you would like to have copies of what Monte Knight was able to work out let me know.

Sincerely,

David

Dear Mrs. Crandall:

I have just recently learned about your book, "Park and Bunch on the Trail West" and have ordered a copy from the publisher. I hope they are still available.

You may comment on it in your book, but I would like to know the earliest record of a Bunch in the colonies. Tradition has it in our family that they began with five brothers who emigrated to Virginia from Scotland in May 1732. The family first existed in Flanders France and during religious uprisings there, removed to Scotland for several hundred years, until they moved to America.

I notice in Nugent's "Cavaliers and Pioneers" Vol. 1, a John Bunch coming to Virginia about 1652 and in 1662 acquiring about 400 acres of land. On page 546 there is a mention of a William Bunch coming about 1665/6. The year 1704 mentions a Paul Bunch and a John Bunch.

I find many Bunches in early Chown Co. N. C. Records but I cannot make any connection with my family. The earliest record I have is Solomon Bunch (1785-1864) who was my great-grandfather.

I wpuld appreciate any information that you may have.

Yours truly,

David A. Bunch

I have enclosed a couple of forms and would like for you to fill them out for your mother as best you can. I heard obout you when I was touring the country last year and stopped of at Liberty Cemetery near Kingston, Arkansas. I understand that that group will be coming out with a book sometime soon. also one Branch in Missouri has or is going to have a family book. also I know of another one being made in Mississippi. Do you know anything about the indian branch of the Bunch family up around Stilwell Okla? I was born & raised in Okla myself my Dad still lives at Spiro. I would appreciate any thing you could give in Bunch information

Dear Mrs. King

I just got around to sending literature to the list of names you furnished. I am swamped with work and will not have everything in order as I would like for quite some time yet. But I will be able to deliver the Bunch Family Record as promised.

I have had so many people ask for my own family record in return for information they furnished. I will write about my own branch as one of the articles in the Janurary copy which I plan to mail before Christmas.

I did research on the Cherokee Indian group in Washington, D.C., last year and plan to have some of their records in the first issue so I would appreciate any information that you have along that line. I copied the information from pages 45 and 46 in the book printed by Mrs Pitcock.

Did you get any information from one of my distant relatives, Miss Corrie Lynne of Mississippi I have been unable to get anything so far, but I

do have what her father was able to remember when I met him in 1960. Our Common ancestor was Solomon of Leake and Attalla Counties Mississippi born around 1800 who had 3 sons Joseph (Carrie's line) Solomon (my line) and Walter.

I did not try to contact Richard H of Chicago because I thaught he would not be living as he would be 100 in February. Do you know if he still lives? I think that he should be given a lot of credit for the work he did on the Bunch History but it looks as if he gave up after finding out about his own line.

I have tryed to reach T H of Washington, D.C. by telephone and letter so far have been unsuccessful.

I do plan on having a Query Section but will try to keep it limited to the readers as I have thousands of questions I would like more information on, so if you have anything for that section feel free to send it in. If you have any news or articles that you woued like in the first edition please send it along. You will be given credit on anything you furnish. Thanks again for the names you furnished.

Sincerely

Dear Mrs. King;

I have received about three letters from you recently and have found them very helpful and by coincidence along the same lines and area that I have been working with. I have not had the time in the last couple of months to even answer my correspondance.

When I was in Kentucky last fall we copied all the early births and deaths that were available for the state . Also all the births and deaths from 1911 through 1915. About 15 more years were available but we did not have the time to complete this project. We secured as much general information as possable from the state library. Copied all of the available records in Mercer, Bell and Knox Counties. also for Claibourne County Tenn. We expect to get a few more counties and the rest of the available bitths and deaths this summer. I have hopes of being able to attend the Bunch Reunion in Oklahoma this Summer.

The Bunchs of Butler and Warren County go back to Henry and Ann Calloway of Bedford Co. Virginia See aag. The Charles Bunch Compiled by Edward Manley is definately related. I thought at first that it could be that he was a son but from the ages of their other children it appears that he is a grandson, but at the moment do not know through which son. The Other boys were:

A. Joseph & wife Sarah listed in Mercer Co. Ky 1789 was ~~xx~~ in Rev. War
B. Richard & wife Mary listed in Mercer Co. Ky 1800 & 1810 had a family
   listed in Washington Co. Ky. 1832 born Bedford Co. Va. 1759 was in
   service 1780 & 1781 from Bedford Co.
C. George L. & wife Elizabeth Spencer lived most of his life in Warren
   Co. Ky.
D. Calloway & Nancy Ann Henderson md in Mercer Co. will made in Warren
   Co. Ky. md 1794 died 1807 appearently fairly young.
E.X Zacariah & wife Sabary was in Mercer Co. 1790 will in Clark Co. 1794
F. James & wife Ruth Hibbs md 1791 had son James born in Va. 1794
   ~~James~~ James Sr. died before 1797 as his widow remarried ~~in~~ 7/29/1797
i in Nelson County Ky.

In process of elimination if the Charles in Question was born in Virginia 1792/93 as stated. all the above ~~xx~~ would be unlikely except James who was still in Virginia in 1794. Also other factors such as wills & Etc. eliminate the possabilites~~x~~. I figure that the 33 years between Richard and Charles should make it doubtful that they would be brothers.

If the Question arises is the James above the son of Henry and Nancy Ann (Calloway) Bunch. Here is additional information on ~~him~~. He married in Nelson Co. Ky 2/6/1816 to Sarah Okes and shortly there after moved to Sullivan Co. Indiana. Their Children were: James, Marion, Charles, Callaway, Sarah, Elenora, and Martha. Possable others.

his son James

On going through the information furnishe on Charles Bunch, I find some corrections and questions.
William Calloway "Cal" listed as being married four times. I notice that no children was shown for the Third Marriage (to Evaline Turner).
they are: Nancy J. born 6/8/1854, Charles C. born 9/3/1855 and John C born 3/20/1857.
The last three Children given as being from the Fourth marriage do you have any additional record of that ? I notice the first three were born from 1866 to 1869 and they are the only three in the 1880 census. Were they born after 1880? Marion Estel & wife Montie had a son Marion Estel born in Rochester, Ky in 1902. I wrote to the son a few years ago but did not receive an answer I will try again soon.

The birth date for Sarah Katherine daughter of Leander is (9/5/1857) not 9/5/1854.

I have some information on this family up to very recent and hope to be able to publish it some times during this year.

I hope you will excuse my choice of words and the spelling of some of them as I am thinking more about the information then as to how to write it down. Will be looking forward to hearing from you again soon.

Sincerely
Dewitt Bunch

Dear Mrs. King

I was happy to hear from you again. We have been active on this research work all summer and have been able to obtain ~~a~~ good amount of information. I have the 1880 Census of the Bunch's that had children 10 years of age or under for the entire area covered at that time. Also have been able to secure several Countees for other years. also was able to secure a few more service records. all the above work was done at the archives in Washington, D.C. I also took a trip through Michigan, Indiana, Ohio, Kentucky and West Virginia, Picking up additional information.

Now I would like to question some of the information that you sent to me last week.

First the 1850 Census of Macon County, Missouri

I will accept that of the four listings that Henry age 43, John age 49, and Joseph age 32 are brothers. I do not however feel that they are the sons of Clark but rather sons of his brother Henry.

The listing which puzzles me the most at this time is the one for George. From the names it looks like it should fit into your ancestoral line. I can not fit him in with the other 3 that were in Macon Co, Mo.

The foot note at the bottom of the page is definotely incorrect as to him being the same person as Elijah who md Juliana Haggard in Clark County, as they remained in Clark Co and raised a family. Juliana was still living in 1880. Their youngest child was also named Juliana born 1/19/1854 in Clark Co.

I know nothing of this Phebe Foy she may be the wife of George probibly is. You are on the right track when you say see the 1860 Census Linn Co. Oregon. Which unfortunately I do not have. I did however locate the entire group in Oregon in the 1880 Census

I will be glad to forward this information to you if you need it: The Information from the 1850 Census Indicates that George had a wife previous to Phebe and had a son David b abt 1838 the 1880 Census shows David in Douglas Co Oregon with 4 Ch from 1st marriage 2 ch from 2d marriage and 3 Step children

James R in Coos Co, Oregon with wife and 3 Children

Wm M in Josephine Co, Oregon Wife 5 Children & 1 stepdaughter

Geo b 1851 after 1850 Census Linn Co, Oregon

I saw the notation that George had 10 Children when he died in Oregon I do not know the names of the others:

I also found the James age 22, and Stokeley age 17 in Oregon

James W in Linn Co with three children living with Thos S Woodfin his wife's father the wife was not listed.

Stokeley with wife & 5 children Coos Co Oregon near James R.

Rt. 2 Nowata Okla.

Dear Mrs. King

I have recently come in possession of the "Family Tree" of the Bunches. I am interested in Genealogy Work and have been trying pretty much unsuccessfully to trace my ancestry on the Bunch side. I have read your book in its entirety but have not been able to tie in with any of the listed Bunches Although I feel that I must somewhere. My basis for this is because of the Common Occurance of the name Pouncey.

My Great Grandfather's Name was James Pouncy Bunch. I have received from the General Services Administration his Army record. It doesn't state his parents Name but he married Aletha Berry Aug 5, 1859. He was killed in Action on May 17, 1964 in Ressecca, Georgia.

Born from this union was my Grandfather David Edward Bunch on June 4th 1861

Alitha Bunch remarried William Day and they moved to Beatrice Nebraska. They were married Oct 12. 1867.

David Edward Bunch married Dorthula Corneila Walker in Nebraska and Moved to Oklahoma when the Cherokee strip was opened. He homsteaded land in Grant County Okla. and lived there until his death in 1920.

My Father Oscar Calvin Bunch was the youngest son of this union born in 1894 and died in 1944 living his life in its entirity in Grant County!

I was born in Jefferson Oklahoma and lived in and around Medford and Manchester until 1940 when I joined the Navy. I stayed in the Navy until I retired in 1960 and have lived here in Portsmouth since then. Only about 100 miles from Louisa County.

If you have any information that might aid me I would appreciate it. Also if you would like a listing of decendants of the

Bunches as I have them to the present time I would be glad to do so.

I read and studied the booklet with much interest and pleasure. I can appreciate the work and effort that has gone in-to it to make it so informative.

Please let me hear from you soon and in the mean-time I'll keep searching.

I hope you and your family are in good health and are enjoying the blessings happiness.

Sincerely Yours
Joshua C. Bunch

Dear Mrs. King,

In reply to your letter of a couple weeks or so ago, inquiring about my information on Stokley Bunch and others of whom you may be related. I am sorry that I can not give you any concrete evidence at the moment. I have went through all my information and examined all possafilities. I still believe your line to be.

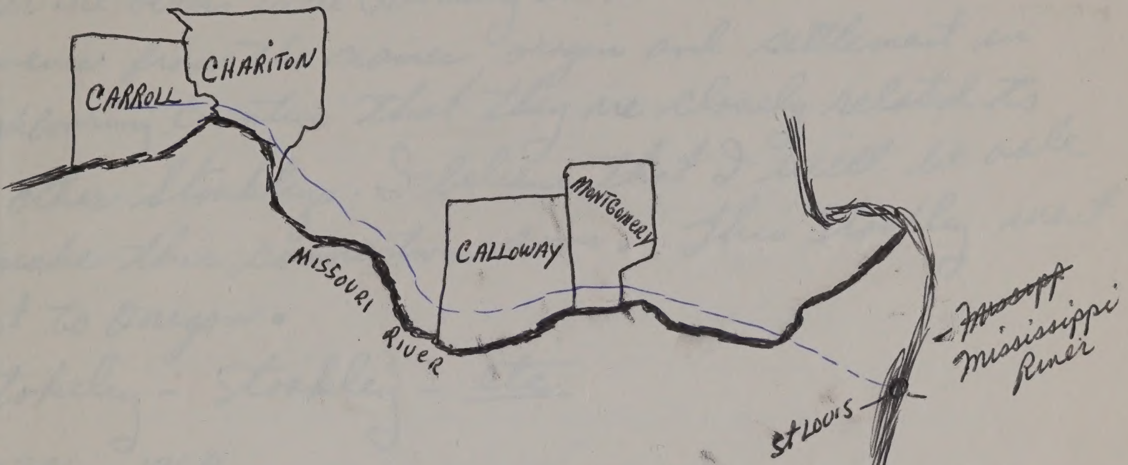
a John
aa John & Rebecca
aae Samuel & Mary ← * I have an ~~unvarifil~~ unvarified note in my records indicating that her maiden name may have been Hudson. This I will Check farther I know you have some later Hudsons in your line.
aaeJ George & Sally Sargent
aaeJa James & Hannah Maupin
aaeJak Orlena Oregon Bunch
etc

From a study of the brothers and sisters of above and other information I can find nothing which changes my opinion.

I will take a three week tour covering Louisa County Virginia, Parts of Kentucky and Tennessee and hope to uncover some new facts, some time this summer.

I believe that you and Mrs Karen Platz are refering to the same ancestors. The only difference is that she says Stokley where you show Sam. I wonder if Stokley and Sam are the same person or brothers?

The 1830 Census of Missouri lists a Stokely in Chariton County this County adjoins Carroll County. The 1830 Census also shows John, James and Samuel in Calloway County and a George was listed in the adjoining County of Montgomery.



Note: all four Counties mentioned have as their South boundry the Missouri River and would all fit into a position to place them in a direct route between St Louis and Carroll County.

My records indicate four different Stokleys in

1) Missouri. The first being the one listed in 1830 in Chariton County. born 1796 - died 1868. also is reported to have lived in the neighbooring Linn County and its neighboor Sullivan county.

2) Stoakley D. born 1849 died 1909 md Aley Mollie Ogle grd son of First Stokley mentioned above and lived in Sullivan County Missouri. (son of John)

3) Stoakley born 1863 [redacted] also a grandson of the First Stoakley (son of James)

④ The fourth Stookley was listed in the neighbooring County of Macon, Missouri in the 1850 Census along with a George and James which I asume are brothers this ~~James~~ Stokley was born about 1833 in Tennessee after the others were already in Missouri. I believe however from the names origin and settlement in neighbooring Counties that they are closely related to the other Stoakleys. I believe that I will be able to make this connection soon. This Stookley went west to Oregon.

Stokeley - Stookley - etc

1. 1796 - 1868
2 1849 - 1909
3 1863 -
4. 1833 -

If you will refer to the map in the Spring edition of the Bunch Family Record 1967 you will find why some were born in Kentucky others in Tennessee. This was the second grouping of Bunchs before they continued west. after they left Louisa County Virginia.

Sincerely
Dewitt Bunch

Dear Mrs. King,

I received your material a while back but have not had the time at home to check closely for the information about which you inquired. I have been temperarly transfered to Detroit with a possoble job promotion coming up in the near future. In the meantime my family is still in New York and I still receive mail through the same Buffalo address. I have had time to do some research in the Library here. Most of their books here are shelved available to be picked by the user instead of having to be ordered up from the stacks as is done in Buffalo. I ran across some Maupin information and started copying it for you until I realized that the woods in Missouri were full of them. I will however send along what I copied in case something may be of your line.

In the Howard Co, Mo records I got two Bunch marriages:

Blk
Lucinda to Chas M Cravens 9/20/1821 by Chas Merryman MG
Thos C to Ann Rossar 1/20/1824 " " "

I have been unable to go ~~th~~ to the Library this week as Everything has been shut down and an 8PM curfew has been Enforced on account of Riot threats. I am taking advantage of this time to Work up my notes. I have been holding off on my Oregon information still doing a little corresponding. I believe however that the present information will cover 50 to 60 pages. But I am still hoping to do even better as their is still a few current listings I cant NOT tie in until I get additional information many of whom I know will tie in with the earlier groups. Any correspondance to me can still carry the Buffalo address or be sent to me at 16950 Harper ave Detroit, 48224, Michigan. I plan on being in Oklahoma for a short while on my vocation this summer probably in August. (when the Weather gets good and Hot).

Sincerely

Dewitt Bunch

Dear Geneva,

I enjoyed talking with you today. It's always good to make another genealogy connection, and probably the only way we will ever work out some of these elusive lines is to work together. Besides, it's more fun that way. There is no one else in my immediate family working on tracing at all, though I've found a distant cousin here and there researching on others of my family lines. You're my only Bunch connection so far. I hope we'll turn out to be cousins. I have made an acquaintance of a Dr. Stan Bunch whose family came from Arkansas, and I'm trying to get him interested enough to at least tell me his father's name. It was several years ago that I was allowed to copy your manuscript, and I'm sorry to say that I can't now recall the name of the man who let me copy it.

This is my ancestry as I have so far been able to piece it together:

Jim Daugherty was a half-blood Cherokee. By a white wife he had at least one son James, who had at least two children - Susan McClure and James who was the father of Cyntha Daugherty Ledbetter (said to have come across on the Trail of Tears). She later married the Rev. Jeremiah Horn and lived in Collin Co., Texas.

Back to my own ancestry - I got carried away. Jim Daugherty had a full blood Cherokee wife (I don't know which wife was first) by whom he had a son Jack. I don't know whether that was John "Jack" or Jackson "Jack"- this family named sons often for famous people. No clue as to Jack's wife, but Jack had "two families" according to Cyntha Horn (age 79 in 1892). She said that several of his sons had Bible names - William and Leach (maiden name of Mother possibly?) and two sons with Cherokee names Taleska and Taloska (other places spelled variously Te-lee-skee and Te-los-kee). The son William was my third great-grandfather. Census records indicate he was born ca 1760-1770, and these Cherokee affidavits say he was born and raised in the Old Nation east of the Mississippi River (why, oh, why couldn't they have been more specific? I guess I'm expecting white descriptions of places from Cherokees. Ha!) William Daugherty's wife was Sallie Bunch, daughter of Sam Bunch, "well-known Cherokee Indian." No clue as to her date of birth, or her father's, but as known children were born between 1797 and 1810ish, I would place her date of birth roughly between 1770 and 1780. They had a number of children whose birth dates I don't know, so even my estimate may be inaccurate. But we have to start somewhere, don't we? So that would place Sam Bunch as born ca 1740-1750, but possibly as late as 1760.
Geneva, I wrote the above way back as dated - and haven't had two seconds to get back to it all this time, almost a month later. I'm still so rushed that I can't think what else I should write, so I'm just going to mail what I've already written before I bury it again. Oh, I will include names of Sally Bunch's children, as they might give you a clue. I would love to hear from you, and will answer any questions. Sorry to be so long in getting back to you.

William DAUGHERTY (b. ca 1760-1770)
m. Sallie BUNCH (b. ca 1770-1780), dau. of SAM BUNCH "well-known Cherokee Indian" - "there was a William Bunch" probably a brother of Sallie or Sam.

Children of William Daugherty and Sallie Bunch said to be:

James Madison Daugherty b. 27 Feb. 1809 VA or KY
m. 13 Oct. 1833 in Ark. Eleanor McGEHEE, dau. of Ausborn McGehee (this couple twice moved to Houston, Texas Co., MO, back to Ark., then to Texas in 1852.) James Madison d. 5 Nov. 1853 near Denton, TX.

George Washington Daugherty b. 4 Jan. 1807 d. 24 May 1861
m. Francis "Fannie" McGehee, sister of Eleanor
(this couple wound up in Parker Co., TX near Fort Worth)

William Daugherty (a Methodist minister and judge of Cherokee Co., TX)
b. I believe 1799 - I can't seem to put my hands on those notes
m. first Sarah "Sallie" Cecil, aunt of Tenville Cecil of Ark.
m. second Mahala Oden - children by first wife

Matthew Daugherty m. Sarah Elizabeth Putman, moved to ~~Ill~~.Ind.
David Daugherty b. ca 1810
Nathaniel b. ca 1797
Andrew Jackson "A.J."
Patsy
Zilphia?

others? possibly Harrison M.?

There were lots of cattlemen in these families, also a number of attorneys, including my great-grandfather Matt Daugherty, Sr. who was one time county judge in Denton, TX. His younger brother James Monroe "Jim" was apparently quite a wheeler-dealer, said to have beat the family out of much property. He at one time owned many thousands of acres in the Big Bend area of Texas, where he owned the Figure 2 Ranch. He is also said to have owned half of present =day Tulsa - it was also a ranch or cattle-holding area where he fattened them before drives to Kansas. He supplied the Indians with cattle, and I have somewhere a copy of a letter to Uncle Jim regarding a cattle deal signed by the father of Will Rogers.

Dear Jane:

Last August you called me regarding your Bunch problem - then wrote me explaining and giving me the information. I have kept your letter in mind, and have not written hopeing I could find something concrete.

What I have found that would fit your problem at all is in MY branch of the Bunch family - Descendants of Samuel Bunch, a Quaker, who lived in Louisa Co., Va. He, had a son Samuel, and of course a number of grandsons named Samuel. The son Samuel would be the right age to be the father of your Sarah, but this Samuel lived and died in Louisa Co. Va., and through wills, etc., his children have been pretty well established. His wife was named Salley; children were Fontaine, b 1789; Judith, b 1790; Martha, b 1792; Samuel O. b 1799. This Samuel was deceased by 1794; Ikfound no Wm. Daugherty in the 1820 census of Louisa, County. Sally was there, with 4 children, 2 boys and 2 girls.

Now Samuel Bunch the Quaker, (c1726-1783) had a son John who went to Granger County, Tenn. His wife was Mary Asher. 1 John was born ca1752. He had two known sons and possibly 3 daughters, perhaps more,:

1. John Bunch, Jr., b 11 Feb 1784, Grainger Co., Tenn; d 2 Apr 1837, Boliver, Mo. Had 11 children; have birthdates & names.
2. 1Samuel Bunch, b 4 Dec 1786, Grainger Co., Tenn; d 5 Sept 1849, Grainger Co., TN; m. Amanda Ancerson in 1820 in Grainger Co. Had 9 known children.
3. ? Mary (Polly) Bunch, born ca 1782; m. Joshua Hickey, 1803, GraingerCo
4. ?Martha (Patsy) Bunch, b ca1794; m. Jeremiah Jernagin, 1815, GraingerC
5. ?Lavinia (Viney) Bunch,, b 1794 or later; m. _?_ 'Watson.

Now your Sarah might fit in as a daughter of John, and had a brother Samuel. This Samuel, son of John was a well-known CHEROKEE INDIAN AGENT! Your family tradition may have become mixed up - I know mine has on numerous occasions. Also, there is a tridition in my Bunch family that we are part Cherokee Indian. I have never been able to find out any facts. The tradition seems to be in all branches.

Also, in the 1830 census of Grainger County, Tenn, I found this:

William Daughtry	2 M 0-5	1 F 5-10
	1 M 40-50	1 F 30-40

I have a copy of the Grainger County marriages - copied from the list lin the LDS library at Salt Lake. There is no Sally among them of about this age. (It is only the Bunch marriages that I have.) (Wm. Daughtry (above) was the only Daughtry there in 1830)

Now none of this exactly fits, it does come close. Also, descendants of Mary Buncn m Joshua Hickey were"early settlers of the Republic of Texas." Mrs. Berkeley N. Holman, Cambridge Tower 9L, 1801 Lavaca, Austin, TX 78701, is working on the Hickey line.

Not much help, I'm afraid - but wanted you to know this much. These Samuel Bunches are the only Samuels I have record of that could fit in with your Sarah. You might try to find a marriage record in Grainger county under the nam e of Daugherty.

Just wanted you to know what I had found. If it turns out to be the right family, can send you more.

Dear Mrs King

Thank you for the information on the Oregon Census. I am sending you the 1880 Census, Plus an article I ran across today on one of Garrett Maupin's sons.

I was reading what was suppose to to be a true Western Story the other day and ran across a Howard Maupin near Klamath Falls, Oregon telling about his troubles with some Indians. I don't know how much or even if you are working on that line but your letters seem to indicate that you are. I saved the Magazine in case you are interested. I am in the process of making up the (late) Summer issue and making plans for the (late) Fall issue. The Fall issue will deal entirely with the State of oregon. Most of the Summer issue will be Indiana.

Dear Mrs. King,

I wish to thank you again for the information that you furnish from time to time. I will send some more information as soon as I can get straightened up from this double publication that I recently finished mailing out. I have been fortunate in getting some nice letters from people who live or have lived in Oregon. It looks now as though one issue will not cover the state as I had thought. I have several letters to answer and I try to limit my answers to only two or three letters each night so that I can keep my thoughts straight. Also I wish to thank you for all the information you sent about the Bunchs in Oregon. I recently ordered 14 pages of old Bunch wills from Charleston, S.C. and a copy of the story about George an Phoebe's trip to Oregon from a publishing company in Texas. I will let you know if any of this material is of any value.

CHRISTMAS 1967

Dear Mrs. King

In keeping with the season, I wish to extend best wishes for a Merry Christmas and a very good New Year, from my family and myself to you and yours.

Many of you may be wondering why you haven't received a copy of the Bunch Family Record for several months. The answer is that they were never completed. The last mailing was the Spring 1967 issue. I have been working off and on with the material for the remaining three issues for 1967. They will of course be late but I do believe that they will be much more interesting than those in the past. The problem is not the lack of information, as I have enough for several issues but just the lack of time to devote to this project.

I believe that most of you realize that this is not a business but a hobby with me and that many other things must be considered. The additional time to and from work since we moved to our home in North Java, New York, and all the little things which must be done getting settled, especially with a large family. The three remaining issues for 1967 will be sent out as soon as possible.

At this time, I can not say what the plans will be for 1968 except that one thing is for sure, I enjoy working on this material and plan to continue the publication.

The 1967 Summer Issue is about the Bunchs of Oregon. I have received a lot of help on this issue and I believe you will enjoy it. I get many nice letters from you subscribers and try to answer them all. However, if I do slip up, write again. I promise not to forget twice in a row.

I have been working up the information for several counties in Indiana, Tennessee and Kentucky but at this time I do not know which I will print first. As you know, the 1967 Spring issue contained the first half of the write-up on Claiborne County, Tennessee. Before publishing the second half, I plan to visit there again.

Our publications are sent by third class mail and cannot be forwarded. Please check your address and zip code number at the top of this letter. If they are not correct, notify me so that you will receive the forthcoming issues.

In closing, I send my warmest wishes for a joyious Christmas and a Happy New Year to all.

Yours sincerely,

DeWitt Bunch

This is going to be just a short letter as I have been busy. Some of this material has been around here for a couple weeks or longer. I wanted to check some of it out a little closer but havent gotten around to it.

I am sending a photocopy of what little information the Book "Hands Across the Years" contains about the Bunch Family. A photocopy of some information that you probably already have on the Maupin Family. A carbon of my letter to Mrs. Whitley, who was also mentioned in your last letter. Also a western magazine. The story Paulina -Deadly Raider is the one in which you will be interested.

Dear Mrs. King.

As we are undoubtedly of the Virginia Bunches it would not be amiss if I headed this Dear Cousin.
Will start by telling something about myself. This is my 95th birthday. For some 12 years preceding 1955 I enjoyed marvelous health but on Dec. 54 I had an accident , broke an arm and wrenched several places in spine out of line. From that time on all was bad. Had inflimation (then of glands. Rectal cancer operation and then a broken hip. In four y years I was hospitalized 174 days. Surgeon said when I was taken to hospital that I would be walking around in 6 to 8 weeks. I was there 15 weeks and then furnished with a walker and sent home. Was not perm= itted to step on foot for another 8 weeks, and cannot get around with= out using walker. and fear that I never will. Spend days in sitting in chair in corner, lieing on couch and walking around room.
My daughter and I live together and have ever since my wife died 18 years ago, She is home only on Saturdays and Sundays so I have to spend other days All by lonesome. Last week I had a light attack of Intestinal flu or would have written you sooner.

Now to answer your letter. I thought that you were a descendant of Nathaniel 1793 but you said he and your grandfather were first cousins. So that data I have would not help you trace your ancestry ac back. You said that you got information from script I sent an Ella Bunch of Colorado. I never heard off her or sent her copy of Bunch genealogy. .I did send copy to Mrs. Thomas Taylor of Loveland Colorado, A descendant of David Bunch 1722 through his son John, 1749.H was Jennie Lasley. I also sent copy to Nathaniel Calvin Bunch of Coffeyville Kansas from whom I received most of data from which I compiled genealogy of Nathaniel 1793 family.. Am enclosing copy herewith. Have not been able to find connection with Virginia Bunche but David Bunch 1722 had a son named Nathaniel born July 25, 1767 who might have been his father. As you say that yourgreat-great grandfather , James Bunch was a cousin of Nathaniel 1793 he might have also been a son of Nathaniel 1767. You asked if I had done any work on family of Samuel Bunch who left will in 1783. Know nothing about them. Am enclosing extracts from some Samuel Bunches wills.
I forgot to say that I was 5 ft 8 reduced from 5,ft 10 as result of flattening of spinal pads and weigh 135. As you are so deeply interested in family I will try to soon look over my file and send you copies of some things I think would interest you , Have become to write any more today,

It has been nearly two weeks since I wrote to sending quite a lot of material about Bunch Family. and have been expecting to get letter acknowledging receipt of same. Hope that was not lost in transit as it would take too much time to make copies. If you did not get it Postal Service should have returned it to me as I had my return address on envelope. In my letter I made an error when I said I thought that Nathaniels 1793, father might have been son of David 1722. Had momentarily forgotten that his father was named Charles born about 1740.
I have Bunch names indexed so that I can see on what page any Bunch is mentioned and can find no Charles who would fit. As to the Missouri Bunches. I have made no effort to trace them. It would be almost impossible to do so. They or their ancestors whether from Virginia or North Carolina would have to go through Grainger County, Tenn. to get to Kentucky, Tennessee, Mississippi, Arkansas, Missouri, Oklahoma and Texas.so their ancesterswould be sons, Grandsons, Great Grandsons, or Grate, Great Grandsons etc of john 1652, or of the Five brothers who came from Aberdeen,Scotland landing at Alexandra Va,in 1732.or of the unrelated Bunches who settled in N. Carolina.
I have been looking over my files and when or if I hear f from you I will make copies ofwhat I have that might interest you.

Sincerely yours.

Dear Mrs, King.

Your letter of 11th and material about Bun
Bunches received. I have not.read latter thoroughly But found it very interesting. I thought Tilghman and I did a good job in getting information but you have done far more. Our only object was to trace our own lines and got information about others while doing so. My only failure was that I could not contact any descendant of my fathers brother Williamwho went out to Iowa and laid out town sites along Rock Island R. R. which was being built at that time. From Iowa he went to Arkansas and was lost track of. My mother said he was the homliest wh white man she ever saw, He was 6 ft. 2 and only weighed 120 pounds. I am enclosing copy of statistics taken from Davids Bible, of my own lineage and early Bunches in America. mxx Also extensive information about Grainger County, Tennessee Bunches. DO NOT RETURN any of these. My daughter does not want to preserve them and I have no Grandchildren to leave them to. Later I will send you what I hve about the Carolina Bunches who were not related to the Virginian Bunches. Will look through my file and send you any thing I think may interest you.

We have had a couple of days of seasonable weather for a change,Snow has all melted. Wish I could get out of doors and walk around. Have not been out of building for more than a year and it becomes monotonous.

Sincerely yours.

Early BUNCHES in America

************************ **

Nugents Pioneers and Cavaliers of Virginia stated that a JOHN BUNCH came to New Kent Count , Va. in 1651/52.

***** ******

There is anold Tennessee tradition that the first Bunch in America was a younggsalier shipwrecked off coast of Virginia who settled in Tennessee, , There were several versions No dates given. Unless my recollection of history is wrong there was no Tennessee until at least 100 years after the John Bunch came to New Kent County.

****

In 1937 Viola Bunch Slough of Glasgow , Va. told my cousin Bessie Clayvell of Norfolk who was visiting her brother , that she was descended from one of five brothers who landed at Alexander Va, in1732 and gave her a lot of information ,or MISINFORMATION . about her family. When I called her attention toerrors she went to her mothers home and examined Bible Records. which showed that instead of being a descendant of one of tha 5 brothers her descent was same as mine and that her Great Grandfather Pouncey and my Grandfather James were brothers who married Flanagan sisters in Fluvanna County.

********* ** **

In 1937 I had a letter fromEmmet Bunch of Lynchberg in which he said that the family was first found in Flanders and during religeous uprisings migrated to Scotland where they were known to have lived for more than 400 years. In May 1732five brothers landed in Alexandria and from these the Bunches of America are descended. Leaving Alexandria the brothers settled in various places. George, the eldest located in Louisa County and his Grandson was my Grandfather. Emmet wrote me that he was going to an ~~IxOI~~. I. O. O. F. convention at Milwaukee and would stop off in Chicago. Viola Slough informed me that he died suddenly. He was wrong when he said the Bunches of America were descended from the five brothers and like Viola Slough I believe he was wrong about his descent.

****

Walter A. Bunch of Ashboro N.C. sent his daughter to Raliegh to see Guy L Bunch whom she said was well versed in his family history. He said he was descended from Paul Bunch, one of the five brothers who came to Alexandria Va. in 1732. from Aberdeen Scotland. The others were Jeremiah, Malachi, David and Henry. He claims they went from Hanover Germany in the eleventh century and that the German spelling was Buntz.

GRAINGER COUNTY; TENNESSEE.

BUNCHES.

In March 1780, John Bunch patented land in the Holston Country. Thomas King and Rufus (or Isaac Trimble were with him. He evidently migrated from nearby Washington County, Virginia, (Abingdon, County Seat) but from the part now Sullivan County, Tennessee. Before moving down into Hawkins County (now Grainger) he probably lived near the present Kingsport, Tennessee, a territory over which Washington County, Va. long exercised jurisdiction.

John Bunch's forebears came from England well before the Revolution and settled in Virginia. There is an old tradition in East Tennessee that the first Bunch in this country was a ship-wrecked child on the Virginia coast. In his teens he joined a party to recover some prisoners and property taken by the Indians. Getting ahead of the Indians they concealed themselves behind some logs. The Captain ordered them to fire as the Indians were straggling along, Bunch waved his hand and said, "Wait and lets bunch them". Finally, when the Indians got together they fired, large numbers were killed and the prisoners recovered. There are several versions of this, and in one it is said that thefirst Bunch in the present East Tennessee was a ship-wrecked youngster, another has it that the first Bunch came over at the age of 17.*

John Bunch was a Revolutionary soldier and was active in the early Indian Wars.** He servrd as Captain under Sevier in the Etowah campaign against the Cherokees and Creeks in 1792 and 1793, and in 1794 he served in the Knox Regiment as an ensign, Territory south of the Ohio, and apparently for years was Captain of Militia at Rutledge, Grainger County, Tennessee. The Captain was quite a land owner and active in public affairs. The first Court in Grainger County was held in his house, and he offered land for the first court house, across from his property., *** now known as the old Manley Place. He served in the Tennessee Legislature of 1803 and 1805. The Bunch house is still standing, about 1½ miles west of Rutledge on the Knoxville Road, and not far from Richland Creek which runs through the place. An old family cemetery is nearby. This place once had splendid orchards. The French Bourbon Prince, afterward King Louis Phillipe of France, and his brother, dined here with Captain Bunch while enroute to New Orleans on their American visit in the 1790's. The Captains wife was Mary Asher. They had the following children.

---

* John Bunch was probably the first Bunch in Tennessee. The early Bunches of Virginia and North Carolina were not kin. Different families.

** The house on the old Bunch place was undoubtedly with defense against the Indians in view. There were heavy logs in the walls. The Richland Creek (running through the place)Valley was in early times a very heavy cane-brake. In the North Carolina State Records there is an item about a man being killed on June 29, 1788, during Indian hostilities, at Bunch's Station. Indian depredations were no doubt numerous.

*** Captain John Bunch presented land across the highway from his property as a site for Grainger Counties first court house. An excavation was apparently started but the building was erected in Rutledge. Grainger County was founded from Hawkins.

* *** In old Grainger County Minute Books the following Bunches are mentioned. from 1798 to 1808. Charles - John - David - Martin - Samuel - Thomas.

John Lafayette Bunch & Ann Eliza Woolridge (1st wife) Dec. 23, 1847.

As a young man John Bunch served in the local Militia Company. He probably spent some time in northern Alabama, at Huntsville, where some of the Clays located, agter his marriage. Several of his children were born there. His home in Grainger County, Tenn., 3½ miles west of Rutledge, still stands. Now owned by Prof. S. R. Wister. In 1834 he moved to Missouri from Tennessee and settled at Boliver where he died, Apl. 2, 1837. His wife passed on, Apl. 5, 1841. Both are buried near Boliver. Mr. Bunch was quite a large man, weighing about 250 lbs., and very temperate habits, neither smokedor drank. His oldest son. Samuel Hamilton Bunch, first married Miss. Jernagin and had six children (4 sons.) Of these sons Rufus, the oldest went to Oregon before the Civil War. Jeremiah Jernagin fought through the war in the Confederate army anf then movedto Florida. Robert (Bob) served in the Southern Army and lived in Grainger County, Tenn. Afterwards, Samuel Hamilton was killed fighting for the "Lost Cause", in South Carolina in 1865. All were ardent Confederates of course. "Ham" moved to Missouri with his father but returned to Rutledge after several years. He married a second time, in 1849, a widow, Mrs. Elizabeth Ellis (Miss. Janeway). They had 4 children, Niles Ellis Latham Bunch - John J. Bunch - William Ashly Bunch and John H. C. Bunch. They moved to Texas in the eighties and settled at Pilot Point where "Ham" died in 1888. Descendants still live there. The other surviving son of John and Margaret Bunch, John Lafayette Bunch, journied to Missouri with his parents, but not caring for life in that State went back to Alabama and livedwith the Clays and was educatedthere. He made Tuscumbia, Alabama his home and married twice, first Ann Elizabeth Woolridge, second, Lucy Mary Johnston. By the first two children survived, Elsie Clay Bunch who married R. L. McKnight, and Virginia Tunstoll Bunch who married Dr. Henry S. Dill. By the second marriage were Persifer S. Bunch who died in 1930, and Martha Ward Bunch who married Lucius E. Patton. Mrs. McKnight died in 1933. (She had a home in Tuscumbia filled with lovely furniture.) Mrs. Dill died in 1926 and Mrs. Patton in 1935, in Memphis, Tenn. Major Bunch served in the Confederate Army under General Strobl, and died in 1862. The second son of John Bunch (Colonel) Samuel Bunch, was born in what became Grainger County, Tenn. on Dec. 4, 1786. Was educated in public schools. He served in his fathers Company of Militia, and with the outbreak of hostilities in 1817, enlisted in Col. John William's Regiment as a private, on Dec. 1st and served in the expedition to east Florida (10), being appointed Captain on Jan. 3, 1813.

8. Major R. J. McElhaney was a native of Grainger County, Tenn, (born about 1815) He was a prominent citizen, merchant and banker of Springfield, Mo. and Postmaster there under Polk. Was a Major of Militia in 1840 and Captain of a Federal Company late in the Civil War that saw little active service. The Major came to Missouri in 1835. Major McElhaney and his wife were parents-in-law of Leonidas A. Campbell who served in the Confederate Army as a Colonel and was a member of George Marmadukes Staff. Colonel Campbell was a native of Springfield, Mo.. He accumulated a large fortune in many lines and had a 10,000 acre plantation in the Yazoo delta in Misissippi and a Cotton Press business at Vicksburg, Miss. A very prominent and fine man.

9. The Campbells went to California in 1849 or 50 and spent several years there.

10 The expedition fought an engagement in East Florida, -- Col. Bunch's letter of Sept. 23, 1819 to General Jackson (American State Papers, Military Affairs 1, Page 769.

Following this service he was appointed Colonel of a regiment called, Samuel Bunch's Regiment East Tennessee Volunteers, and rendered eminent service under General Andrew Jackson in the Creek Campaign. He distinguised himself in the attack on Hillibetown on Nov. 18, 1813, and in the charge (11) of the Battle of Horseshoe Bend on 27th of March, 1814, he was among the first to pass over the enemy's breastworks. The power of the Creek Nation was forever broken on the field after that. Col. Bunch was detailed to command at the different posts from Fort William in the Creek Nation to the Tennessee line. For six years he served as Sheriff of Grainger County. The Colonel was a great horse fancier and bred a string of fine roans, known as the "Bunch Roans.". He was a friend and benefactor of Andrew Johnson, and when young Johnson opened his first tailoring establishment in 1826 at Rutledge, he used the Bunch office part of the time as his shop, the Colonel being away on duty as an Indian Agent. This office was a small brick building that stood near the present Court House site. Johnson often hunted with the Colonel who was an enthusiastic sportsman. The Colonel served in the 23rd and 24th Congresses, (1835-1837) as a Southern Whig,and supported Hugh Lawson White for the Presidency in 1836 presidential campaign. Senator White carried Tennessee in this national election. Col. Bunch married Miss. Amanda Anderson, a daughter of Joseph M. Anderson, and his wife, Mary Cocke. She was pretty and vivacious. (12) The Colonel was a large land owner and man of affairs. He was big and very handsome, and in his younger days, quite a beau. His friends included two men who reached the Presidency, Andrew Jackson and Andrew Johnson. He died on Sept. 5, 1849. The Knoxville Register published the following obituary. "Died at his residence in Grainger County on the 5th inst. Colonel Samuel Bunch innhis 65th year, Colonel Bunch commanded a regiment in the Indian Wars of Andrew Jackson, and in the charge at the Battle of Horseshoe Bend was first or second man over and inside the breastworks of the enemy. He represented his district in Congress during the Administration of President Jackson, prior to the division of the parties in Tennessee. During the last session he served in Congress he was united with the Hon. John Bell, Henry A. Wise and Bailie Peyton in a publication nominating to the people the lamentsd Hugh Lawson White as a candidate for the Presidency of the United States. He was an honest man and a patriot. The Colonel (13) lived at his fathers old place, the present Manley Place, and is buried in theprivate grave yard on it. The Col. and Mrs. Bunch had the following children. McDonough J. Bunch, a handsome high spirited man, born about 1823, was the principal clerk of the State Legislature, 1845-46, held a Majors Commission in the period of the Mexican War, went to Mississippi and established a very successful law practice. Was killed in a duel well before the Civil War.

April 15, 1960.

Dear Mrs. King:

On March 30 I wrote you a letter enclosing a writeup of Grainger County, Tenn., and extracts taken from Public Records. Also telling about the five Bunch brothers who came to Alexandria Va. from Scotland in 1732. Hope they reached you safely.

With this letter I am sending you extracts from public records of Bertie, Chowan and Perquimans conties, North Carolina. Also enclosing copy of Jesse Bunches Diary which Washington Bunch of Osceola, Mo. sent me. It had been water soaked and badly blurred and I had to use a strong magnifying glass to read contents. By combining data in diary with other data I have, I am convinced that Jesse born in 1773, who married Elizabeth Pulium in 1799, was son of John Bunch 1747 and wife Hannah Cruze. Of my Great, Graat, grandfather David's nine sons, I now have record of his son John, two lines; Pouncey, two lines; and William, ~~xxkxxxxx~~ 2 lines. I believe that Nathaniel b. 1793 was also one of his descendants but have been unable to trace connection. I have a lot of data about descendants of John Bunch, 1747, through his son, Josiah Cruze Bunch. There is a lot of it but I will try to make copy and send it to you. It was sent me by Mrs. Thomas Taylor of Loveland, Colorado. She starts with John and Hannah Cruze Bunch whom she says ware worn in England. In that she was badly mistaken as they were descendants of the John Bunch who according to Nugents Pioneers & Cavaliers of Virginia, came to New Kent County in 1652, which would make them of 5th generation in America. Do not return any of these papers.

After disagreeable Feb. and March weather, we are having seasonable weather. Two days ago tree in from of building commenced to bud. It won't be long before I, from my chair in corner, will be able to see green foliage ##, instead of bare limbs of trees.

Sincerely yours,

R. H. BUNCH

Daer Mrs. Bunch.

On March 30 I wrote you a letter enclosing a write up of Grainger County, Tenn. and extracts taken from Public Records. Also telling about the five Bunch brothers who came to Alexandria Va. from Scotland in 1732. . Hope they reached you safely.

With this letter I am sending you extracts from public records of Bertie, Chowan and Perquimans counties North Carolina. Also enclosing copy of Jesse Bunches Diary which Washington Bunch of Osceola, Mo. sent me, It had been water soaked and badly blurred and I had to use a strong magnifying glass to read contents.
By combining data in diary with other data I have I am convinced that Jesse born in 1773, who married Elizabeth Pulium in 1799, was son of John Bunch 1747 and wife Hanna Cruse. Of my Great, Great Grandfather Davids n nine sons I now have record of his son john two lines Pouncy , two lines and William, two lines. I believe that Nathaniel 1793 was also one of his descendants but have been unable to trace connection. I have a lot of data about descendants of John Bunch, 1747 through his son Josiah Cruse Bunch . There is a lot of it but I will try to make copy and send it to you,It was sent me by Mrs. Thomas Taylor of Loveland, Colorado.She st starts with John and Hannah Cruse Bunch whom she says were born in England. In that she was badly mistaken as they were descendants of the John Bunch who, according to Nugents Pioneers & Cavaliers of Virginia,came to New Kent Countr in 1652, which would make them of 5th generation in America.DO NOT return any of these papers.After disagreeable February and March weather we are having seasonable weather Two days ago trees in front of buildings commensed to bud It wont be

long before i , from my chair in corner ,will be able to see green foliage on, instead of bare limbs of thees.

Sincerely yours.

Dear Cousin Geneva.

I made a copy of a letter written to Tilghman Bunch by Mrs. T. H. Taylor of Loveland Colorado Which I thought you would like to have. Became tired and made an awful mess of it. so that I typed on back of sheet instead of new page . Thought of doing it over again but decided to send it as it was.

I found a letter written by Hannah Peterson which I know you will be pleased to have. As you will see she tells of a Bradley Buncg and his son Thomas Stanford Bunch who are of the Nathaniel 1793 family. She also bri in Guy L. Bunch a descendant of Paul ,one of the 5 brothers who came from Scotland to Alexandria, Va.in 1732. Stanfords wife was born in Raliegh, N. C. I wonder if she was descended from one of the 5 brothers? Mrs. Taylor and Hannah Peterson are of the same family.. Some 35 years ago I met another of that family.One Saturday I was playing golf and my wife and daughter bridge at Country Club. When my daughter changed tables she was introduced to a Mrs. Lucas who said her mother was A bunch. . She and I were great, great grand children of David Bunch 1722. We became very intimate for many years before she died. She, Mrs. Taylor and Mrs. Peterson Are all descendants of John Bunch 1747 and his son Josiah Cruse Bunch.

Sincerely
Cousin Dego

The fact that you have been able to verify the purchase of the book from the Rev. John Poindexter by my great grandfather; Josiah Cruze Bunch seems quite interesting. It is ~~neth~~ rather hard to determine from the record in the old book who owned it first, my great grandfather or John A. Bunch,

In an accou nt of Josiah C. Bunches life(published at Crawfordsville Indiana,paper prior to his death) it is related that he left LouisaCounty, Va. in 1813 intending to settle in Kentucky.He heard rumors of a Cold Plague" raging there so settled in Grainger County Twnn. He was electedto the office of Justice of the Peace which he held for a number of years, After living there 15 years , in 1829 he removed to Elkton. Ky. From there 25 years later he came to Crawfordsville, Indiana. Here he passed away Oct. 25, 1875 aged 94 years, He had a remarkable memory and could perfectly relate incidents of his early life very clearly and he knewthe line of descent from Pocahontis and John Rolf through John Randolph of Roanoke down through generation. My mother often heard him relate it but never wrote it down so we have no authentic record of it. I think it is the maternal side. These names are just as recorded and are in different handwriting here and there thru the book.

Your communication of recent date has been received. I am much interested in the data you sent. The names are so similar it seems there must be a close relationship. As you know, I have the "Virginia Baptist". It was bought by by great grandfather, Josiah Cruze Bunch, and by his request bequeathed to the one in each generation who has done the most for the Baptist cause. He gave it to my grandmother Hannah Cruze Bunch Lasley, who in turn gave it to my mother Mary Susan Lasley Willis, and she to me, Jennie Lasley Willis Taylor. It has been used as the family Bible used to be as a family record. There are the records:

James Criswell and Sarah Bunch were married Jan. 31, 1819.
Jan. 31st James Criswell has been married 20 years.

William Bunch, son of John & Hannah, departed this life on Aug. 4, 1811, aged 34 years, 11 months and 20 days.

The origin of the Bunch Family (as came down to us) was from John and Hannah Cruze who were Quakers and came from England. In trying to look up the past History by members of the family, it was learned that many records were lost by burning of Court House of Spottsylvania County.

Tucson, Arizona. June 1, 1939.

Dear Tilghman H.

Now to get down to business. I am enclosing another clipping,a picture taken from the Los Angeles Times. Midget (pocket size) auto in a race were John Bunch and Danner Bunch.. Don't know where they belong.

My sister and I went a few days agoto see the two Bunch familiesliving hereon east 7th street. Just about a block apart.

William Raliegh Bunch has been here nearly a year. He is quite frail, will be 76 years old June 18. He is a wonderful talker and he talks so fast I can8t keep upwwith hàm. He says he doesn't know much about his grandparents, he has been such a globe trotterso much of his life until he went into thee Custom Service in San Francisco but he does know that his grandfather was named Henry. His father was named David. His mother was Mary Phillips. He had no brothers and only one sister, thinks she knows more of the family history than he does. I asked him if he knew where Robert LeeBunch lived and he told me that if I would write to Guy L. Bunch of Raliegh N.C. he could tell us about him. This Gu Bunch (I understood him to say) a cousin of his (Wm. R.) and a brother of Robert Lee.. He said that he did not know his street address but a letter addressed to himjust at Raliegh would reach him because he was well known and had lived there all his life.

The other Bunch family here is Edwin Bradley Bunch , and his wife. He is a Railroad man. Didn't learn in what capacity. His wife was a lovely lady, almost blind. They have lived in Tucson 25 years . His mother is with them now, a dear old lady whom I would take to be near 80. This is what she told me about her husb nds people. Bradley Bunch lived in Little Rock, Ark. His wife was Jennie ---- ? He has 3 brothers, Nathaniel Smi Columbus, E. ConwayBunch and she had forgotten the other name.

Bradley Bunch was a State Senator(Little Rock) Speaker of the House 50 or 60 years ago. His son Thomas Stanford Bunch , was born in Arkansas. He was at one time County Attorney of Conconine County, Arizona and afterward Judge of the Superier Court for many years at Safford Arizona. The wife (widow) of Judge Thomas S. Bunch, was Mary Scarsborough daughter of William Branch Scarsboroughnd Minerva Denny ? She was born in Raliegh N. C. They had 2 sons. One living here and the other, William Hugh Bunch living in Globe Arizona. Well, s far so good , Maybe another time I can dig up something more. Perhaps some dates I didn't get.

Dear Cousin Geneva.

Your letter of 12h enclosing data of Nathaniel Bunch family received. Many names have been added since I made up the genealogy 22 years ago.Names of many born since that time. about 50 descendants of Lee Bunch who married 1st, Tennessee Newbury, 2nd, Ernestine Hamby. When Nathaniel Calvin Bunch and others sent me data they said that Lee and Tennessee had gone weast and had been lost track of. Some years later I read in paper that a Colonel Bunch was killed in accident at Shaffer Field California and that Allen Bunch, his father lived in Bakersfield. I wrote Allen telling him that I was tracing the Bunch family. In reply he said that his parents were Lee and Tennessee Newbury. I then wrote him , telling him that Nathaniel Calvin has sent me a lot of data about the Nathaniel 1793, family and gave him Nathaniel Calvins address. I also wrote to Nathaniel C. telling about my discovery ofLee and Tennessee.Heard n nothing more about them until I received data you sent me. So, I think I started ball rolling which resulted in the finding of some 50 descendants of Lee and his two wives. I am glad that you found the material I sent you about the Grainger County Bunches interesting and valuable. Hope you may be able to find the missing link between Kentucky and Virginia. Some 3 years ago I received a letter from a Mrs. Edward Bunch of Silver Springs, Md. asking if I could find her husbands place in family. From data she sent me I could not do so but sent her a lot of names so she could try to do so. She wrote thanking me and I thought no more about it . A couple of weeks ago I wrote her suggesting that she write to you to see if you could help her. Looking for her letter so

a

as to get her address I found it was written in Septl 1958 . in which she said her husbands grandfather was Gideon and great grandfather Reuben, (Information she had not given before) I found in my files, that Reuben and Gideon were descendants of Pouncey Bunch, 1790, who was brother of my grandfather, James Bunch.
I destroyed letter I had written and wrote Mrs, Edward Bunch that I had placed her husband. Told her that if she would give me information , date of Gideons birth,whom he married and names of his children, (Her husbands father, Jesse Bunch was one) and when she and her husband were married I would make up her Family Treefor her.
It has been nearly 2 weeks since I wrote to her but I have not had any reply.

Now what you say about Mrs. Jewel Britton of Ft. Worth, Texas. having traced her ancestry back to Henry who left a will in Bertie County. The names of the 5 Bunches who came to Alexandra Va. in 1732, as.given by Guy Bunch, were Paul. Jeremiah, Malachi, David & Henry. There is no doubt in my mind but that they were the family unrelated to Virginia Bunches which my father said settled in Carolina. In copy of Hannah Petersons letter I gave address of Guy Bunch.

As for the George Bunch from whom Emmet Bunch said he was descended. I think, like Viola Slough, he was mistaken. Viola said she was descended from one of the 5 brothers but on examining Family Bible she found that she was a descendant of Pouncey Bunch, 1790 who was my grandfather James brother. They married sisters by names of Frances Jane and Sarah Flanagan of Fluvanna County. Pouncey settled in Albemarle County about 17 miles S South West of Charlottesville while my grandfather Settled in Fluvanna County.
While Emmet Bunch said he was a descendant of George, one of the 5 brothers ,he said he did not remember names

of the others. I think you might as well forget Emmtes George.

I have been trying to figure out who could have been father of Charles, 1740, who was father of Nathaniel, 1793. Was not David, 1722 as I have names of his children, taken from Davids Bible David , in order of his fathers will, was the fourth of five sons, born in 1722. He was onl7 18 when Charles was born. Assuming there were intervals of 2 years between births Nenry , the 3rd son would have been 20, William the "nd, 22 and John, the ist, 24. If intervals were shorter they would have been younger. Therefore, I think Charles father was of preceding generation(The 2nd in America 0 but we have no record of them.

We have been having peculiar weather. Last Sunday thermometer registered 86 at 4 P. M. at 6 o'clock the next morning it was only 48. and has not been above 60 since then. No change in my condition. No aches or pains

Sorry to hear that you have some heart trouble You should follow me, From 78 to 85 years of age I had three check ups and doctors all said that my vital organs were insuch excellant condition that i would live for 25 or 30 years more. In 1955 cardogram showed my heart in such excellant condition tha doctor could not believe it and had another taken which showed no change. He said that my heart condition would be considered fine for a man of 45 or 50 whereas I was 90. It is time to quit.

Sincerely
Cousin Dick
R. H. Bunch

P.S. 7 P.M. Just received letter from Mr Edward Bunch

Chicago, May, 18,1960.

ar Cousin Geneva.

Your letter of the 4th inst received. Was interesting to find the names of John and Roger Pouncey. which appeared in the Vestry Book of Blissland Parish.

I have wondered where the name Pouncey came from. Never heard it except in the Bunch family. That also applies to mame Suprey. John Pouncey may have been an ancester of mine but am inclined think that he was a neighbor after whom a Bunch named his son. That was a common practice in olden days. John Pouncey was allotted 450 acres of land for transporting and bringing nine persons into Colony of Virginia. "To have and to hold." I think they were called Indenturned Servants. Note what you sent about a Richard and a Jeremiah Bunch serving in the Revolutionary War. Richard was probably an ancestor of mine, but I was not named after him. I was named after Richard Haney, a circuit riding Minister in Illinois. He was a close friend of Abraham Lincoln and a friend of my parents who called him Uncle Dick. Shortly after I was born Uncle Dick came to see us and father said he would like to name me after him if he did not mind. He looked at me and said You can name himafter me but he will never be a Preacher, Not with those eyes." There must have been something distinctive about my eyes. in 1938 my niece Irene phoned that my brother was in hospital and Doctor said he could not recover so I went down to Peoria, He hung on for nearly 2 weeks . I looked up people I knew before I left there in 1886. I went to see the last teacher I had. She was in front yard and I recognized her. I said, Miss. Mary I am one of your pupils. Do you recognize me ? She looke after me for a few moments and said, " Yes, I do, you are Dickey Bunch,I recognize your eyes, Do they still call you Dickie?" Then I went to see a Meredith Love who attended the same church. He had the same boyhood features so recognized him as soon as I set eyes on him. At first he did not know me, but in a few moments he said,You are Dick Bunch I recognize you by your eyes. About Jeremiah Bunch who served in Revolutionary War. Based on the name Jeremiah I think he descendant of some of the Five brothers who came from Scotland to Alexandria in 1732.. Not as you figured a descendant of Nathaniel Bunch, 1793. As for Nathaniels father. As I recollect I said I did not say I thought that hewas son of one of Davids brothers, but of the preceding generation.(the second generation in America.)

This has nothing to do about the Bunch Family. I am induced to write it because of what you say about heart trouble. Some 50 years ago I felt a pain in arm, on outside, midway between shoulder and elbow. Thought nothing about it as thought must have struck it.but it worked up to shoulder, my arm became stiff and slightest jar would cause it to hurt like Sam Hill. I consulted my family doctor who could not make out what caused it. Said it might be bone trouble but did not think so. Had ez-ray which did not indicate it. One morning had a catch in back when I was getting up and had to have hot compresses applied before I could dress. Went to my office and told associate that I was going to Mt Clemens Sanitarium to see if they could help me. He suggested that I go to Battle Creek, Mich.and see a J. L. Raymond. He examined arm and back and said I had had a bad fall and demonstrated how.I told him I had but some three years before.He said that a vertabre was out of line, that spinal cord had tightened up pinching nerve, causing my trouble. He said that after reaching middle age a man should have spine loosened up occasionally. He then felt my neck and said I had bad headaches. I had had them for years and said it was neuralgia.He said there was an adhesion, conjestion wouldstop circulation Then he felt other side of neck and said I was havin ear trouble. That there was an adhesion . Again he was right . I had been going to specialist for several weeks. A heavy film formed over ear drum and he would wash it out but it reformed. Then he run fingers down my back Suddenly stopped and asked me when I had hurt myself there,My mind snapped back about 30 years when I felt a snap in my back whenlifting a stovewhich had been moved to summer kitchen, so legs could be put back on. He said that I was not getting benefit of intestinal digestion and was reason I was so thin, I was 5 ft.11 in.and only weighed 130 pounds. He then broke adhesions in neck,fixed place in lower back,then had me lay face down on bench,stood on a stool, put palm of hand on place causing arm trouble ,his other hand on top and came down with all his might.I felt vertabre slip back in placbut for several minutes my arm was like a jumping tooth ache. He said that I would be alright andgain 10 pounds in yrars time.I did better than that, starting fast and then weight gradually increased until I reached 150 lbs. He wanted me tostay in Battle Creek 3 0r 4 days s[illegible]e could get arm started on loosening up and straightened out. I was so impressed with quick cure of arm trouble that I wired my wife who had stopped at Philadelphia, on her way from Auburndale,Mass. where she went to see my daughter who was attending La Salle Seminar to, t Come to Battle Creek. She had been having terrific head aches for more than 25 years, and Doctors inNew York State, where she lived and in Chicago never could help her, They were so severe that some times she would become unconscious. She also had poor circulatio so poor that hands and feet would get so cold that there was no feeling in them. Then for several months she was menstrating ever 10 days to 2 weeks. When she arrived at B. C I took her to Raymonds office. He had her in operating room for about half an hour and the took me in room and showed me places in a skelleton which were out of line ,causing all her troubles. The headaches were caused by curve at base of spine. Some 25 years before a hors she was riding stumbled , she went over its head and lit on bottom of spine .

She lived 32 years longer and never had another head ache or circulation trouble and menstrating periods became normal. A few years later I had a letter from a cousin inClifton Forge, Va.stating that she was having heart trouble. and Doctor would not let her visit a sister who lived on top of a steep hill. I had her come to Chicago and took her to see Raymond who said there was nothing wrong with heart, that a slight irregularity in spine caused a little fluttering. He corrected it and told her to go on home and pay no attentio to it. Perhaps a good Osteopath or Chryopractor might find some irregularity in spine is causing your heart trouble. We have been having peculiar weather for past three weeks,Two weeks ago Sunday thermometer registered 86 at 4 P M. 52 48 at 6 A. M. next morning and it was cold and rainy for 12 days.A week ago Sunday it was '4 at 3 P. M. 52 the next morning and cold and wet until today. . I have been worrying about youas I read about storms and tornados in Oklahoma. Where in State is Nowata located?

Dear Cousin Geneva.

Your very interesting and informaTive letter of 23rd ult received. I was in hopes that Osteopath would find that trouble was not a bad heart but some spinal irregularity as was case intwo instances I told you about. In build you are not like my fathers brother William who was 6 ft,2 inches and weighed only 120 pounds. But you are not as heavy as two wimen I met at French Lick resort in Indiana some 50 years ago. They were Mrs Bracken and her teenaged daughter Babe. Mrs, Bracken weighed 350 pounds and wore a 1¼ shoe. Babe was about 5 ft. 2 and weighed 250 pounds. The next year I went there again . After breakfast I played a round of Golf . As I was going back to hotel I saw two Wimen walking in park. I thought one was Mrs. Bracken but other was too small to be Babe. I lookedin writing room when going to dining room and a small young woman spoke to me. She was Babe. who only weighed 120 pounds. She said that after leaving French Lick last year she went to Pittsburg, Philadelphia and New York, had some stomach trouble and weight came downtol20 lbs.

We have been having delightful weather for last few weeks ,temperature got as high as 85 only three times. Have had quite a lot or rain so grass and shrubbery are green, Temperature has not been as high as 75. We have an excellent Air Conditioner. Bought itlast year Took it down last Fall and have not reinstalled it yet. but will do soon. It had been used about one year when we bought itand was in perfect condition The retail price was $385 but we only paid $7 .0 fpr it. Adjust it one way and it brings in cooled air,another way and it sucks stale air o t o room. I judge that you live some distance from Nowata and as you built a new ha shed

I presume that you keep horses, cows or goats.and also have quite a garden. When I was a boy we had quite a large garden where we raised, lettuce, radishes, onions beets, beans, peas, tomatoes,cucumbers,potatoes, cabbage and sweet corn. Do not recall ever seeing carrots at that time. How things have changed since I was a small boy.. I have an excellent memory, especially for what I see, It is called a Photographic Memory. I can close my eyes and visualize people, places and things as Isaw them nearly 90 years ago. I recollect seeing loads of frozen carcasses of hogs which farmers had slaughtered and brought to town, which they sold to householders. Father used to buy one or two and family had task of cutting them up rendering the leaf lard and doing other processing. including pickling the feet. I think that the greatest change is in way food is handled There was a Grocery near our home,A little way from front,on left side was a counter with piles of brown paperfor wrapping things purchased. Back of it stretching across st re were hogsheads of dark brown and of light brown sugar, barrels of kerosene, vinegar and molasses.boxes of crackers. driedcurrants, apples and peachesIf customer wanted kerosene the brought a can,if molasses a jug and after filling it grocer would plug it up with a corn cob. There was no roasted coffee so housewife had to buy the green bean and roast it. There were no canned fruits and vegetables. There were no Paper Bags so every thing had to be wrappedin sheets of paper on counter. Grocers did not carry fresh vegetables andfruit. Quite different to the present day Super Markets where shelves are loaded with thousands of packages ,cans and bottles containing all sorts of food.Frozen fish ready cooked so that they only have to be put in oven and warmed up. Meat and poultry pies which only have to be put in oven and baked for about half an hour.

Yesterday I received a portCard from J. B. Bunch of Albany Mo, advising me of the Annual Reunion of the Bunch Family at Springdale Arkansas. Wish I could be there so as to see what Bunches there looked like. As there is a strong resemblance in features and mannerisms which run through the family I would like to recognize some of them. In 1897 I met my Uncle Reubens grandson Charles Desper . Shortly after that my wife showed me a tintype and asked me if I knew who it was. I thought it was my brother John It was Charled Desper. Some 30 years ago I was playing Golf at Country Club and my wife and daughter were playing Bridge. ,When I was walking from last green my wife ran to meet me and said she thought she had found a relative of mine. When changing tables my daughter was introduced toaMrs. Lucas said her mothers maiden name was Bunch. Like myself she was a great, great grandchild of David Bunch, 1722. One day her sister came to call and was met at door by our maid, Margaretwhohad been with us for many years. My sister Fannie had visited us and Margaret had seen her every day for about two weeks. When Margaret met her at the door she said, Why. Mrs. Furst when did you get in town.

In looking through my file I found some Bunch material and am enclosing copies of same. Thought you would like to have them.

You never told about your family and whomit consisted of although I believe you mentioned a daughter

Sincerely.

I think that tha Paul Bunch who patented 400 acres in Hanover County in 1724 must have been a son of John Bunch, 1652 and that a search of Vester Books of St Peters and St Pauls Parishes might give information which would enable one to connect the John Bunch, 1652 , with the John Bunch who died about 1741. I believe that they were grandfather and grandson.

Dear Cousin Geneva.

Your letter telling me about Reunion and enclosing pictures taken at same, and of your grandparents received . I started to answer same time ago but decorator came to do cleaning and painting so I had to get out of thei way and did not finish . The letter was most satisfactory as it told so much about your family. The group pictures were so dim that could not see much how people looked like and am not sure I picked you out. The picture of your grand parents and children was extremely interesting. In it your mother looked as though she was about six My daughter was born in 1891. Would like very much to have pictures of you and Garland. I told you about Betty (Mrs. Edward L. Bunch) of Silver Springs, Md.and finding her husbands place in thr Family. .Some time ago she sent me pictures of their daughter and son and in July she had print made of picture taken of her husband and his father, ten ears ago, Hope to get one of Betty. Her grand father was half Chickasaw Indian. I am enclosing snapshots of my daughter and myself taken last November. Not very good but show what we look like. There is not as much of me as there "used to was" When I attained my growth I was 5 ft. 11 in. and weighed 150 lbs. I have shrunken to % ft. 8 which Doctor said was due to flattening of spinal pads, and only weigh 134. We had a week of very hot weathe when thermometer registered 93, 95, 96, 97. 100 .96 and 95. .A heavy storm came up and temperature dropped from 96 at 5 P. M. to 71 at 5 the next morning, It has been mostly in the 70's for last week and as low as 55 at night. You say that you like to eat.. Wish I did Have no desire to eat No distress r indigestion, Simply cannot force myself to eat. My daughter got me some vegetable tablets Uncooked dreid and powdered celery, Lettuce, kale, spinach beets, carrots and kelp. My pick up after eating them was marvelous and am eating better. I agree with Doc. about frozen foods, Whether fish, flesh , fowel or vegetables freezing destroy flavor.

You said that you watched Conventions on T. V. and was dissapointed. I listened on Radio . Do not have a T. V. as my eyes are bad and cannot stand strain.
I was highly pleased at selection of Nixon and Lodge.
Nixons speech was a revelation . I never heard him before.
He has a splendid delivery and was convincing. Lodges speech was good, So that you will not missunderstand how I stand politically I cite my past.
My family had always been Democrats and I was the first to vote Republican, I cast my first Preseidential vote for Harrison & Morton in 1888 because at that time the Democrats were for Free Trade or Tariff for revenue only whereas Republicans were for a Protective Tariff. I felt that we needed it so as to become an Industrial Nation.
I have always voted for Republican for President, EIGHTEEN TIMES, but have voted for Democrats for Senate and Congress. For Governor and other State officials, and for County and City offices. With exception for President I have voted for candidate I thought best, or least undesirable. I know some who have always voted Democratic who are going to vote for Nixon and I presume there Republicans who are going to vote for Kennedy. It is so cold today that I have to wear a heavy jacket.

Sincerely.

Dear Cousin Geneva:

Another year is almost ended. As, whereas I had been hospitalized for a total of 174 days in precedinf 5 years and have not had slightest illness or ache or pain this year has beengood to me.
My association with you and Betty Bunch of Silver Springs Maryland Has given me great pleasure even though it has only been by U. S. Mail. Last week I received 4 Kodak pictures from Betty. One of Betty standing in front door of brick house EdWards father designed and built. One of Batty and her daughter Susan 18, one of Edward and one of son, Jesse Clement 12. Several weeks ago I wrote you a letter, enclosing pictures of Alma and myself an suggested you send me pictures of yourself and Garland, Am surprized at not hearing from you. Hope that you received them ,

Dear Cousin Geneva.

Received your undated letter acknowledging receipt of picture of Alma and myself and picture of you and Garland. Was sorry to learn that you had both been ill. I trust that you have both fully recovered,
What a lot of illness there has been in the Bunch family :
I received a Christmas Card from Tom.Desper,grandson of my fathers brother Reuben. His wife told me that Tom had failed so much mentally that they sold their farm in Earlyville and were boarding in Charlottesville, Some 7 or 8 months ago I received letter from my Aunt Elizabeths granddaughterwho had had a stroke and was living in a Nursi ing Home i n Norfolk., telling me that her brother, Jimmy g was in such poor health that he was going to build an apartment in Springwood so that his son who runs a store there could look out for him. For many years I have received Christmas Cards and letters from them. Am worried as did not hear from them this Christmas. received letter from my Aunt Elizabeths granddaughter who lives in Everson Va. saying that her husband had had a second heart attack They bought a house in Cape Corak, Florida and would move there the first of the year. Am puzzled about picture of you and Garland: You never told me his age. He looks nearly as old as I am((Will be 96 on Feb.24th)so looks old for his age or it was a case of Cradle Robbing when he married you. I am enclosing copy I made of Lineage of Edward L. Bunches ancestry. They live in eastern shore of Maryland. There is an article in the Dec. 17th issue of Saturday Evening Post, entitled Delightful Eastern Shore It covers period of more than 300 years . I think you would be interested in reading it.

With love.

Cousin Dick

We had Christmas Dinner all by our lonesome as Alma was so tired that she did not feel equal to cook a big dinner and wash dishes afterward. A number of friends dropped in in afternoon and evening and Monday so we had a good time,

I have developed quite an appetite for food and eaten more the past week so am feeling much better both mentally and physically. Maybe I will get enough strength so that I will be able to get about without using my walker.That would be glorious.

Dear Cousin Geneva:

Your letter of 23rd received. Was sorry to learn that you were having so much illness in family and trust that have not been having any more since then. Thank you for your Birthday Card. You said that you were born on Feb. 25th 1913. Have entered it to list of others birthdays. I cannot get out to get Card for you so you can consider this a greeting. My health continues to be perfect./ I am entitled to respite from illness as in precedinf 5 years I had so much serious illness that I was hositalized 4 times for total of 174 days. Had a somewhat extended birthday celebration. Saturday night had five guests , visited, played Canasta and had birthday cake and other refreshments. Sunday we had six different guests for a Buffet Supper. Had another Cake. Had some snapshots taken Saturday night. If any are good will have some prints made and send you one. Had lots of Cards and presents. Among latter are a pair of beautiful Chinese Lanterns sent me by a Chinese friend in Formosa who is head of the National Chinese Government Communication Department. Will be busy for few days writing Thank You letters. I hope that your new business venture will be a success. It will be good for Garland to have something to occupy his time,, good for his mental health. It is a nice sunshiny day. Have had nice weather for last two weeks.

Dear Cousin Genewa.

Received the copy of Bunch Genealogy and am delighted with it. Was surprized at ammount of data taken from what I sent Nathaniel Calvin Bunch but very much surprised that nothing was said about the five brothers who landed in Alexandria, Va.from Aberdeen Scotland in 1732. and evidently settled in north Carolina. These five and the John of 1652 are undoubtedly the prOgeniters of nearly all Bunches in country. I received letter from Nettie Pitcock Which has me puzzled. She gave me her Lineage starting with a Charles Bunch who was born in 1722 and died in 1776I do not believe there was such a person. He would have been her Great,Great, Great , Great Grandfather and only 18 years of age when his son also Charles was born and latter 53 when his son Nathaniel was born. Then my Great, Great Grandfather, David Bunch, according to his Bible Records was born June 24, 1722 and died April 18 1766. . The two would have been first cousins and it is highly improbable that their fathers would have had sons who were both born and died the same years. Nathaniel Calvin did not know who Nathaniel 1793, father was and Veterans Adminnistration said names of his parents not given . Therefore we have only statement of Ada Hill that there was a Charles Bunch born in 1740 whom she said was Nathaniels father.

In looking over my records I find that David 1722

had a son Nathaniel who was born July 25, 1767. who possibly could have been father of Nathaniel 1793 as he would have been 26 when latter was born.
But I think there was some reason which I cannot recall that caused me to decide that he could not be.

I am enclosing my check for $ 5.00 for which please send copy of Genealogy to.

Dear Cousin Geneva.

Your letter of 15th received yesterday and I am in a hurry to answer same as you had asked Nettie Pitcock tto send book I had ordered directly to my nephew at Wilmington and it would not be in binder as mine was. It is absurd not to have it in a binder so, if it is not too late cancel order and refund money I sent you. She should not expect to get $ 5.00 just for a lot of loose leaves. I have written several Bunches to whomI sent Genealogy that they could get copy by sending you a order , and Five Dollars. If you get any orders please tell them that I told you to return money.Net Netties mimmeographing and assembling data was rotten There is an old saying. " What is worth doing at all is worth doing well. " She should have left wider margin at left side so that printing would not be covered by binding . She should have been more careful with her spacingand not run things together as she did families of William & Nancy Bunch and Pouncey 1750 and inventory of estate. PAGE % .

You said that Allen Bunch said that Davids-1722- sonnathaniel 1767 was father of Nathaniel 1793. But you said that he could not be....Am afraid that I must disagree with you. as Nathaniel 1767 would have been 26 when Nathaniel 1793 was born.

There is surely a mixupp . You said that tho Samuel Bunchs name was not mentioned in transfer of land in 1742, which was eft to his sons, John, William Henry, David and James he was named in will as royher of David 1722 - 1776. It must have been will of another John

Party who got record of land transfer said he could

not find will , that it must have been filed in Hanover County and destroyed during Civil War along with all other records. If David and SSamuel were brothers but it is unlikely that they would have both died in1776.

i did not find record of William Bunch 1803 inbook you sent me, It is quite important and will endeavor to send you a copy within a few days

this will be a quiet Christmas with us as all of our close friends have eiyher moved from Chicago or out of city, Just the two of us,

Have a good time and do not o ereat,

Dear Cousin Geneva.

Should have answered your letter of Sept 22nd long ere this but just have not done so although have started to do so several times. Am sorry you are having more heart trouble which you say is due to high blood pressure. We might divide as mine has always been abnormally low. With me 125 is high. Very little change with me. I still do not Eat as much as I should and have not been sleeping at all well. so spend more time resting on couch and less in my chair in corner. It becomes rather monotonou . Have not been out of apartment for more than two years excepting to visit neighbors down the hall, How different things would be if a nurse helping to care for an old man in room with me hadn't noticed me when I had inflamation of gland, He saw I was not breathing right and called for Doctor I was blissfully passing away but they brought me back to life The same thing occurred a few days later.. It is unfortunate that they did. as Have been hospitalized more than 170 days. Have been a care and sorry for my daughter and thousands of dollars of expense. I will welcome the time when I am called to join my ancesters. This enough about myself. I am not so keen about getting information about the Bunches but would like to have Nettie Pitcocks booklet and am enclosing my check for $ 5.60 in payment Please have her send me one. Only family news I have had lately was a letter from my uncle Reubens granddaughter , Florence Foster who with her daughter in fine old brick farm house at Batesville Va. Her husband, brother and brother inlaw died a few years ago and a brother has had to be put in a Nursing Home in Charlottesville and 86 year old sister has been confined to bed since April . The Bunches have been moving, I lived in Buffalo in 1886- 7 and 88 and was the only Bunch there and only Bunch here in 18 8 was a Negrp Insect exterminator, There are some records I would like to see Those had by Guy L. Bunch who in1 7 was Sprintendant of ~~Raleigh~~ Raliegh Iron Works Walter Bunch of Asheboro had his daughter go to see him He told her it would take weeks to copy data he had, promised to sen her some but never did, His records might help us locate some of Bunches we have been unable to place

Will always like to hear from you .Hope you and Garland will have better health its no fun being sick

Sincerely

Jan. 23, 1962.

Dear Cousin Geneva:

It is high time I wrote to you. Started some but never finished. Have been looking at Genealogy you sent me and have been disgusted with much of it. How an intelligent person could turn out such a messy job is beyond my comprehension. In making stencil she did not leave enough space at left side so that nearly half an inch of letters were covered by binder. . From page 70 on she did better.Also she crowded too much , did not space properly and in starting a new line,such as Aunt Biddies Journal ,started in middle of page instead of a new one. She had statistics of David & Marys Bible and Pounceys 1750 family on same page . Even with crowding there was not room enough. I replaced same. Davids Bible statistics completely filled a sheet so had to put Pounceys on new sheet. and used balance of page for family of David Bunch 1822. Now for ancesters of Nathaniel 1793. You said that Allen Bunch figured that Nathaniels father was Nathaniel 1767 who was son of David 1722. But you said thatcould be. You also said that if parents of Nathaniel were Charles & Mary then this Charles was probably the son of Samuel who was a Quaker in Louisa County and was a brother of my great, great, grandfather David. As Nettie said her Charles was born in 1722 they would have been twins. The party who examined Louisa County records could not find will mentioned (Johns) and presumed it had been filed in Hanover County and destroyed by fire during Civil War. It might be that you have copy of will of a different John. You never sent me copies of wills mentioned. I have copies of several Louisa County wills but none of dates which would fit. In her letter Nettie said she had purchased Genealogy I sent Nathaniel Calvin from her mother and that her mother had taken several orders for family Genealogy at Bunch Reunion I see that Netties father was son of Leonides Lee, Bunch and brother of Allen P. Bunch. We surely have beenhaving a lot of weather here the last month. Three successive days of continuous sub zero weather and more snow so far this month than Winters normal Snow fall.

No change in my condition. Have not had to have service of a physician or an ache or pain in more than two years time. That is remarkable for a person of my age. Will be 97 on 24th of next month.

My daughter and I had Christmas " All by our lonesome " That does not seem right. Christmas and Thanksgiving are times to have relatives and friends together. All of my friends and associates have died of moved from Chicago and I have only one nephew and two nieces living
Trust you and Garland had a satisfactory Christmas and did not over indulge in food and drink. No danger of my overeating as I have no desire whatever for food. Only eat because I have to and then not enough to give me the strength I should have.

With love and good wishes.

Dear Cousin Geneva.

Was very glad to get your note and to know you and Garland had a comfortable winter. We have had a lot of winter weather up here., a lot of sub zero weather and ground has only been free of snow for one day since Christmas. Had snow yesterday and day before. None today but it is gray and cloudy.Had a nice birthdaywith lots of Cards. Very few people have an opportunity to send cards to person 97 years of age and they took advantage of the opportunity.

Among my birthday cards was one from Ruth Lipes of Columbus Ohio. She is great grand daughter ofmy fathers sister Elizabeth.She lived in Clifton Forge, Va. for many years before going to Ohio. She was back in Virgin last October , stopping at Batesville where she saw the Holy Cross Episcopal church which is in the Ragged mountains about 3 miles from Batesville. She sent me a copy of write up and picture of church inCharlottesville paper. I sent it on to Betty Bunch, wife of Edward L. Bunch of Silver Springs, Md. Edwards great, great, grandfather, Pouncey Bunch 1790 had a son John and a son William who had a son Newton Douglas.. The paper stated that a John Bunch donated land for church and a kindred of his, Newton Bunch was buried there in 1905. You and Betty are linked together in my mind as I received my first letter from both of you only a few days apart.

Now for some family genealogy. You said that Allen Bunch figured that Nathaniels father was Nathaniels father was Nathaniel 1767,son of David 1722. You said he was mistaken as John in will left property to son Samuel whos name did not appear in land transfer.

2.

The will you refer to must have been by a different John. In entry in Louisa County Records stated that John Bunch, deceased had patented 400 acres of land in Fredericksvill parish and in will left same to his sons John, William, He Henry, David and James. Will could not be found so must have been filed in Hanover County all of whose Public Records were destroyed by fire during the Civil War. I have record of many Louisa County wills but none fit. Wish you would send me what you have about will.

~~[illegible] made up and sold.~~

~~[illegible]~~

I have made some replacements in copy you sent me If you have a copy I will be glad to send you same.

With best wishes to both of you,

Dear Cousin Geneva.

Was glad to get your letter of 1st as I had been wondering how you were faring.. As you siid nothing about your health I presume that you are both well. Regret to say same about myself. I have broken badly the past few months. It seemed to have started by six successive days in Junewhen thermometer ranged from 91 to 94 and humidity was very high, Had not rein-stalled Air Conditioner so we sweltered. and I did not have gumption to do anything but sit in chair in my corner or lie on couch. Tried to write some letters but my think tank would not work so gave up doing so. I still have no desire to eat so do noteat but very l little, not enough to give me strength to walk around. Had quite a scare lsst month. I had taken a bath and after my daughter had put on my Colostomy outfit I s started to walk to my bed about 10 feet away but could not move my bad leg. I was temporerly paralized .Alma got a stool for me to sit onand inched it over to bed. After about anhour I was able to get up and dress. I was afraid that blood clot I had on lungs when in hosp-ital four years ago had not absorbed but was floating around and lodged and caused paralysis. No more trouble since then. That is no real trouble but poor circulat-ion causes numbness inl eg at times. Some 2½ years ago Doctor said I would have such trouble.

I am not surprised that your interest in family genealogy has abated. Same with me. . [redacted] contained in same. She got data about Nathaniel. 1793 family from copy of Genealogy I sent Nathaniel Calvin Bunch nd it was my discovery of Allen Bunch of.Bakersfield. son of Lee tennessee Newberry and he an children obtained information about their descendants. / There is one thing I would like to find out. What who was father of Nathaniel 17 3. Ada Hill said he was a Charles bunch who was born in Virginia in 1740. That would make him 53 years of age when Nathaniel was born.. I am inclined to believe that Allen Bunch was correct in figuring that Davids 1722 son Nathaniel who was born Feb. 25 1767 was his father. My reason for believing that Nathaniel was a descendant of David was tha latter had daughters Lucresea andWinny which names also appear inNathaniels family.These are unusual names. You said you disagreed with Allan as you found a will of a John bunch who left property to a Samuel Bunch(I think samuel is right) The Louisa records state that John Bunch had patented 400 acres of land in Fredericksville Parish and in will left 100 acres and homestead and 60 acres each to sons William Hanry David and James, I think will you refer to was that of a different John.

I have not had much correspondence with relatives during the pas few months. Have had several letters from Betty Bunch of Silver springs Md.and as she has sent mequite a lot of pictures of family I feel as though I knew them quite well. Bettys grandfather was a full blooded Nanticoke Indian. a tribe which lived on Eastern Shore of Maryland. Edward, her husband is a graduate of University of Maryland and has been with the Agricultural Department at Washington for many years and her daughter Susan will start her third year there this Fall. They have a son Jesse Clement 13½ years of age.

In reviewing the Bunches. None have been very prominent. There was a Samuel Bunch who was Congressman from Tennesee from 1833 to 1837, elected on theWhig ticket and a Bradley Bunch State Senator from Arkansas. There werelawyers and judges and several who were educaters. Just seem to have been "Run of the mill people.

Tilghman Bunch met many Bunches in his travels and search for information about family said that they were universally well thought of. Obituaries I have Report favorably about them. This reminds me of story about a Jew wosefuneral was being held in a Synagogue. The Rabbie was praising and praising him.Evidently his widow did not agree with him. She fidgeted and nudged her young son and said. Go look in coffin and see if it your father he his speaking about.

With exception of a week of hot weather in June it has been nice here. Weather during latter half of July ranged from 5 to 8 degrees below normal and has been for August so far this month.. Have practically lost interest in Family Genealogy but would like to get letter occasionally informing me how you are faring.

Sincerely

I have been failingtthe past year, Especially paast few weeks and may not be here much longer. This suits me as I cannot get welland staying in chair in corner or lying on couch, which I have done for five years has become monotonous. If I live until Februrary 24'thI will be 99 years of age. No Bunch of whom I have record haslived more than 95 years. I am ready to depart this life. My daughter will have to care for meas long as I live and she should have a few care free years..She was 72 last month

Dear Geneva –

This, I know, will bring you great sadness – but truly it is an occasion for thankfulness as Father had been failing gradually for several months – but since his birthday, shortly after which he had to be kept in bed he worsened so rapidly that we often did not see how he could last out the day. He had developed congestive heart failure, which is accompanied by pulmonary edema – the heart is not strong enough to disperse the liquid in the chest – and when his spirit finally slipped away from his poor worn-out shell of a body we were so grateful – for he could have gone on to a state where he could have suffered and I am sure that, while uncomfortable, short of breath and distressed by the accumulated phlegm he had not strength enough to rid himself of he was at no time in pain. But now that spirit is free of its physical encumbrances ~~and~~ it thus can really live and grow. And what more wonderful time could there be for that to happen than at the Easter season?

We had a beautiful service of memory for him yesterday and the church was full of Easter lilies for the services today. Incidentally - it was more like Christmas here than Easter. We wakened to a white world and it snowed continuously until about 6 - more snow than we have had in 3 years with deep drifts. But yesterday tho' rain & snow was predicted and it did rain in the morning the sun came out strong and bright by the time for the service.

You mentioned in your birthday card sending a rough draft to Father of a history of the Virginia Branches for him to fill in some missing information. My life has been so full just keeping things going I have not had time to keep abreast with the genealogy so I doubt that I could help you - for I have not studied it - nor do I have Father's amazing memory which he retained to almost the last! The last three weeks he was only partially in this world - and we could not understand what he was trying to say when he did try to talk & had the strength to do so. But for the most part he was irrational at the end -

and much that he said made no sense to us. Even as far back as Christmas he complained that he often wasn't sure whether he had done something or dreamt it. I always passed it off as of no consequence as I did not want him to begin worrying about it.

Your letters did so much toward making these last years interesting to him. It was hard to have to sit alone all day long - but there was nothing to be done about it as I had to be at work during the day. But he never complained to me, realizing how it was - nor about the discomforts and frustrations that he could not help but undergo. And he never made me any trouble. Those things that were troubles were situations over which he had no control (perhaps you did not know that, among other things, he had a colostomy as a result of his rectal operation seven years ago). He was truly remarkable and an inspiration to everyone who knew him. And now I like to think of him as having rejoined Mother and his other dear ones - and as soon as he has become accustomed to this beautiful transition we mistakenly call death - but is really a rebirth into a spiritual body - he will find a new work to do on his path to increasingly greater spiritual growth.

I hope this finds you better and I know Father will always be with you in spirit - just as he was when in his earth body.

With love

Dear Geneva:

I fully intended to reply to your letter of last April long before this, but, unfortunately, I had a bad letdown after the long strain was over and it is only now that I feel I have finally gotten my feet on solid ground and will continue to regain my strength, and some ambition. I have had some rest periods and some vacation but for the most part have tried to keep working, as that is necessary. Two four-day periods of induced sleep - the last one over Thanksgiving - finally have turned the trick and I am at last beginning to relax. Based on nervous exhaustion the outward trouble has been digestive, beginning with acute gastritis and I could neither eat nor sleep without difficulty. But that is over.

You have my fullest permission to use any of Father's material in your records of the Bunch Family of Virginia. There is so much here, and I have been too busy all these years to give it more than a passing glance, and not having any children to pass it on to I am not going to undertake a study of it now. But if you think there is anything you could use I'll try to dig it up and send it to you. However, I imagine Father sent you a copy of most of what he has. I wanted to make a pictorial tree long ago and got the chart but he never seemed interested in doing it. I was going to do the printing.

In this connection I received an announcement yesterday from a DeWitt Bunch, 35 Court Street, Buffalo, New York, of the Bunch Family Record, which is to be published monthly at a subscription cost of $3.00 a year, or 50¢ for a sample copy. He sent a form for me to fill in on myself and any information I have. Father might has recognized the name, but it is too close to Christmas for me to look through the records to see if I can find

Miss Alma L. Bunch

6850 South Ridgeland Avenue, Chicago 49, Illinois

the name.

Just after Father's passing I had a request for information from a Joshua Bunch in (I believe) Roanoke, Virginia, who wanted to learn something of his family history. All I could do then was to give him your name, as (I don't have the letter before me, so am not sure) some of his forebears lived in - was it Oklahoma or Arkansas. Also that of Tilghman Bunch, whose family lived in Tennessee, and there was also that state in his history. Did you hear from him?

You were right about Father. Particularly in the later years he did not complain at all to me, though he felt he had lived too long. We knew that he was lonely, but two women in the building took to coming in once or twice a day to say hellow the last year. It was unfortunate, but there seemed nothing else to do. I feel that the patience he acquired in meeting that situation has helped him in his progress in his new life, for I do not believe that we are required to undergo anything on this earth that is not necessary for our soul's growth. It has been so truly said that what happens to us is not of importance; it is the spirit in which we meet it that counts. These are all challenges to us and through them we grow. And that is the purpose of our temporary sojourn on this planet, long as it may seem to some of us. It is only a second in Eternity, and when one learns that it is easier to meet what comes, as part, or a small segment, of the great pattern that is our real life.

I do hope this finds you ever so much better. We are in the grip of Winter at the present, with quite heavy snow.

With every good wish to you this holiday season, and the hope that next year will bring you many blessings and improved health,

With love,

Alica

EXERPTS FROM THE LETTERS OF RICHARD H. BUNCH

Items of genealogical or human interest contained in letters written by Richard H. Bunch of Chicago to Geneva King, Nowata, Okla.

May 18, 1960.....was interesting to find the names of John & Roger Pouncey which appeared in the Vestry Book of Blisland Parish. Have often wondered where the name Pouncey came from. Never heard it except in the Bunch family. That also applies to name Surrey. John Pouncey may have been an ancestor.... or neighbor after whom a Bunch named his son... a common practice in the olde days. John Pouncey was allotted 450 acres of land for transporting and bringing 9 persons into the Colony of Virginia. They were called Indentured Servants. Note what you said about a Richard and Jeremiah Bunch serving in the Revolutionary War. I was not named after him (Richard). I was named after Richard Haney, a circuit riding minister in Illinois. He was a close friend of Abraham Lincoln and a friend of my parents, who called him Uncle Dick. Shortly after I was born Uncle Dick came to see us and father said he would like to name me after him if he did not mind. He looked at me and said..."you can name him after me but he will never be a Preacher... Not with those eyes." There must be something distinctive about my eyes. In 1938 my niece Irene phoned that my brother was in hospital and Dr. said he could not recover so I went downPeoria. He hung on for nearly 2 weeks. I looked up people I knew before I left there in 1886. I went to see the last teacher I had. She was in front yard and I recognized her, and said, "Miss Mary, I am one of your pupils. Do you recognize Me?" She looked at me for a few moments and said, "Yes, I do, you are Dickey Bunch, I recognize your eyes. Do they still call you Dickie?" Then I went to see a Meredith Love who attended the same church. He had the same boyhood features so recognized him as soon as I set eyes on him. At first he did not know me, but in a few moments he said " You are Dick Bunch. I recognize you by your eyes".........

July 7, 1960....when I was a boy we had quite a large garden where we raised lettuce, radishes, onions, beets, beans, peas, tomatoes, cucumbers, potatoes, cabbage and sweet corn. Do not recall ever seeing carrots at that time. How things have changed since I was a small boy. I have an excellent memory, especially for what I see. It is called a photographic memory. I can close my eyes and visualize people, places and things as I saw them nearly 90 years ago. I recollect seeing loads of frozen carcasses of hogs which farmers had slaughtered and brought to town, which they sold to householders. Father used to buy one or two and family had task of cutting them up and rendering lard and doing other processing, including pickling the feet. I think that the greatest change is in way food is handled. There was a Grocery near our home. A little way from front, on left side was a counter with piles of brown paper for wrapping things purchased. Bak of it stretching across store were hogsheads of dark brown and of light brown sugar, barrels of kerosene, vinegar, and molasses, boxes of crackers, dried currants, apples and peaches. If customer wanted kerosene they brought a can, if molasses a jug and after filling it grocer would plug it up with a corn cob. There was no roasted coffee so housewife had to buy the green bean and roast it. There were no canned fruits and vegetables. There were no paper bags so every thing had to be wrapped in sheets of paper on counter. Grocers did not carry fresh vegetables and fruits. Quite different to the present day Supermarkets where shelves are loaded with thousands of packages,cans, and bottles containing all sorts of food...............
Yesterday I received a postcard from J.B. Bunch of Albany, Mo., advising me of the Annual Reunion of the Bunch Family at Springdale, Ark. Wish I could be there

so as to see what Bunches there looked like. As there is a strong resemblance in features and mannerisms which run through the family I would likely recognize some of them. In 1897 I met my Uncle Reuben's grandson, Charles Desper. Shortly after that my wife showed me a tintype and asked me if I knew who it was. I thought it was my brother, John. It was Charles Desper. Some 30 years ago I was playing Golf at County Club and my wife and daughter were playing bridge. When I was walking from last green my wife ran to meet me and said she thought she had found a relative of mine. When changing tables my daughter was introduced to a Mrs. Lucas who said her mother's maiden name was Bunch. Like myself, she was a great, great-grandchild of David Bunch, 1722. One day her sister came to call and was met at the door by our maid, Margaret, who had been with us for many years. My sister Mamie had visited us and Margaret had seen her every day for about two weeks. When Margaret met her at the door, she said"Why, Mrs. Furst, when did you get in town?" ....

Sept. 20, 1960.....I told you about Betty (Mrs. Edward L. Bunch) of Silver Springs, Maryland, and finding her husbands place in the family. Some time ago she sent me pictures of their daughter and son and in July she had print made of picture taken of her husband and his father ten years ago. Hope to get one of Betty. Her grandfather was half Chickasaw Indian. I am enclosing snapshots of my daughter and myself taken last November. Not very good but show what we look like. There is not as much of me as there "used to was". When I attained my growth I was 5 ft 11 in and weighed 150 lbs. I have shrunken to 5 ft 8 in, ... and wiegh only 134.......... I was highly pleased at selection of Nixon and Lodge.....So that you will not missunderstand how I stand politically, I cite my past. My family had always been Democrats and I was the first to vote Republican. I cast my first presidential vote for Harrison & Morton in 1888 because at that time the Democrats were for Free Trade or Tariff for revenue only whereas Republicans were for a Protective Tariff. I felt that we needed it as to become an Industrial Nation. I have always noted for Republican for President, 18 times, but have voted for Democrats for Senate and Congress, For Governor and other State officials and for County and City offices. With exception for President I have voted for candidate I thought best, or least undesirable........

Dec. 11, 1960.....Another year is almost ended. As - where I had been hospitalized for a total of 174 days in preceding 5 years - and have not had slightest illness or ache or pain, this year as been good to me. My association with you and Betty Bunch of Silver Springs, Maryland has given me great pleasure, even though it has only been by U.S. Mail. Last week I received 4 Kodak pictures from Betty. One of Betty standing in front door of brick house Edward's father designed & built. One of Betty and her daughter, Susan, 18, one of Edward, and one of son, Jesse Clement, 12.............

Dec. 30, 1960.....Received Christmas Card from Tom Desper, grandson of my father's brother, Reuben. His wife told me that Tom had failed so much mentally that they sold their farm in Earlyville and were boarding in Charlottesville. Some 7 or 8 months ago I received letter from my Aunt Elizabeth's granddaughter who had had a stroke and was living in a Nursing home in Norfolk, tell me that her brother, Jimmy, was in such poor health that he was going to build an apartment in Springwood so that his son who runs a store there could look out after him. For many years I have received Christmas Cards and letters from them. Am Worried as I didnot hear from them this Christmas. Received letter from my Aunt Elizabeth's granddaughter who lives inEverson, Va. saying that her husband had had a second heart attack. They bought a house in Cape Caral, Florida, and would move there the first of the year.......I am enclosing copy I made of

Lineage of Edward L. Bunches' ancestry. They live in eastern shore of Maryland. .... (Copy on following page). (p. 3)

Nov. 14, 1961........very little change with me. I still do not east as much as I should and have not been sleeping at all well, so spend more time resting on couch and less in my chair in corner. It becomes rather monotonous. Have not been out of apartment for more than 2 years excepting to visit neighbors down the hall. How different things would be if a nurse helping to care for an old man in room with me hadn't noticed me when I had inflamation of gland. He saw I was not breathing right and called for Dr. I was blissfully passing away. But they brought me back to life. Same thing occurred a few days later. It is unfortunate that they did. as have been hospitalized more than 170 days. Have been a care and sorrow for my daughter and thousands of dollars of expense. I will welcome the time when I am called to join my ancestors.,,,,,,, ... Only family news I have had lately was a letter from my uncle Reuben's granddaughter, Florence Foster, who with her daughter in fine old brick farm house at Batesville, Va. Her husband, brother and brotherinlaw died a few years ago and a brother has had to be put in a Nursing Home in Charlottesville a and 86 years old sister has been confined to bed since April. The Bunches have been moving. I lived in Buffalo in 1886-7 and 88, and was the only Bunch there and only Bunch here in 1888 was a Negro Insect exterminator......There are some records I would like to see. Those had by Guy L. Bunch who in 1937 was Superintendent for Raleigh Iron Works, Raleigh, N.C. Walter Bunch of Askeboro, N.C. had his daughter go to see him. He told her it would take weeks to copy data he had, promised to send her some, but never did. His records might help us locate some of the Bunches we have been unable to locate.............

Dec. 11, 1961.....received the copy of theBunch Genealogy and delighted with it. Was surprised at amount of data taken from what I sent Nathaniel CalvinBunch... .... Nathaniel Calvin Bunch did not know who was the father of Nathaniel, born 1793, and Veterans Adm. said names of his parents not given. Therefore we have only statement of Ada Hill that there was a Charles Bunch whom she said was Nathaniels father.... In looking over my records I find that David 1722 had a son Nathaniel who was born July 25, 1767, who possibly could have been father of Nathaniel 1793, as he would have been 26 when latter was born. But Ithink there was some reason which I cannot recall that caused me to decide that he could not be.... . (Note from Geneva King - Ithink it might be wise to state here - while I think of it - that among papers which I saw while attending one of the Bunch Reunions in Arkansas was one which stated that Ada Hill, of Harrison, Ark., stated that the parents of Nathaniel born 1793, were Charles and Mary Bunch, and that Nathaniel had a brother, Charles, and a sister, Susan. Charles married Katie Carlock (see Carlock Genealogy) and lived in southwest Missouri, later moved to Walla Walla, Washington. No record of Susan.) With the letter of Dec. 11, R.H.B. # enclosed $5. and had me send copy of Nettie's book to his nephew, Frank M. Bunch, 5 Aldrich Way, Westhaven, Wilmington, Delaware. Then he changed his mind and had the order cancelled.

Dec. 20, 1961......did not find a record of a William Bunch 1803 in the book you sent me. It is quite important and will endeavor to send you a copy within a few days.......(Note from Geneva: Mr. Bunch never did get the record of the above mentioned William Bunch 1803 to me, so I don't know what it was.)

March 6, 1962.....among my birthday cards was one from Ruth Lipes of Columbus, Ohio. She is great granddaughter of my father's sister Elizabeth. She lived in ### Clifton Forge, Va., for many years before going to Ohio. She was back in Va. last Oct., stopping at Batlesville where she saw the Holy Cross Episcopal Church, which is in the Ragged Mts about 3 miles from Batesville. She sent me a copy of the write-up and picture of church in Charlottesville paper. I sent it on to Betty Bunch, wife of Edward L. Bunch of Silver Springs, Md. Edwards

great, great, grandfather, Pouncey Bunch 1790 had a son John and a son William who had a son Newton Douglas...The paper stated that a John Bunch donated land for the church, and a kindred of his, Newton Bunch was buried there in 1905. You and Betty are ~~xkkm~~linked together in my mind as I received my first letter from both of you only a few days apart.........

Aug. 14, 1962.....have broken badly the past few months. It seemed to have started by 6 successive days in June when thermomenter ranged from 91 to 94 and humidity was very high. Had not installed Air Conditioner so we sweltered, and I did not have gumption to do anything but sit in chair in my corner or lie on couch.....I still have no desire to eat so do not eat but very little, not enough to give me strength to walk around. Had quite a scare last month. Had taken a bath and after my daughter had put on my Colostomy outfit, I started to walk to my bed about 10 feet away but could not move my bad leg. I was temporarily paralized. Alma got a stool for me to sit on and inched it over to bed. After about an hour I was able to get up and dress. I was afraid that blood clot I had on my lungs when in hospital four years ago had not absorbed but was floating around and lodged and caused paralysis. No more trouble since then. That is no real trouble but poor circulation causing numbness in leg at times. Some 2 1/2 years ago Dr. said I would have such trouble......Am not surprised that your interest in family genealogy has abated. Same with me.......Nettie Pitcock got data about Nathaniel 1793 family from copy of Genealogy I sent Nathaniel Calvin Bunch. It was my discovery of Allen Bunch of Bakersfield, son of Lee & Tennessee Newberry, and obtained information about their descendants.......
...In reviewing the Bunches - none have been very prominent. There was a Samuel Bunch who was Congressman from Tenn, 1833-1837, elected on the Whig ticket, and a Bradley Bunch, State Senator from Ark. There were lawyers and judges and several who were educators. Just seem to have been "run of the mill" people.........
Tilghman Bunch met many Bunches in his travels and search for information about family. Said that they were universally well thought of. Obituaries I have report favorably about them. Reminds me of story about a Jew whose funeral was being held in a Synagogue. The Rabbi was praising and praising him. Evidently his widow did not agree. She fidgeted and nudged her young son and said, "Go look in the coffin and see if it is your father he is speaking about."...........

April 5, 1963...."Dear Cousin Geneva: Ihad my 98th birthday Feb. 24th and am enclosing one of pictures taken at party. As cannot be left alone and am a burden to Alma I would not be sorry if I never had another. There is no reason for my continueing to live. All I do is to sit in chair or lie on couch all day and it becomes monotonous. Have no television as they are too hard on eyes and do not listen to radio much as programs are poor and my eyes do not permit my reading much. Am doing nothing about family genealogy but keep in touch with several members of the tribe. Trust that you & Garland are well. With love, Cousin Dick."

Christmas, 1963..."I have been failing the past year, especially past few weeks and may not be here much longer. This suits me as I cannot get well and staying in chair in corner or lying on couch, which I have done for 5 years has become monotonous. If I live until Feb. 24th I will be 99 years of age. No Bunch of whom I have record has lived more than 95 years. I am ready to depart this life. My daughter will have to care for me as long as I live and she should have a few carefree years. She was 72 last month. Sincerely, Cousin Dick.".

Richard Haney Bunch died March 21, 1964, at Chicago, Ill.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Mrs. Garland B. King
Rt 1, Box 70
Nowata, Oklahoma

Some years ago, in order to reduce the cost of our service and to decrease the likelihood of copying errors, we discontinued the practice of transcribing genealogical information from the records and adopted, instead, the practice of furnishing photocopies of the original documents for a fee. This practice has proved, on the whole, satisfactory to our patrons.

Now, in order to reduce the average amount of fees and to speed up our service, we have installed a flat fee system.

Please use the reverse of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States military service before World War I and Confederate military service;

b. United States (not Confederate or State) pensions claimed on the basis of service before World War I; and

c. United States (not State) bounty lands claimed on the basis of service before 1856.

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a file for the person identified by your order, we will send photocopies of the documents we think most likely to be of interest to you. If we do not find a file that we can identify with the person in whom you are interested, we will refund your money.

Dear Geneva,

I was pleased to recieve your letter concerning the Bunch family- I have most of the decendants of Frank Bunch. born 22 July 1861 St Joseph, Buchanan, Mo. which is very close to Carroll Co. I was told his father's name was Lewie Bunch and mother Elizabeth Keely.

Frank Bunch md Theresa Hoban who was my gr grandmother's sister. so that is why I did not search further on the Bunch line-

I am still very much interested in genealogy, but have not done much lately- I'm not miss but very much Mrs- with five children from 10 yrs to 2 months- so you can guess what has slowed me down-

I do hope to do much much more soon and would enjoy meeting you very much and your welcome to copy all the Bunch information I have and get addresse's to write for more-

We have moved from Caney- and now live much nearer you-

We are 5 mi East on Nowata Rd- from 75 x 60 intersection- or first big yellow house on North side of road west of Hogshooter bridge Lin Stewart is on mail box.

Our phone is Ed 3-1187.

Dear Mrs Gash,

In reading in the Sept 1969 Genealogical Helper Magazine I saw you have the Bunch name listed in your listing.

I am interested in the Bunch name. My gr. gr. gr. grandmother Martha Jane Bunch. She was born 25 Dec 1809. Don't know her parents names - She was born in Crittenden Co., Arkansas - She died in Nauvoo, Ill. before 1847.

She married Thomas Jefferson Brandon. He was born in S. C.
They had two children:
1. John M. Brandon - 22 Aug 1832 in Crittenden Co. Ark.
2. Martha Jane Brandon - 25 Dec 1837 in New Orleans, La. She married James Madison Graham 12 Feb 1859

I come through this line - my mother was a Graham.

Martha Jane Brandon died 2 mar 1919 in Teton, Idaho. Martha Jane Bunch died in Nauvoo, Ill. before 1847 because Thomas Jefferson Brandon married No 2 - Lovina Jane Palmer and they had five children -

1 - Thomas Jefferson Brandon - 30 Oct 1848
2 - George Washington " - 10 Jan 1850
~~3~~ - These two children were born in Bluff City, Iowa
3 - Phoebe Lovina Brandon - 4 apr 1851
4 - Lydia Alice " - 24 may 1852
5 - Susan Janet " - 9 July 1855

These three children born in Provo, Utah. Mine just might be the same family as yours, Send me your Pedigree Chart on your Bunch line.

I hope you will write to me.

Thank you -

Sincerely,

Dear Mrs. Park,

In the 1969 Exchange I noticed your interest in the BUNCH family name. I am seeking data on my great great grandmother, Jane BUNCH, b. prob. Tenn., d. 1898, Boone Co., Ark., m. in Hamilton Co., Tenn., William ROBBIRDS, b. N.C., d. Howell Co., Mo.. This family lived in Tenn., also Christian and Texas Co.s, Mo.. Children: William Mattison, b. 1834, Tenn., m. Elizabeth HENDRIX, d. 1900, Mo; James David, b. 1837, Tenn., m. Nancy BELL. James David emigrated from Mo. to Ark. where he and his mother are buried. Jane BUNCH's brother supposedly lived in Grason Co., Texas. Who were her parents, bros and sis? Any information would be appreciated. I would be very glad to exchange. Thank you.

Dear Mrs. King:

I recently began a correspondence with Mr. Carl Lynch of Smackover, Ark. concerning BUNCH family data. He was kind enough to give me your address and suggest that I write to you. I have only recently run into the name Bunch, and have little to go on. My great-great-grandfather was Maben Yount of Marble Hill Missouri, and from his daughters death certificate I learned that his wife's name was Susan Bunch. Both Maben and Susan were born in Kentucky in the early 1820's or there-about. I think (but have no proof as yet), that Maben was the son of Jacob Yount Jr. and Charity Murray married in Christian County Ky. 1804. Since we have been transfered here to Houma, I do not have access to census films or reference books, so have been unable to do more than write letters to obtain information. If this Susan Bunch is among your records, I would be most happy to hear from you. Mr. Lynch is going to let me copy the data he has although there is no connection from appearances. I keep folders on all family name material I can find, and often am able to fit pieces together.

I am enclosing a stamped, addressed envelope for your convenience.

Dear Mrs. King,

Your name has been given to me by Mrs. Berkeley Holman of Austin, Texas as a BUNCH researcher. I am looking for a SUSAN BUNCH b. ca 1824 Tennessee who married Mabin Yount b. 1823 Missouri. This Susan Bunch Yount was my g-g-grandmother.

I am told that Charles Bunch b. 1767 and Mary Bellamy had a daughter named Susan, however, since their sons Charles & Nathaniel were born over 24 years before Susan I question whether she could have been their daughter and I do not have a birth date on their Susan.

If you could find my Susan in your files I would be most grateful and happy to pay for any xerox copies you would care to make.

Dear Mrs. King:

I am so sorry to have waited so long before answering your letter, but I have been so busy with other matters I haven't found time for genealogy until now.

I found the Mary Barber, whom you wrote about, and we are corresponding on our Tinnin and Yount lines. Our grandfathers were brothers.

Now, our Susan BUNCH b. in Tenn. ca 1824 married Maben Yount, son of Jesse Yount and Isabella (Sibby) Tinnin. They were married about 1840-43. I have not found a license for them in Cape Co. Mo. so there is a possibility that they might have married in Tennessee. Maben's mother was from Tennessee possibly around Summer Co. So there is a good possibility that he was visiting back there.

Maben and Susan lived in Cape Girardeau Co. Missouri and it was later the part known as Bollinger County. I have been told that Susan was a mid-wife in and around Marble Hill, Mo.

from: Eunice Bradbury

Los Angeles, Calif.
Nov. 27, 1958

Dear Mrs. King:

There is a Mrs. Juanita Garside, 3914 E. Monterosa, Phoenix, Arizona, whose mother was a Bunch. She lived in Missouri. Her grandfather was: John W. Bunch born in Tennessee (185- to 1935 or 36) Married Josephine Roach. Had 10 children, one was born Rosa Josephine Bunch. Josephine married Harlan E. Crain in 1916 and has three children. the oldest is Juanita Rose Crain, born in Hurst, Illinois, who is the above Mrs Juanita Garside. She is a teacher and I re'cd the above information through my cousin's wife who is also a teacher in Phoenix.

Mrs. Garside has an Uncle, Mr. Charles Bunch, 1787 Tustin Ave., Costa Mesa, Calif. I wrote to this man sometime ago, I think before you first wrote to me. I don't remember what I wrote in regards to the family history to him, but I have never herd from him.

It seems as though Juanita's grandfather Bunch owned a farm where the battle of "Pea Ridge" was fought. She seemed to think the battle was in Tennessee however I believe it was Benton County, Arkansas.

Now to get back to Juanita's story. At the time the Battle Of Pea Ridge was fought a soldier hid in a cave near her grandfather's place and when the women would go out to milk the cow or feed it she would take food to the soldier. Juanita also spoke of a fued existing in parts of her relatives because of them being on different sides during the war. There is still a feeling of resentment today, she said. I believe Jaunita's mother had twin brothers Ted and Ed. Some of this family had red hair which seems to be a charistic in the Bunch family.

Have you ever herd of any of the above mentioned family?

October 2, 1959

Dear Mrs. King,

You, no doubt, will be surprised to receive this letter, and wonder why I've written.

First, let me say, my husband is a 3rd cousin to Eunice Bunch Bradbury. They are of the Bradley Bunch line. We spent a few days at their home this July.

But I'm writing primarily to see if you can be of any help in finding out where a lady here fits into the Bunch family. Her present name is Mrs. Juanita Garside. Now here are the facts she has given me. Her mother was Rosa Josephine Bunch, born 1898 in Missouri. Her father was John W. Bunch born in Tennessee in 1850's and died 1935 or 36. Mrs Garside mentions Paul Bunch as being a great grandfather I believe. It seems this Paul Bunch married the second time first wife died. His second wife did not want any of the first wife's furniture in the house, so she burned it all, including a family Bible which contained important information. They believe it was burned for it has never been found. Mrs. Garside mentions the Battle of Pea Ridge being fought on Paul

She mentions twins, Ted & Ed Bunch. Bunch's farm. She has an uncle Charles Bunch in Costa Mesa, California. So many of these names (Charles, John etc) are repeated that it's hard to know who's who. I have sent all this information to Eunice, but she can't place Mrs. Garside.

We keep hoping we'll be able to attend the family reunion some year. I think that would be quite a treat.

Our oldest son, age 10, is named Conway Edmond - the Conway being a Bunch family name - the Edmond is my father's name. Our second son is Paul Eugene - age 8 - His first name is likely a Bunch family name - Eugene is his father's middle name. I am originally from Louisiana - My husband is a native of Arizona.

I hope you can give us some information in this case. Do you have access to any of the Bunch history? I understood you were doing some typing for J. B. Bunch.

Thank you so much for your time and trouble.

Sincerely,

Mary Bunch
